OUR SUCCESS STORY.

Over 1 million customers worldwide, more than 4 million followers on social media and a yearly social reach of 1.3 billion people.

All of that sounds like a typical Silicon Valley success story, where start-ups grow to market leaders and change business sectors significantly with disruptive innovation within the shortest period of time.

Well, Women's Best is not an American corporation but an Austrian brand founded in 2015 by three young Austrians. Today Women's Best is an international leading brand which offers high-quality sportswear and premium sports nutrition for women.

For our headquarters in Innsbruck, Austria, we are currently looking for a:

NEW PRODUCT DEVELOPER

FOOD AND NUTRITION (M/F/X)

Full time (40 hours/week)

Women's Best is an internationally successful start-up that sells high-quality sportswear and premium sports nutrition for women in 150 countries.

As one of the most successful social media start-ups we don't see ourselves as a regular employer, but are much more trying to make a change and revolutionize the labor market.

Look forward to modern working conditions, an international team aged between 18-53 and a special success story. In addition, enjoy the company gym, modern working spaces and unforgettable company events as a part of our attractive benefits.

GROSS SALARY:

For this position, depending on qualifications and work experience, the minimum gross annual salary for full-time starts at € 38,000.

The willingness to overpayment is given, depending on your qualification and previous professional experience. Attractive bonus payments complete the salary package.

YOUR BENEFITS WITH US:

- A unique success story
- Excellent promotion prospects
- Bonus payments
- Personal development
- Working directly with the founders
- An international dynamic team
- Flexible working hours
- Modern working conditions
- Company owned gym
- Unforgettable corporate events
- Office canteen with freshly cooked meals
- Free coffee & snacks

YOUR BENEFITS IN AUSTRIA (TIROL):

- 14 salaries per year
- Extraordinarily high quality of life
- Low crime rate
- Excellent social / health care system
- Beautiful landscape
- Popular travel destination
- Various leisure activities in summer and winter
- Innovative economy

YOUR TASKS:

- Constantly develop the assortment strategies and improve the nutrition and supplements assortment range.
- Carry out product, market and trend researches to identify new global market opportunities for the core markets Europe, USA and Middle East
- Plan, manage and control a number of new product developments at the same time, from initiation through to close
- Responsible for steadily determining the product features such as recipe, labels, packaging and product design in general
- Ensure the highest quality standards worldwide (EFSA, FDA) for all products
- Closely work together with related departments such as purchasing, graphic design, customer support
- Carry out tastings and continuous quality improvements for new and existing products
- Local checks on suppliers on a regular basis
- Weekly feedback to Head of Research & Development

YOUR PROFILE:

- At least 2+ years' experience in a similar role, preferably in the food & nutrition industry
- Experience in product management and/or quality management
- Knowledge of production techniques and processes as well as general food law regulations (EFSA, FDA)
- Passion for fitness and nutrition with knowledge of trends, products and markets
- A fast learner and passionate to create structures and processes in a complex, ever changing and highly engaging environment
- High level of ownership for your projects, assertiveness, and reliability with your given tasks and responsibilities
- Fluent in English and German, every other language is an advantage
