WOODEN PRINT HANGERS

Our wooden print hangers are a quick and simple way to bring your favourite print to life on your walls. They are designed and made in Australia from beautiful Victorian Ash with strong magnets to hold the print in place and hung with quality twine. A great alternative to bulky frames, our hangers mean you are able to switch art prints with ease. No tools needed! Available in four sizes - A4, A3, A2 + A1.

TIMBER PHOTO STANDS

Our handmade timber stands are a simple yet beautiful way to display your favourite photo, postcard or print. They are handmade in QLD, Australia from 100% solid timber and are available in light timber (Vic Ash) or dark timber (Merbau). Please be aware that colour and grain variations are natural characteristics of our timber holders and will differ from item to item.
