ABOUT TESSAN
CHARGING YOUR HOME AND JOURNEY

An aerial, high-angle photograph of a modern, multi-story building with a dark, vertically-slatted facade. The word "TESSAN" is prominently displayed in large, white, three-dimensional block letters across the upper portion of the building. A small orange triangle is positioned above the final 'N'. The building features large glass windows and balconies with metal railings. In the foreground, a paved walkway with a pattern of light and dark grey tiles leads towards the building. To the right, there is a landscaped area with green grass and a white, perforated metal fence. The overall scene is brightly lit, suggesting a clear day.
