## OUR SUCCESS STORY.

More than 900,000 customers worldwide, more than 3.8 million followers on social media and a total annual reach of 1.3 billion people.

What sounds like a typical Silicon Valley success story, where young start-ups grow to market leaders within the shortest period of time, was achieved by an Austrian start-up.

Surprising to many, Women's Best is not an American corporation - it was founded in Austria in 2015 by three young Austrians. Today the producer of high-quality sportswear and premium sports nutrition is one of the worldwide fastest growing women's brands and a big player in the industry.

For our headquarters in Innsbruck, Austria, we are currently looking for a:
