McIntyre

Classic Essential Collection

Classic Porcelain and Classic Stoneware are the original McIntyre tiles. Inspired by the local art pottery, we use the same materials and methods to create beautiful handcrafted tile. The results are spectacular!

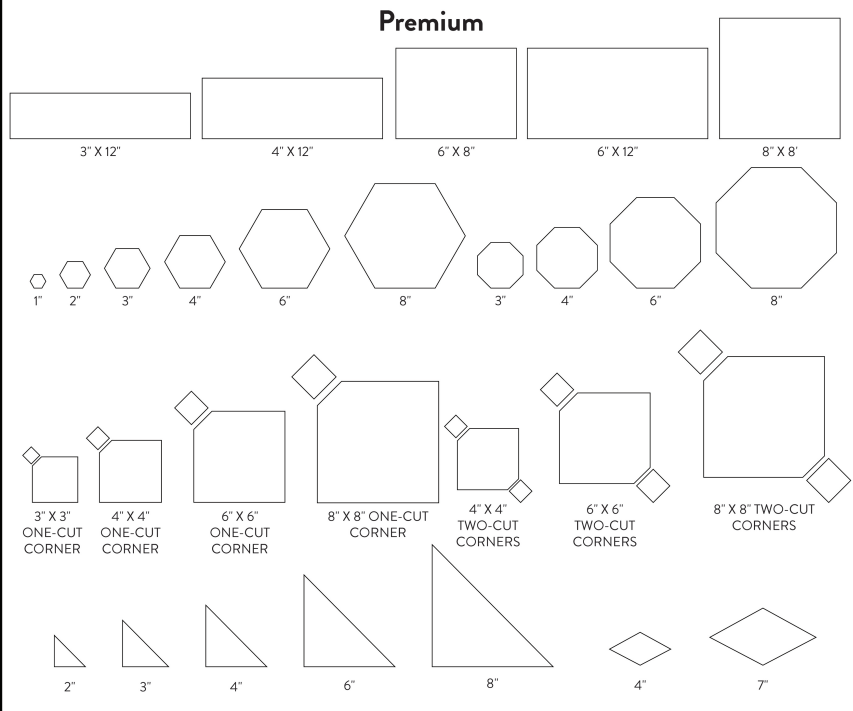

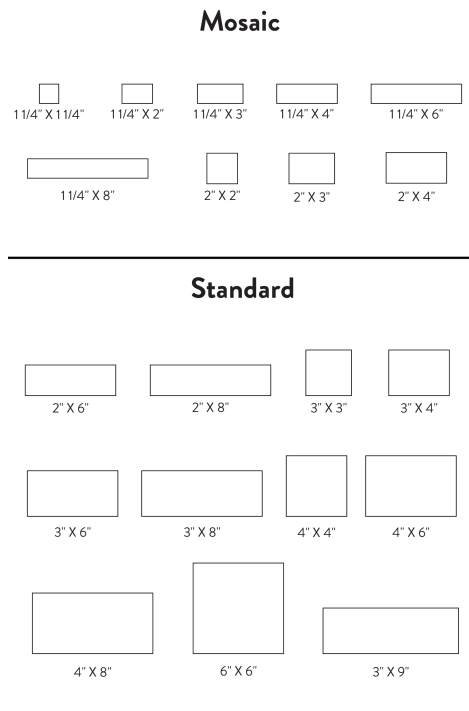

McIntyre Classic tiles embody the charm and appeal of fine handcrafted ceramic ware. The glazes are eye catching in color and texture. Glaze colors on Porcelain are vibrant and clear. Glazes on Stoneware are earthy with warm colors and textures.

*Variations in color, sheen, size and shape
