

# OTG EasyFit Guide

This guide has been designed to ensure you get the proper fit and maximum comfort with our patented Melanin Over-the-Glass eyewear. Please measure your prescription glasses on the EasyFit chart below. Our team is always ready to assist you – please call our help line at 1(844) 635-2646 if you have any questions.

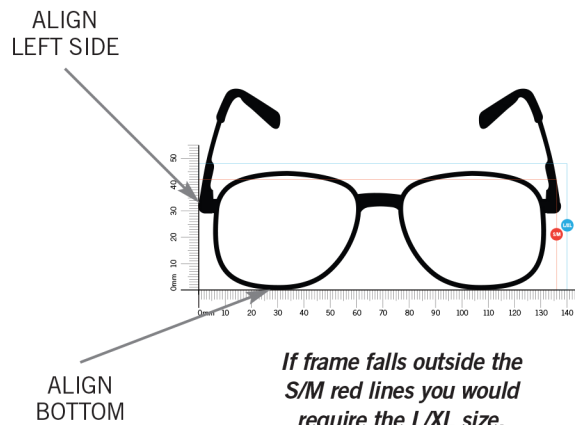

## How to measure your frames:

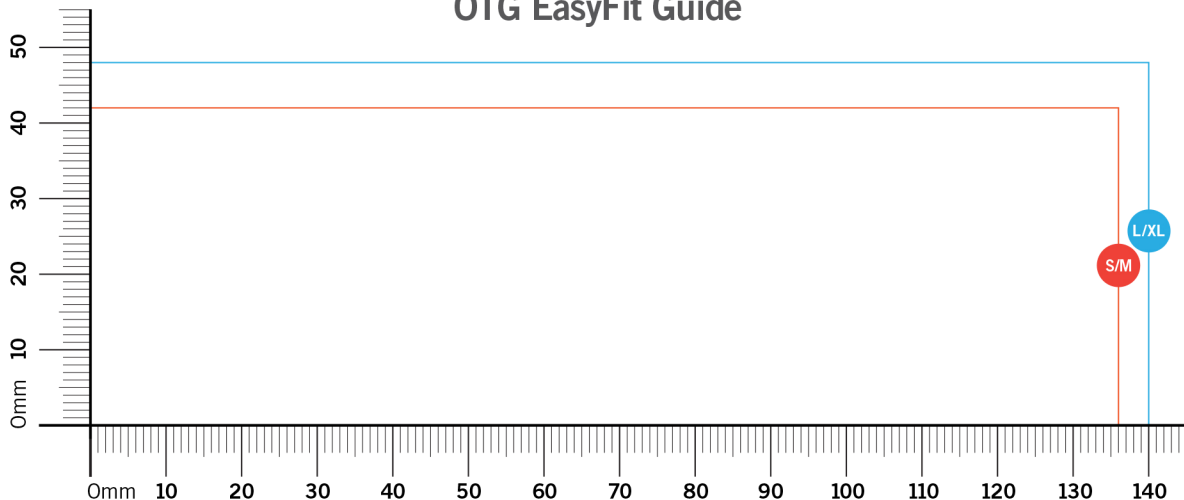

- Align the **left side** and **bottom** of your frames to the guides on the chart.
- Compare your frame measurements to the size guidelines below.

**S/M** – 42mm x 136mm

**L/XL** – 48mm x 140mm
