

## GREENWICH COLLECTION

The hand crafted process of creating our Greenwich Collection is a luxury all its own. The value of this time-honored hand loom practice cannot be overstated. Finishing such a fine product may cause fibers to move in a natural way. Loops or loose strands or can be expected to appear. Trimming loose strands is customary and will not undermine the integrity of the weave. These characteristics are embraced and even cherished as they undoubtedly display the hand crafted nature of every floor covering.

We hope you join us in celebrating the exquisite workmanship of our Greenwich Collection.
