

Revolve Band Peg (4 pack)

Description

There are many ways of adapting and improving basic strength movements to add additional benefits. One of the best additions to these movements is the use of bands. Using the Bench Fitness Revolve Band Pegs you can safely add bands to any workout.

The Revolve Band Pegs will fit on any of the racks in our Revolve range. Built Strong to last the test of time, these Revolve Band Pegs come with a black zinc finished to ensure enough grip for bands and durability.

Features

- Sold in 4 pack
- Fits all REVOLVE Rigs and Racks
- Fits EXCEED Plate Load Machines
