OUR SUCCESS STORY.

Over 1 million customers worldwide, more than 4 million followers on social media and a yearly social reach of 1.3 billion people.

All of that sounds like a typical Silicon Valley success story, where start-ups grow to market leaders and change business sectors significantly with disruptive innovation within the shortest period of time.

Well, Women's Best is not an American corporation but an Austrian brand founded in 2015 by three young Austrians. Today Women's Best is an international leading brand which offers high-quality sportswear and premium sports nutrition for women.

For our headquarters in Innsbruck, Austria, we are currently looking for a:

PATTERN MAKER (M/F/X)

Full time (40 hours/week)

Women's Best is an internationally successful start-up that sells high-quality sportswear and premium sports nutrition for women in 150 countries.

As one of the most successful social media start-ups we don't see ourselves as a regular employer, but are much more trying to make a change and revolutionize the labor market.

Look forward to modern working conditions, an international team aged between 18-53 and a special success story. In addition, enjoy the company gym, modern working spaces and unforgettable company events as a part of our attractive benefits.

GROSS SALARY:

For this position, depending on qualifications and work experience, the minimum gross annual salary for full-time starts at € 35,000.

The willingness to overpayment is given, depending on your qualification and previous professional experience. Attractive bonus payments complete the salary package.

YOUR BENEFITS WITH US:

- A unique success story
- Excellent promotion prospects
- Bonus payments
- Personal development
- Working directly with the founders
- An international dynamic team
- Flexible working hours
- Modern working conditions
- Company owned gym
- Unforgettable corporate events
- Office canteen with freshly cooked meals
- Free coffee & snacks

YOUR BENEFITS IN AUSTRIA (TIROL):

- 14 salaries per year
- Extraordinarily high quality of life
- Low crime rate
- Excellent social / health care system
- Beautiful landscape
- Popular travel destination
- Various leisure activities in summer and winter
- Innovative economy

YOUR TASKS:

- interpret design intent, create prototype, sample and production patterns, ensuring that methods and documentation are consistent with known factory methods and processes
- work closely with design to establish standard fit by product category, ensure product size and fit consistency
- maintain computer pattern libraries, ensuring changes are clearly communicated to Product Developers, Graders and Marker Makers
- In collaboration with Designers/Product Developers, establish and document product construction standards and illustrated technical specifications for all products
- maintain accurate pattern lists and templates in the Women's Best spec
- provide accurate raw material yields to Product Developers during prototype development
- develop and maintain accurate finished garment measurement specifications
- report on prototype and sample progress to ensure development and production deadlines are met
- support and report Integrated Product Team metrics for timeline, costs and product solutions that meet supply chain needs
- exploring new technologies that continue to drive innovation and push the boundaries on what is possible for garment construction in seamless, jersey and Outdoor products
- continue to flex, adapt and change in the pattern making space as we work towards our vertical future as a brand

YOUR PROFILE:

- relevant post-secondary education and 3+ years' production pattern making experience
- excellent knowledge of garment construction with the ability to work from pattern blocks or sketches
- Gerber Accumark and/or other pattern making software
- excellent attention to detail, including accurate data entry skills
- strong interpersonal skills
- proficient in the use of Microsoft Office
- fluent in English (written and spoken)
- proactive in identifying the root cause of issues, seeking the best (sometimes not the easiest) solutions with an unwavering commitment to do what is right
- With your positive mindset you are always trying to find a feasible solution
- You remain highly flexible and adaptable when faced with ambiguity
- You effectively balance autonomy and collaboration
- You inspire breakthrough thinking and continuous improvement
- Your passion for your work is paralleled by your passion for getting outside and living it
