

EQUIPCON

Retractable UV Lamp Mount

#E-UV-RL

- Retractibility Length: 31"
- Length from Mounting Position: 36"
- Weight Limit: 17 lbs

The Equipcon Retractable UV Lamp Mount is used to keep UV lights safely out of the way until ready for use. It's a handy tool for inspection stations and rinse booths.

A carabiner clip hooks on either end which allows attachment to the frame and to the UV-A lamp on both ends
