OUR SUCCESS STORY.

More than 900,000 customers worldwide, more than 3.8 million followers on social media and a total annual reach of 1.3 billion people.

What sounds like a typical Silicon Valley success story, where young start-ups grow to market leaders within the shortest period of time, was achieved by an Austrian start-up.

Surprising to many, Women's Best is not an American corporation - it was founded in Austria in 2015 by three young Austrians. Today the producer of high-quality sportswear and premium sports nutrition is one of the worldwide fastest growing women's brands and a big player in the industry.

For our headquarters in Innsbruck, Austria, we are currently looking for a:

ERP MANAGER (M/F/X)

Full time (38.5h/week)

Women's Best is an internationally successful start-up that sells high-quality sportswear and premium sports nutrition for women in 150 countries.

As one of the most successful social media start-ups we don't see ourselves as a regular employer, but are much more trying to make a change and revolutionize the labor market.

Look forward to modern working conditions, an international team aged between 18-53 and a special success story. In addition, enjoy the company gym, modern working spaces and unforgettable company events as a part of our attractive benefits.

- 14 salaries per year
- Extraordinarily high quality of life
- Low crime rate
- Excellent social / health care system
- Beautiful landscape
- Popular travel destination
- Various leisure activities in summer and winter
- Innovative economy

YOUR TASKS:

- As project manager, you are the contact person for all questions concerning the ERP system and the associated business processes.
- Determining and implementing business processes in the ERP system in the following departments: order processing, logistics, warehouse management, purchasing and inventory management
- Planning and support in the configuration of the ERP system as well as testing, documenting and eliminating of occurring errors involving the coordination with our external IT partner
- Supervising and developing of the existing ERP system
- Master data maintenance of stock lists, purchasing and sales

YOUR PROFILE:

- Professional experience with application management of ERP systems, ideally in commerce and logistics via SAGE 100
- Completed vocational training in IT (preferably studies)
- High analytical competence, affinity for numbers and precise working methods
- Excellent computer skills and a structured and organized way of working
- Excellent knowledge of German and English
- Competent appearance and ability to work in a team
- Networked thinking

GROSS SALARY:

For this position, depending on qualifications and work experience, the minimum gross annual salary for full-time starts at € 41,600.

Attractive bonus payments complete the salary package. The willingness to overpayment is given, depending on your qualification and previous professional experience
