

GOAT MINERAL BLOCK

PRODUCT CODE: Y6005BLK

FORM: 25 lb block

APPLICATION:

A self-fed source of salt, vitamins and trace minerals for goats.

FEEDING DIRECTIONS:

Provide one block for every 10-20 head of animals. If more than one block is required, place at least 10 feet apart to allow ample spacing for consumption. Consumption should be approximately 0.5 to 1 ounce per head daily. If consumption is too high, move block(s) farther away from water source and high traffic areas. If consumption is too low do the opposite. When first introducing the block consumption levels can vary considerably. Do not feed to starving animals. Consider offering some free choice salt beside the block if initial consumption is too high. This can slow down consumption long enough for the animals to balance out intake. Always ensure there is plenty of forage available as this product has been formulated to serve as a supplement only, not a source of complete feed. Always offer plenty of fresh clean water.

CAUTION: Use as directed. Selenium intake should not exceed 0.7 mg per head daily.

WARNING: Contains added copper. Do not feed to sheep.

GUARANTEED ANALYSIS:

Calcium (Ca) (Min.)	14.00%
Calcium (Ca) (Max.)	16.80%
Phosphorus (P) (Min.)	6.00%
Salt (NaCl) (Min.)	19.50%
Salt (NaCl) (Max.)	23.40%
Magnesium (Mg) (Min.)	1.50%
Potassium (K) (Min.)	1.00%
Selenium (Se) (Min.)	21 ppm
Copper (Cu) (Min.)	1,450 ppm
Copper (Cu) (Max.)	1,850 ppm
Zinc (Zn) (Min.)	7,000 ppm
Manganese (Mn) (Min.)	7,000 ppm
Vitamin A (Min.)	300,000 IU/lb.
Vitamin D3 (Min.)	50,000 IU/lb.
Vitamin E (Min.)	500 IU/lb.

INGREDIENTS:

Monocalcium Phosphate, Dicalcium Phosphate, Calcium Carbonate, Salt, Molasses, Processed Grain By-Products, Magnesium Oxide, Potassium Chloride, Potassium Sulfate, Active Dry Yeast, Yeast Extract, Magnesium Sulfate, Vegetable Oil, Vitamin A Supplement, Vitamin D₃ Supplement, Vitamin E Supplement, Thiamine Mononitrate, Zinc Sulfate, Iron Oxide, Manganese Sulfate, Copper Sulfate, Ethylenediamine Dihydroiodide, Cobalt Sulfate, Zinc Amino Acid Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Cobalt Glucoheptonate, Sodium Selenite, and Natural Flavors.
