MALABAR

Named after the legendary MV Malabar ship that was famously shipwrecked off the coast of Sydney, our Malabar collection draws upon the historic roots of this iconic shorefront. The focus is on traditional design reimagined through modern elements that evoke the relaxed style of Malabar's beach houses. Durable teak boxed bases mixed with organic woven frames and deep plush seating to create a natural and relaxed aesthetic reminiscent of timeless luxury. Offering an imaginative and adaptable modular furniture system ideal for the contemporary lifestyle, the Malabar collection takes lounging to the next level and allows you to design an arrangement according to your personal style.

FIRE BOXES

Outdoor/Indoor - Honed Black Granite slab top with powder coated aluminum frame. Allow the radiant flames of a Harbour Outdoor fireplace to cast a warm glow on your space. We now offer 3 fuel types. Choose between plumbed natural gas, readily available propane, or our eco-friendly bioethanol fuel system. We make it easy for you to achieve exactly what you want, for exactly where you want it.

HARBOUR FIRE: 3 STYLES WITH 3 DIFFERENT BURNER CHOICES ENDLESS FLEXIBILITY

NATURAL GAS

Our Natural Gas (NG) systems provide not only the lowest cost of operation, they require no refuelling of any type, ever. Offering a high heat output and the flexibility to adjust the height of the flame as you desire, our Natural Gas burners feature a push button ignition and are UL/ULC Listed.

LIQUID PROPANE

Fueled by readily available propane, our LP solutions feature up to 55,000 BTUs of heat output while requiring no costs for installation. Our LP burners are UL/ULC Listed, include a battery powered push button ignition and offer the flexibility to relocate your fire feature as needed.

e-NRG BIOETHANOL

The most eco-friendly of our options, our Ethanol technology offers ultimate flexibility. Whether setting up for indoor or outdoor use, our ethanol fires are installed and operating in a matter of minutes. Completely self contained, ethanol provides the freedom to relocate your fire as desired without any limitations.
