

A SPECIAL ANNOUNCEMENT

from

Advance

We at Advance Electronics, like you, our customers, are feeling the impact of COVID-19.

Please know that we are doing everything we can to keep our customers, staff and their families safe. We are monitoring the situation day-to-day, hour-to-hour. We remain open for business, confident that we will collectively weather this storm and we're here if you need us.

With the recent recommendations to cancel and/or postpone events, travel and large group gathers, events we love and look forward to, we urge you now more than ever to do what you can to keep your spirits high.

- *Listen to music.*
- *Go for a walk.*
- *Read a good book.*
- *Enjoy family game night.*
- *Start a video group chat.*
- *Stream your favourite show.*
- *Check in on a friend.*
- *FaceTime an elderly neighbour.*
- *Watch a movie.*

Heartfelt thanks to the first responders and health care workers. Stay safe everyone and please reach out if we can be a part of your plan to stay grounded, stay connected. To this point, our doors remain open as we continue to take one day at a time.
