

ENCO[®]

60 COMBINATIONS COLOR MIXING GUIDE

WITH THE 9 BASIC FOOD COLORING GEL SET

INSTRUCTIONS:

This guide indicates the number of drops to color your frosting:

Frosting	Quantity
Italian Meringue	1 cup - 64g
Buttercream	1 cup - 200g
Royal Icing	1 cup - 300g
Whipped Cream	1 cup - 74g

ENCO TIP:

To apply drops faster and of the same size, when exerting the pressure, we recommend sticking the tip of the bottle to the frosting. Remember that more color is required when using a mix combination color than using the direct color.

EQUIVALENCIES:

1  of ENCO Gel Color is equal to 0.125g

1  of 40g yields approx. 320 drops
