OUR SUCCESS STORY.

Over 1 million customers worldwide, more than 4 million followers on social media and a yearly social reach of 1.3 billion people.

All of that sounds like a typical Silicon Valley success story, where start-ups grow to market leaders and change business sectors significantly with disruptive innovation within the shortest period of time.

Well, Women's Best is not an American corporation but an Austrian brand founded in 2015 by three young Austrians. Today Women's Best is an international leading brand which offers high-quality sportswear and premium sports nutrition for women.

For our headquarters in Innsbruck, Austria, we are currently looking for a:

APPAREL DEVELOPER (M/F/X)

Full time (40 hours/week)

Women's Best is an internationally successful start-up that sells high-quality sportswear and premium sports nutrition for women in 150 countries.

As one of the most successful social media start-ups we don't see ourselves as a regular employer, but are much more trying to make a change and revolutionize the labor market.

Look forward to modern working conditions, an international team aged between 18-53 and a special success story. In addition, enjoy the company gym, modern working spaces and unforgettable company events as a part of our attractive benefits.

GROSS SALARY:

For this position, depending on qualifications and work experience, the minimum gross annual salary for full-time starts at € 33,600.

The willingness to overpayment is given, depending on your qualification and previous professional experience. Attractive bonus payments complete the salary package.

YOUR BENEFITS WITH US:

- A unique success story
- Excellent promotion prospects
- Bonus payments
- Personal development
- Working directly with the founders
- An international dynamic team
- Flexible working hours
- Modern working conditions
- Company owned gym
- Unforgettable corporate events
- Office canteen with freshly cooked meals
- Free coffee & snacks

YOUR BENEFITS IN AUSTRIA (TIROL):

- 14 salaries per year
- Extraordinarily high quality of life
- Low crime rate
- Excellent social / health care system
- Beautiful landscape
- Popular travel destination
- Various leisure activities in summer and winter
- Innovative economy

YOUR TASKS:

- Build and realize an apparel collection that pushes the boundaries of apparel, accessories and trim innovation responding to the needs of Women's Best timeless design
- Oversee every aspect of product development bringing great value to products throughout brands mission, design and quality
- Develop products and construction techniques that meet design expectations and meet or exceed predetermined cost and functionality requirements
- Work with design to produce Tech Packs for seasonal assortment to assure that quality expectations are understood by suppliers
- Implement and supervise all details of tech pack development including technical artwork, material and component specifications, color application through utilization of Adobe Illustrator and PLM systems (C-Design)
- Organize and lead fitting sessions to a high standard and assure clear and timely communication with factories on changes
- Develop and improve the Women's Best fit bringing instant pull-on comfort to all garments and ensure fit consistency over the entire range
- recommend materials and source new fabrications to develop innovative and technically superior products each season
- Liaise with Product Manager to identify product needs, align with product delivery schedules and product sales performance
- Build a strong relationship with key business partners; material and trim suppliers and garment manufacturers
- Lead and own the development process of special projects to assure both the technical superiority and the product quality/integrity of all products
- Manage and maintain development and production sample library

YOUR PROFILE:

- Bachelor's degree or above in fashion design or technical education in garment manufacturing
- Minimum 3+ years' experience in Apparel development, in woven products, jersey or knitwear
- Affinity for contemporary Apparel + Sportswear design and knowing to read and translate the Women's Best design vision and product strategy
- Solid level of technical skills, such as knowledge in pattern cutting, garment manufacturing and material
- Passionate about translating and realizing the Women's Best design vision into a refined and leading product
- Organized and hands-on working attitude with a flexible and open mind for visionary solutions
- International experience is a plus
- Excellent communication skills and a sense for the market
- Good experience in Adobe illustrator, photoshop & Microsoft Office
- Able to work at a fast pace and think and react quickly with the ever-changing environment
- Able to travel on a regular basis between HQ and production and development partners
- Full proficiency in written and spoken English is a must
