CAROLINE BRAND

CANVAS DESIGNER/OWNER OF CABELL STITCHERY

I've been doing needlepoint since I could hold a needle. I was taught by a favorite aunt, and I still have several of her beautifully stitched pieces in my home. I have about 30 "works in progress" and someday I might actually finish some of them! In the meantime, I'm busy designing and painting canvases for you! My favorite designs are modern and funky - things that are fun to stitch and that will appeal to a new generation of younger stitchers.

I work full-time as a Nurse Practitioner, and am faculty at The University of Virginia in the Graduate School of Nursing (Go HOOS!). In my limited off-time, I'm here for you, busily designing and painting canvases that I hope you'll love.

All prices listed are wholesale. Some items are pre-order only, and are marked accordingly.

Thank you for browsing my catalog, and please email me at cabellstitchery@gmail.com with your requests.

Happy stitching!
