

2024

ANNUAL REPORT

Creativity thrives in spaces that are filled with inspiration, passion, and the people we love. Since we opened our doors as the cornerstone to Fond du Lac's downtown arts and entertainment district in 2000, Thelma Sadoff Center for the Arts has been just that space. We continue to see the return of beautiful art experiences every year because of supporters like you. Thank you!

Reflecting on 2024, the THELMA team is proud of our accomplishments that brought together our community for a wide variety of art experiences. So many of you took your first art class or enjoyed looking at our galleries. You spent your summer nights at THELMA Thursdays and came back to see even more live music in our Great Hall. You even experienced the takeover of community programs hosted at THELMA like Sturgeon Spectacular, WeEmpowerHer women's empowerment nights, or a seasonal theatrical performance from Fond du Lac Community Theater. Each and every one of you experienced something beautiful at THELMA last year, and our by the numbers report showcases our vibrant year.

In 2025, our art center is moving into its next era. THELMA will continue to host a dynamic calendar of programs across the arts, music, and for our community. In this year's report I hope you see the balance of support across artistic mediums that will continue to grow over the years to come.

It's supporters like you that make it all possible. Through your membership, attending our programs, choosing to purchase concessions, or hosting your events with us, **you** are the reason THELMA can continue to thrive as a vibrant arts center in the heart of Downtown Fond du Lac. We hope you will return for all the good things in store for THELMA this next year, and we welcome the opportunity to connect with you, our neighbors and new visitors, at Thelma Sadoff Center for the Arts.

Sincerely,

Shannon Kupfer

OUR PROGRAMS - Arts.

THELMA Galleries provide a dynamic and inspiring space for artists to showcase their work in both our upper and lower galleries. Featuring a diverse range of exhibitions from emerging and established artists, THELMA Galleries celebrate creativity across various mediums, including painting, sculpture, photography, and mixed media.

THELMA Art Class offers a dynamic and inspiring selection of art classes designed for all ages and for any neighbor in the community to explore their creativity. Our classes provide a welcoming space to create, learn, and grow. Led by talented teachers, each class is designed to foster creativity while building skills in a variety of artistic styles, from painting and drawing to fiber arts and mixed media. Whether you're a beginner looking to explore a new medium or an experienced artist seeking to refine your techniques, join us at THELMA and unleash your imagination—because everyone has an artist within!

THELMA Visual Artists (TVA) is a member group for local artists in Fond du Lac and surrounding communities. As a vibrant and supportive network, TVA provides opportunities for artists to connect, collaborate, and grow both personally and professionally. Through invitations to exhibitions and workshops, TVA fosters an environment where creativity thrives, offering a platform for artists to showcase their work while contributing to the cultural vitality of our region. Whether emerging or established, members of TVA are united by a shared passion for artistic expression and a commitment to making the arts accessible and inspiring for all.

Literary Arts of THELMA is a vibrant program dedicated to celebrating the written word in all its forms. Through author readings, open mics, book discussions, writing workshops, and special literary events, THELMA fosters a creative community where storytellers and readers come together to explore the power of language. Whether you're an aspiring writer, a devoted book lover, or simply curious about the literary arts, our programming offers engaging opportunities to connect, learn, and be inspired.

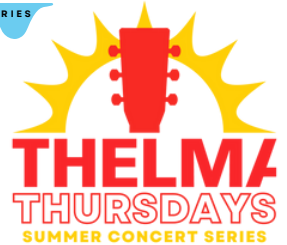

THELMA

OUR PROGRAMS - Music.

Great Hall Concerts Series provide our community the opportunity to experience live music in an intimate and inviting setting. Held indoors in our beautifully historic Great Hall, this series offers a cozy, up-close experience with talented musicians from various genres. Whether you're a fan of soulful acoustic sets, bluegrass and americana jams, or heartfelt singer-songwriter showcases, each concert promises a unique and memorable evening. Enjoy exceptional live music in a warm, relaxed atmosphere—perfect for music lovers looking to connect with artists in an intimate venue.

Summer Soundwaves and THELMA Thursdays take our concerts to the streets when the weather turns golden. Downtown Fond du Lac comes alive with 51 Sheboygan Street as the ultimate Thursday night music destination! Enjoy live performances from artists across a variety of genres, from rock and blues to folk and country. Whether you're relaxing in your lawn chair or tearing up the pavement with your incredible dance moves, this is the perfect way to soak up the sounds of summer. With drinks available from the bar and an electric atmosphere, THELMA Thursdays is the best way to enjoy live music in the heart of our beautiful downtown.

Lighthouse Big Band, Jazz Fest and Students' Jam are all so important to cherishing our love for Jazz. The Lighthouse Big Band, a 20+ year mainstay in the music scene, is now also honored to be a resident ensemble at THELMA. A WAMI nominee for Best Big Band, the band plays a variety of genres in the big band style. The Lighthouse Big Band performs music including traditional big bands/dance bands of the 30's and 40's, the music of Count Basie and Duke Ellington, Latin Jazz, contemporary big bands like Gordon Goodwin's Big Phat Band, as well as big band versions of rock/fusion music.

The Fond du Lac Children's Chorale is a community children's chorus comprised of fourth through eighth grade students, from Fond du Lac and the surrounding communities, interested in performing and studying high-quality choral music. Founded in 1997 as a project of the Fond du Lac Arts Council, it is a resident ensemble of THELMA and performs two major concerts each season in the spring and winter.

THELMA

OUR PROGRAMS - Community.

THELMA is a hub for community in the heart of the city's downtown with majestic pillars, a grand staircase, and the perfect blend of the historic and the modern interior design throughout our dynamic space. We take care to host our members, community partners, and those who want to celebrate their life moments with us through the rental of our venue.

A downtown home for THELMA members. Membership at Thelma Sadoff Center for the Arts is a great way to get the most out of everything THELMA has to offer, all while making a big impact on the arts in Fond du Lac! THELMA members help make the arts accessible to those in the Fond du Lac area. Because of our members, we are able to offer affordable and free art classes, street concerts, art exhibitions and so much more. **Be on the lookout in 2025 for more member programming taking place at THELMA that invites you to connect with fellow THELMA members.**

A space for community partnerships to thrive. THELMA is proud to partner with community groups and host their special events. We host family friendly events that takeover THELMA's facilities like Sturgeon Spectacular in partnership with Fond du Lac Festivals, Destination Lake Winnebago Region, and Downtown Fond du Lac Partnerships. WeEmpowHER welcomes over 100 women to our building on a weekly basis to facilitate women's programming. We also work with independent arts groups, like Fond du Lac Community Theatre to host special performances in our Great Hall. If you are a community group that would like to partner, please be in touch!

An artful backdrop to celebrate your life events. Whether it is a wedding taking place on our plaza, a baby shower taking place in our 1906 Cafe, or a celebration of life in our Fountain City hall, THELMA is ready to celebrate with you. Our dedicated team is committed to providing you with an exceptional experience, ensuring that your event is memorable and successful.
