

Apollo

SKUs:

Apollo 40: **AE 0040**

Apollo 52: **AE 0052**

The Apollo is a heavy-duty, fully collapsible mobile workstation with our largest available work surface. Its reinforced bottom shelf and mainframe can handle even the heaviest of payloads, while a hinged X-Top Shelf and corner accessory mounts provide comfort and versatility. The workstation features our Premium EVO Wheel System and a collapsible design for easy transport and storage.

Apollo 52

KEY FEATURES

- Hinged X-Top Shelf with Integrated Threaded Rail Plates
- Bottom Shelf internal main-frame system greatly improves workstation stability and payload capacity
- Corner Mold Lock-System for Accessories
- Premium EVO Wheels and Foot Brakes
- Hemmed Top and Bottom Shelf construction for strength and durability
- Integrated Pack Latch System
- Tool-free design packs down for ease of transportation
- Integrated Skate Wheels allow for easy transport while in case-mode
