EXTERIOR

Kit Code	Description / Application	RRP	Contents
LE01	Guards, Nose Cone, Radiator Support Brackets (Factory Style)	\$ 94.00	22 x Bolt clips (Front guards) 2 x Large screws (Secure vacuum ball to drivers side radiator support bracket) 2 x Small screws (Secure front of nose cone to radiator support) 2 x Screw clips (Clip onto radiator support, for the above screws) 14 x Large washers (25mm diameter, for front guards - same style and size as original) 7 x Small washers (20mm diameter, for nose cone - same style and size as original) 28 x Flanged bolts (6 secure nose cone to front guards, 12 secure front guards to body (excluding top edge), 10 secure radiator support and front guard brackets to body) 21 x Regular bolts (Secure nose cone and front guards to body)
KLE02	Number Plate Security Screws (VB to VZ)	\$ 19.00	4 x Self-tapping security screws + allen key
AE10	Front Bumper Brackets	\$ 18.00	4 x High Tensile bolts (Brackets to body - 2 for each)
LE13	Headlights and Indicators (Factory Style)	\$ 15.95	8 x Black 'factory style' screws (Secure headlights to the body) 2 x Stainless steel screws (Secure indicators to the headlights)
KSE15	Bumper Panels	\$ 55.00	16 x Stainless steel clips 16 x Stainless steel bolts (Have 8mm size head, same as original)
LE16	Front Centre Upper Bumper Mould and Grill (Excluding Calais)	\$ 29.00	2 x White plastic screw grommets (Clip into the bumper mould metal side brackets) 2 x Stainless steel screws (Secure bumper mould to side brackets) 2 x Stainless steel bolts (Fasten side brackets to radiator support) 2 x Stainless steel clips (For grill screws - clip onto the radiator support) 2 x Stainless steel screws (Secure grill to radiator support)
LE18	Upper Bumper Mould and End Cap Trims	\$ 19.00	6 x Stainless steel clips (Bumper upper moulds) 6 x Stainless steel screws (Bumper upper moulds) 2 x Stainless steel screws (Bumper mould end cap trims)
AE21	Radiator Trim, Fan Shroud and Overflow Bottle (VL)	\$ 24.00	2 x Stainless steel clips (Secure fan shroud to the bottom of the radiator) 4 x Plastic clips (Secure radiator trim to the body) 4 x Screws (2 secure fan shroud to the top of the radiator; 2 secure overflow bottle to body) 1 x Stainless steel clip (Secures overflow bottle hose to the radiator support)
AE22	K-Frame	\$ 16.95	4 x High tensile lock nuts 4 x High tensile washers
AE22-B	K-Frame Bolts (VB - VS)	\$ 29.00	4 x High tensile bolts
AE22-CAS	Lower Control Arms and Sway Bar (Front)	\$ 23.95	2 x Large high tensile bolts (Secure lower control arms to k-frame) 2 x High tensile nuts (Used with above bolts) 4 x Small high tensile bolts (Secure sway bar brackets to body)
AE22-SRI	Steering Rack and Intermediate Shaft	\$ 39.00	2 x Small high tensile bolts (Secure intermediate shaft to steering rack) 2 x Small high tensile lock nuts (Used with above bolts) 2 x Large high tensile bolts (Secure steering rack to k-frame) 2 x Large high tensile lock nuts (Used with above bolts) 2 x Stainless steel split pins (Used with above nuts)
AE22-ZN	Z-bar Nuts	\$ 9.99	2 x Lock nuts for front of Z-bars

AE23	Strut Top Mounts	\$ 15.00	6 x Lock nuts 6 x Washers
LE25	Bonnet Insulation, Release Cable and Bonnet Rod	\$ 29.00	11 x Large black plastic clips (Bonnet insulation) 1 x Stainless steel screw (Secures above bracket into place) 1 x Small black plastic clip (Holds cable in place near drivers side strut tower)
AE27	Bonnet and Boot Bolts/Washers	\$ 24.00	8 x High tensile bolts (4 for bonnet; 4 for boot) 8 x High tensile washers (4 for bonnet; 4 for boot)
AE27-H	Bonnet Hinge Fasteners	\$ 29.00	2 x Bolts 2 x Flat Washers 2 x Wave Washers
AE29	Wheel Arch Liner Trims	\$ 15.99	8 x Plastic clips (4 for each side) 8 x Stainless steel screws (4 for each side)
AE30-BB	Brake Booster and Master Fasteners	\$ 24.00	6 x High tensile lock nuts (Two secure booster to firewall / pedal box; Four secure booster to its bracket) 2 x 316 grade Stainless Steel lock nuts (Secure strut tower bracket to strut tower) 2 x Large 316 grade Stainless Steel lock nuts (Secure master cylinder to booster) 1 x 316 grade Stainless Steel bolt (Secure strut tower bracket to master cylinder)
AE30-CF	Front Brake Calipers	\$ 24.00	4 x High Tensile Flange Bolts (2 For Each caliper)
AE33-B	A/C Condenser Bottom Rubbers	\$ 14.99	2 x Rubber mounts (For bottom of condenser)
AE33-T	A/C Condenser Top Rubbers	\$ 19.00	2 x Rubber mounts 2 x Stainless steel bolts
AE42-FB	Wiring Loom Cable Ties (Hole Mount, Factory Style - Type B)	\$ 14.00	3 x Plastic hole-mount cable ties (Hold RB30 engine loom in place, along front of engine; Same as original; Clip into 8mm hole)
AE44	Wiring Loom Fasteners (Assortment)	\$ 27.95	3 x Plastic hole-mount cable ties (Secure RB30 engine loom in place) 3 x Plastic hole-mount clips (External use; Hold engine bay looms in place that are in split tubing) 3 x Stainless steel clips (External use; Hold wiring looms and hoses in place) 4 x Plastic hole-mount cable ties (Secure wiring looms to body in engine bay; Secure RB30 accelerator cable to firewall) 5 x Plastic hole-mount clips that are taped onto wiring looms (Cluster loom; Rear body loom; Engine bay looms)
AE45	Battery Clamp	\$ 4.99	1 x Stainless steel bolt
KLE50	A-Pillar Chrome Trims	\$ 17.95	6 x Small stainless steel screws (Upper section - 3 for each side) 2 x Black screws (Bottom of trim, into guards - 1 for each side)
AE61	Door and Boot Lock Retainers	\$ 20.00	3 x Metal clips (Secure lock barrels into place - 1 for each front door; 1 for boot)
AE62	Door Latches, Handles, Switches and Security Plates	\$ 20.00	8 x Lock nuts (Exterior door handles - 2 for each one) 8 x Large machine thread screws (Door latches - 2 for each one) 4 x Bolts (Door latches - 1 for each one) 6 x Small screws (Door, bonnet and boot switches - 1 for each switch) 2 x Medium screws (Front door security plates - 1 for each one) [All components are Stainless steel]
AE63	Door Check Strap Bolts	\$ 14.99	8 x High tensile bolts (Secure door check straps to doors - 2 for each door)
AE64	Door Check Strap Pins	\$ 25.00	4 x Stainless steel pins (Secure door check straps to body - 1 for each strap)
AE65	Door Hinge Pin Plugs	\$ 11.99	16 x Plastic plugs (Seal the door hinge pins, top and bottom - 4 for each door)
LE78	Rear Quarter Moulds	\$ 35.00	6 x Countersunk screws (Plastic mould front edges to body - 3 for each side) 2 x Stainless Steel screws (Rear corners to body - 1 for each side) 4 x Plastic clips for D-Pillars

AE80	Fuel Tank, Access Panel and Fuel Flap	\$ 18.00	3 x High tensile bolts (Fuel tank straps to body) 3 x Large high tensile washers (Fuel tank straps to body) 4 x High tensile spring washers (Fuel tank straps to body) 1 x Small high tensile washer (Fuel tank straps to body) 1 x High tensile nut (Fuel tank straps to body) 3 x Small stainless steel screws (Fuel tank access panel) 2 x Large stainless steel screws (Fuel flap to body)
AE82	Diff, Shocks, Sway Bar and Panhard Rod	\$ 109.00	4 x Small bolts (Sway bar to diff) 2 x Small bolts (Upper control arms to diff) 8 x Small lock nuts (2 for upper control arms to diff; 2 for shocks to diff; 4 for sway bar to diff) 2 x Small bolts (Shocks to diff) 1 x Medium bolt (Panhard rod to body) 2 x Large bolts (Fine thread - Upper control arms to body) 2 x Large bolts (Lower control arms to body) 2 x Large bolts (Lower control arms to diff) 6 x Large lock nuts (4 for lower control arms to diff/body; 2 for panhard rod) [All components are High Tensile]
AE82-TS	Tailshaft and Centre Bearing	\$ 42.00	4 x Large bolts (Tailshaft to diff) 4 x Lock nuts (Tailshaft to diff) [All components are High Tensile]
AE83	Boot Hardware	\$ 16.00	4 x Stainless steel bolts (2 for boot latch to boot; 2 for boot release solenoid to boot) 1 x High tensile bolt (Boot striker to body)
LE89	Bumper Side Bracket Rubbers (Rear)	\$ 17.95	4 x Self-adhesive rubber strips (Side bracket metal plates, where they sit against body)
LE91	Bumpers to Body	\$ 57.95	2 x Medium stainless steel screws (Front side brackets to body) 10 x High tensile bolts (4 for front bumper reinforcement bar to brackets; 2 for horns to reinforcement bar; 4 for rear centre bumper panel to brackets) 6 x Small stainless steel screws (Corner panels to wheel arches - 2 for each panel) 4 x Large stainless steel screws (Rear side bumper panels to side brackets) 2 x Stainless steel nuts (Rear centre brackets to body, inside boot) 12 x Stainless steel bolts (4 for rear side brackets to body, inside boot; 8 for front centre bumper panel to reinforcement bar) 2 x Stainless steel washers (Rear centre brackets to body, inside boot) 2 x Plastic clips (Rear side bumper panels to body, on underside - 1 for each side) 2 x Rubber washers (Rear centre brackets to body, on exterior)
KLE93	Rear Garnish and Numberplate Light	\$ 19.00	8 x Stainless steel screw clips (4 for rear garnish brackets, 4 for tail lights) 4 x Stainless steel screws (Rear garnish bottom edge) 4 x Black screws (Rear garnish top edge) 3 x Stainless steel lock nuts (2 for rear garnish brackets to body; 1 for center bumper trim to body) 1 x Stainless steel screw (Number plate light to centre bumper panel)
AE95	Tail Light Screws	\$ 17.99	10 x Stainless steel screws (Tail lights to body)

INTERIOR

Kit Code	Description / Application	RRP	Contents
AI200	Sunvisors, Mirrors and Grab Handles	\$ 17.00	7 x Black countersunk screws (4 for sunvisors; 3 for interior rear-view mirror) 6 x Large stainless steel screws (Side mirrors to doors - 3 for each side) 12 x Small stainless steel screws (Passenger grab handles - 4 for each)
LI207	Dash Pad and Speaker Grills	\$ 28.00	3 x Stainless steel bolts (Dash pad to dash support frame) 1 x Stainless steel lock nut (Dash pad to dash support frame) 6 x Stainless steel screws (1 to secure dash pad to dash support frame; 1 to secure centre air duct to dash pad; 4 to secure air vents to speaker grills) 2 x Plastic square spacers (For each end of dash pad, where it bolts to the dash support frame) 2 x Large stainless steel screw clips (Clip onto dash pad ends, near speaker holes. Some dash pads use the below plastic screw plugs instead) 2 x Plastic screw plugs (Clip into dash pad ends, near speaker holes. Some dash pads use the above metal screw plugs instead) 7 x Small stainless steel screw clips (4 for speaker grills; 3 for dash pad) 2 x Large screws (Secure dash pad to dash support frame by threading into the above clips) 4 x Plastic plugs (Push into dash pad and help secure speaker grills into place)
LI208	Dash Trims	\$ 24.00	12 x Large stainless steel screws (For dash trims, excluding the radio surround) 1 x Stainless steel lock nut (Passenger side main lower dash trim to dash support frame) 5 x Stainless steel screw clips (1 clips onto above trim for A/C control panel; 4 clip onto dash support frame for radio surround trim and drivers side main lower trim) 2 x Small stainless steel screws (Glovebox mirror - not in all models) 3 x Small black screws (2 for radio surround trim; 1 for A/C control panel) 1 x Stainless steel washer (Used with 1 of the screws below, for main lower dash trims to bottom outer bracket on passenger side) 7 x Large black screws (5 for passenger side main lower dash trim to dash support frame; 2 for main lower dash trims to bottom outer brackets)
AI215	Litter Bag Hook	\$ 9.99	1 x Black plastic hook (Self adhesive - fits onto the dash trim just below the glovebox)
LI218	Electrical Components	\$ 29.00	1 x Large stainless steel bolt (Power antenna to body) 1 x Stainless steel washer (Power antenna to body) 1 x Stainless steel nut (Power antenna to body) 4 x Large stainless steel bolts (Instrument cluster to dash support frame) 2 x Stainless steel screws (RB30 Auto Transmission module to bracket) 2 x Small stainless steel bolts (RB30 Engine ECU to bracket) 1 x Small stainless steel screw (Radio security bracket to radio) 2 x Stainless steel screws (Power mirror relays to dash support frame) 2 x Stainless steel screws (Dimmer switch to dash trim) 4 x Stainless steel screws (2 for satellite switches; 2 for radio security bracket) 4 x Stainless steel screw clips (2 for satellite switches; 2 for radio security bracket) 5 x Stainless steel screws (3 for windscreen wiper module; 2 for coolant level module) 10 x Stainless steel screws (2 for RB30 Auto Transmission bracket to dash trim; 8 for speakers to dash pad) 2 x Stainless steel screws (RB30 ECU bracket to body)
AI220	Steering Wheel, Ignition Pot and Column	\$ 19.95	3 x High tensile lock nuts (Steering column to dash support frame and firewall) 1 x High tensile nut (Steering wheel to column shaft) 1 x Stainless steel lock nut (Steering wheel to column shaft) 2 x Black screws (Ignition switch mechanism to column) 3 x Stainless steel bolts (Ignition switch to column) 5 x Small stainless steel machine-thread screws (2 for horn ring to steering wheel; 3 for indicator mechanism to ignition pot) 1 x Stainless steel machine-thread screw (Indicator stalk to indicator mechanism) 3 x Large stainless steel screws (Steering column plastic trims)

LI230	A/C, Heater and Wiper Arms	\$ 18.00	<p>7 x Bolts (A/C and heater assemblies to firewall and body) 1 x Bolt (Blower fan housing to firewall, in LHF wheel arch) 3 x Nuts (1 for blower fan housing to firewall, in LHF wheel arch; 2 for wiper arms) 2 x Lock nuts (Blower fan housing to dash support frame) 2 x Screw clips (Blower fan inlet duct to blower fan housing) 2 x Screws (Blower fan inlet duct to blower fan housing)</p> <p style="text-align: right;">[All components are Stainless Steel]</p>
-------	----------------------------	----------	---

AI233	Lower Dash Trims	\$ 17.95	1 x Releasable cable tie (Drivers side trim to steering column) 1 x Round plastic clip (Drivers side trim to accelerator pedal bracket assembly) 6 x Rectangle plastic clips (Secure both trims to the lower dash plastics)
AI234	Kick Panels	\$ 14.99	2 x Plastic clips (Colour: Black) 1 x Screw (Only used for passenger side trim in models with RB30 engine)
AI235	Carpet Plugs	\$ 12.95	10 x Plastic Clips (Secure carpet into place - 5 for each side)
AI236	Firewall and Floor Insulation Clips	\$ 24.00	16 x Plastic clips (Secure interior insulation to firewall and floor)
AI238	Scuff Trim Clips	\$ 19.00	14 x Metal clips (Secure trims into place - 4 for each front trim; 3 for each rear trim)
AI245	Arm Rest Screws and Plugs	\$ 15.00	8 x Plastic plugs (Push into inner metal door skin and the screws thread into them) 8 x Screws (Secure arm rests to the doors)
AI246	Door Handle and Latch Rod Support Clips	\$ 14.99	8 x Plastic clips (Support the door handle and latch rods - 2 for each door)
AI247	Door Seal Clips	\$ 28.99	100 x Plastic clips (26 for each front door, 24 for each rear door)
AI248	Door Trim Clips	\$ 30.00	36 x Plastic clips (10 for each front trim; 8 for each rear trim)
AI252	Door Glass Hardware	\$ 29.00	4 x Metal clips (Window winder handles to mechanism shafts) 8 x Small high tensile bolts (Secure rear window mechanism cables into place) 8 x Large high tensile bolts (4 secure front window mechanism horizontal guides into place; 4 secure rear window mechanism cable pulleys into place) 6 x Stainless steel bolts (Secure vertical glass channels into place, on exterior top edge of doors) 2 x Stainless steel lock nuts (Secure rear door vertical glass channels into place, on interior of doors) 4 x Small stainless steel screws (Secure rear door vertical glass channels into place, along top edge of doors) 2 x Large stainless steel screws (Secure rear door latch security plates into place, on interior of doors)
LI258	Front Seat Bolts	\$ 17.95	7 x Long high tensile bolts (4 for drivers seat; 3 for passenger seat) 1 x Short high tensile bolt (For passenger seat, right-hand front mounting point)
LI260	Centre Console	\$ 19.99	4 x Black countersunk screws (Inner trim of high-rise lid) 4 x Black pan head screws (High-rise lid hinge) 2 x Stainless steel machine thread screws (High-rise to bottom hinge) 4 x Small stainless steel screws (2 for high-rise hinge to console; 2 for high-rise latch handle) 3 x Large stainless steel screws (Centre console to the floor)
AI262	Handbrake Handle, Boot and Cable	\$ 19.00	2 x High tensile bolts (Secure handle to body) 1 x Spring (Handbrake button return) 7 x Metal clips (Handbrake boot to centre console) 2 x High tensile nuts (For cable adjustment, on underside of vehicle)
AI280	Roof Lining Rod End Caps	\$ 19.00	6 x Plastic end caps
AI285	Rear Quarter Moulds	\$ 16.95	10 x Plastic clips (5 for each mould) 2 x Stainless steel screws (Hold roof lining in place, behind moulds - 1 for each side)

TOTAL RRP = \$ 1,523.28

IMPORTANT:

- > Please ensure any washers included with serrated head bolts are used - especially against painted surfaces, as the serrations may cause damage to paintwork if the washers are not used.
- > We are not liable for any damages caused by improper use of any of the fasteners included in this kit.
- > A lot of time and effort was put into the assembly of this kit - including this detailed list of contents and their application. We are confident that both are accurate and true - but if something does not look or feel right, or if you are unsure of something - STOP. Double check you have the correct fastener for the application. If still confronted by an issue or in doubt, PLEASE contact us! We stand behind our products - Customer satisfaction is our highest priority!
