These images are supplied for information and personal research only. No reproduction may be made for publication without the permission of Archive CD Books Canada Inc.

You may not make copies of the data with the single exception that you may copy or print single pages for use within your own personal family history or record. A single page shall not extend beyond two consecutive pages of the original book image. You may not publish or sell any of the data in printed, electronic or any other format without prior written consent. You may not advertise to, or provide, a look-ups service of the contents of this product for personal gain or reward. A non-commercial, free, single lookup may be performed to assist a friend or acquaintance in their historical research but a period of at least six months must pass before providing that same individual with a further single non-commercial free look-up service from this recorded data.

By purchase of this product you have not acquired title or ownership of the software materials or data contained in this digital or product packaging or documentation. This license grants you a limited, non-exclusive, non-transferable license to use the software and documentation only. This license permits only a single user on a single site to access the data at any given time. (For multi-user licensing or for library use please contact Archive CD Books Canada Inc. at the address given below.) If you wish to copy the data to a computer's internal or external storage area (e.g., hard disk) for data backup purposes the original data as supplied to you must be stored under your personal supervision and you shall prevent it from being used by anyone else while the image remains on in your computer's storage area.

With the single exception above you are prohibited from copying, reproducing, translating, disassembling, recompiling or reverse engineering any part or the whole of software or the related packaging and documentation.

Neither the software nor the documentation may be loaned, rented or leased or be used for any form of remunerated gain.

If you sell or otherwise transfer ownership of this product to a third party you must do so with this license intact and included. In transferring the ownership you relinquish all rights to access or otherwise benefit from the data. You must permanently destroy all copies of the data you may have made for backup purposes.

Warranty is expressly limited to the replacement of a single product if it can be demonstrated to be functionally defective or not of merchantable quality. Warranty is only valid for a period of 30 days from the date of purchase and shall only apply if the defect can be shown not to have resulted from accident, abuse or misapplication of the product. Archive CD Books Canada Inc. shall issue replacement data on return to them of the failed product together with all its related packaging and documentation as well as the original purchase receipt. Archive CD Books Canada Inc. shall not be liable, under any circumstances, for the consequential or other costs resulting from a failure of the product, even if they have previously been made aware of the potential for such consequential losses. Such consequential losses may include, but are not limited to, loss of revenue, time or data.

This license agreement is governed by the laws of Canada.

To view the contents of this File we recommend the use of Adobe® Acrobat Reader™. Use the “forward” and “back” buttons to browse through the pages, or use the bookmarks to select a topic and then the “forward” and “back” buttons, or the scroll bar. You may also select a page number by typing it into the page number box, provided the box is displayed on your screen.

NOTE: The page numbers of this digital document may differ from the page numbers printed in the original document from which this Gleaning has been extracted. “p#” bookmarks (if shown) link to original printed page numbers.

We have also formatted the text of this gleaning for computer text searches using Acrobat Reader™. While the process we have used to generate the searchable index achieves accuracies in the high 90% area it should be assumed that errors remain.

**Remember, there is no substitute for human reading,
do not rely on search results alone.**
