OUR SUCCESS STORY.

More than 900,000 customers worldwide, more than 3.8 million followers on social media and a total annual reach of 1.3 billion people.

What sounds like a typical Silicon Valley success story, where young start-ups grow to market leaders within the shortest period of time, was achieved by an Austrian start-up.

Surprising to many, Women's Best is not an American corporation - it was founded in Austria in 2015 by three young Austrians. Today the producer of high-quality sportswear and premium sports nutrition is one of the worldwide fastest growing women's brands and a big player in the industry.

For our headquarters in Innsbruck, Austria, we are currently looking for a:

INTERNATIONAL LOGISTICS & TRANSPORT MANAGER (M/F/X)

Full-time (38.5h/week)

Women's Best is an internationally successful start-up that sells high-quality sportswear and premium sports nutrition for women in 150 countries. As one of the most successful social media start-ups we don't see ourselves as a regular employer, but are much more trying to make a change and revolutionize the labor market. Look forward to modern working conditions, an international team aged between 18-53 and a special success story. In addition, enjoy the company gym, modern working spaces and unforgettable company events as a part of our attractive benefits.

GROSS SALARY:

For this position, depending on qualifications and work experience, the minimum gross annual salary for full-time starts at € 38,981.32. Attractive bonus payments complete the salary package. The willingness to overpayment is given, depending on your qualification and previous professional experience.

YOUR BENEFITS WITH US:

- A unique success story
- Our company location (Austria)
- Excellent promotion prospects
- Bonus payments
- Personal development
- Working directly with the founders
- An international dynamic team
- Flexible working hours
- Modern working conditions
- Company owned gym
- Unforgettable corporate events
- Free coffee & snacks

YOUR BENEFITS IN AUSTRIA (TIROL):

- 14 salaries per year
- Extraordinarily high quality of life
- Low crime rate
- Excellent social / health care system
- Beautiful landscape
- Popular travel destination
- Various leisure activities in summer and winter
- Innovative economy

YOUR TASKS:

- B2B order processing and handling of international shipments
- Track and trace shipments and carriers to ensure on time pick-up and delivery
- Process freight bills and perform other administrative tasks
- Enter new shipments
- Schedule appointments
- Handle customer shipment routing requests and assign approved service provider
- Responsible for implementing international import and customs
- Research and build European and International transportation and customs processes
- Manage and control overall integrity and profitability of ocean shipping regarding importing/exporting products
- Improve and implement processes with fulfillment for shipping, distribution and custom matters
- Organize and coordinate between purchasing, B2B and management
- Project based work for US market entering (working on label ingredients, FDA regulations, taxes and import responsibilities)
- Active assistance to Head of B2B, CAO and Management in distribution, transportation and import questions
- Strive for continuous improvement and identify opportunities to increase efficiency in all operations

YOUR PROFILE:

- A quantitative Bachelor's or Master's degree from a competitive university
- Minimum of 5 years of relevant work experience
- Experience with designing / redesigning processes and programs to increase delivery efficiency for B2C and B2B
- Experience with import / export, parcel transport on a global basis and inventory control
- Experience with import and export regulations including customs, duties and taxes
- Ability to work effectively under pressure in meeting deadlines and capability to manage numerous competing demands in a high-pressure environment
- Knowledge of managing transportation carriers and suppliers
- Knowledge of principles and methods for moving goods, their relative costs and benefits
- Knowledge of management principles to drive supplier KPIs of cost, inventory management, delivery performance, project management and cost reduction
