As a luxury, boutique winery and an event facility, our goal is to bring you into our family. We proudly support our local Sonoma County winemaking, artisan food community and charities. At Bricoleur, savoring the moment and supporting each other is a way of life.

VINEYARD NOTES

The 2019 growing season was quite favorable for grape growers in Sonoma County. Above average rains through winter greeted the vines with plenty of soil moisture come springtime. Bud-break occurred right on schedule as the vines came to life in late March. Spring temperatures picked up quickly with an April heat wave and eventually leveled-off into a mild summer allowing for longer hang-times and optimal character development for this vintage of Cabernet Sauvignon.

Kick Ranch is located on the western slope of Spring Mountain along the eastern reaches of Santa Rosa and is Certified Sustainable. This beautiful hillside ranch consists of rich, red volcanic soils that offer the perfect balance of nutrients, water, and stress to our vines. The Cabernet Sauvignon Fruit comes from a single block planted in 2015 to clone 338.

WINEMAKER'S NOTES

The fruit was night harvested on September 30th and delivered to Punchdown Cellars. It was destemmed and then cold soaked for two days before being brought up to temperature and going through fermentation. The fermenting juice was pumped over twice daily to bring out color and flavor and provide a healthy fermentation. The wine was barreled down in early November into a blend of Taransaud and Nadalie barrels.

TASTING NOTES

This elegant Cabernet Sauvignon offers beauty and depth, accentuated by inviting aromas of black plum, graphite, and clove spice. The palate displays power and grace with a perfect balance of weight and freshness, a wine that promises to be cellar worthy for years to come.
