

Description

In any strength and conditioning gym, space is always a factor due to the vast range of equipment to choose from. Our Revolve 2 Tier DB Storage Rack is the perfect solution for this issue. The Revolve 2 Tier Db Storage Rack fits a set of our Hex Dumbbells ranging from 2.5kg all the way up to 30kg. The Revolve 2 Tier DB Storage Rack is completely customizable allowing you to choose from a range of custom colours and even adding your gym laser cut logo on the end plates. This type of customization makes the Revolve 2 Tier DB Storage Rack best in class when it comes to adjustability and personalization.

Built Strong as only Bench Fitness can, the Revolve 2 TierDB Storage rack will take whatever you can throw at it for years to come.
