

## TRIBUTE'S NATURAL REMEDY®

A vegetable source, DHA Omega 3 Fatty Acid supplement for all classes of horses.

### PRODUCT CODE: 900DHA

Research in horses has shown DHA and omega 3 fatty acids may effectively:

- Improve fertility in stallions, especially for shipped semen
- Reduce allergic inflammation
- Alleviate inflammation and joint pain
- Decrease post-exercise inflammation and heart rate during exercise
- Enhance immunity
- Improve heart and respiratory function
- Positively affect trainability

The source of DHA in Tribute's Natural Remedy® is:

- Algae grown in cGMP (*current good manufacturing practice*), AIB superior, FDA-inspected facilities.
- Sustainable, domestic supply—grown in the USA!

### FEEDING DIRECTIONS:

Feed 6 ounces twice per day to a 1,000 to 1,100 pound horse. Adjust amount fed up or down for horses above or below this weight range (i.e. 3 ounces twice per day for 500 pound horse or 8 ounces twice per day for 1,500 pound horse.)

When starting horses on Natural Remedy®, offer 1/3 the target amount, as described above, mixed with the horse's current feed for the first 3 days, then 2/3 the target amount for another 3 days, then offer the full target amount.

For maximum effect on stallion fertility, begin feeding Natural Remedy® 60 days prior to and during the breeding season.

### GUARANTEED ANALYSIS:

Crude Protein (Min.)	15.00%
Lysine (Min.)	0.60%
Methionine (Min.)	0.25%
Threonine (Min.)	0.50%
Crude Fat (Min.)	12.00%
Crude Fiber (Max.)	7.00%
Vitamin E (Min.)	1,000 IU/lb
Docosahexaenoic Acid (DHA) (Min.)	33,150 mg/kg
Omega 6 fatty acids (Min.)	4.50%
Omega 3 fatty acids (Min.)	4.00%

### INGREDIENTS:

Ground Extruded Whole Soybeans, Wheat Middlings, Dried Algae Fermentation Product, Dried Molasses, Vitamin E Supplement, Natural and Artificial Flavors.
