Instruct

Please set this guide to **100% scale** and print it on **A4 paper**, then use the ruler to find the right size for you.

Using the Cartier paper sizer

1. Please cut out the paper sizer with care.
2. Place your paper sizer around the wrist. To ensure a comfortable bracelet fit, we recommend measuring the thickest part of the wrist, usually the wrist joint.
3. We recommend adding one centimeter for a loose fit .
