## WARNINGS

- Avoid sudden or severe temperature changes.
- Do not heat an empty or nearly empty storer in the microwave or oven.
- Not suitable for cooking popcorn or for use with special browning papers.
- Use minimum cooking time and monitor regularly.
- After microwaving or oven cooking without bamboo lid, contents and glass storer may be very hot.
- Use oven mitts to prevent risk of burn injury.
- Do not handle glass storer with anything wet.
- Do not place a hot glass storer on a cold or wet surface, we recommend using a heat mat.
- Do not add cool or room temperature liquid to a hot glass storer.
- Do not use on hotplates, stovetops, in a toaster oven, under a grill or over flames.
- Do not nest glass storer whilst hot from the dishwasher.
- Do not place the bamboo lid on base while base or contents are hot.
- Do not use the bamboo lid as the heat mat for the base.
- Do not use bamboo lid and glass base in freezer.
- Glass storers are breakable and must be handled with care to avoid personal injury or property damage.
- Cease use if glass is chipped, cracked or has significant scratches.
- If product is damaged, discontinue use.
