

Trim

Specifications

This product is hand-crafted with all materials being hand mixed, extruded, and spray glazed. The natural beauty of the resulting variations in glaze color, crazing, sheen, size, and shape are to be expected. McIntyre Tile Inc ceramic tiles conform to ANSI 137.1, Special Purpose tile.

GLAZES

All Essential glazes can use used. Some restrictions on Artisan glazes.

Note: Due to the inherent characteristics found in hand glazed ceramics, color variation and pooling is expected.

SIZE & SHAPES

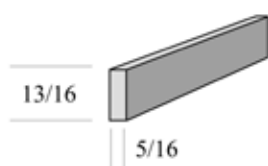

Tile sizes and shapes are all nominal.

EDGE GLAZE

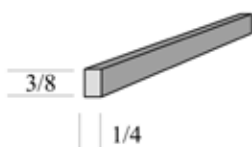

Edge Glaze options available.
