

THE FEATHER COLLECTION

TI EYEWEAR was born from the passion and expertise of Idriss and Federica, Co-Founders of OPR Eyewear, and their desire to bring high quality, light and stylish titanium frames to the eyewear market.

TI EYEWEAR merges the exceptional craftsmanship of Italian artistry with premium titanium sourced directly from Japan.

Handcrafted with meticulous attention to detail, our screwless patented design has gained worldwide recognition by winning the Award for Technology in Hong Kong, merging advanced technology with Italian style.

## DETAILS MATTER

1. Patented screw-less design
2. 100% Japanese titanium
3. Adjustable nose pads
4. Adjustable temples (in length)
5. Weightless nylon band
6. Hand painted titanium frame
