

# Stamping Made Easy!

## 1. Find a solid surface

## 2. Place bracelet on base

## 4. Rotate token, stamp next letter

## 3. Stamp at bottom of token

**Beautiful!** Wear your bracelet as a daily reminder of your intention.

**Remember.** Tokens are handmade with love! Have fun - it's not about a perfect, machine-stamped look. The real significance is in the meaning of the intention.
