

# **Backyard Slime Powder**

## **Material Safety Data Sheet:**

### **Section 1: Identification**

**Product Name:** Backyard Slime

**Manufacturer:** Backyard Slime LLC

**Address:** 1121 Worthington Woods Blvd. #6110 Columbus, Ohio 43085

**Emergency Contact:** [contact@backyardslime.com](mailto:contact@backyardslime.com)

### **Section 2: Hazard Identification**

**Classification:** Not classified as hazardous according to the Globally Harmonized System of Classification and Labelling of Chemicals (GHS).

**Potential Hazards:** The product can be extremely slippery when mixed and poured.

### **Section 3: Composition / Information on Ingredients**

**Ingredient:** Hydroxyethyl cellulose (HEC)

### **Section 4: First Aid Measures**

**Inhalation:** Move to fresh air if inhalation causes discomfort. If symptoms persist, seek medical attention.

**Skin Contact:** Wash affected area with soap and water. If irritation occurs, seek medical attention.

**Eye Contact:** Flush eyes with water for at least 15 minutes, lifting upper and lower eyelids. Seek medical attention if irritation persists.

**Ingestion:** Rinse mouth with water. Do not induce vomiting. Seek medical attention.

### **Section 5: Fire-Fighting Measures**

**Extinguishing Media:** Use water fog, foam, carbon dioxide, or dry chemical as appropriate for surrounding fire.

**Firefighting Instructions:** Firefighters should wear full protective clothing and self-contained breathing apparatus.

## **Section 6: Accidental Release Measures**

**Personal Precautions:** Product powder / liquid may become slippery when poured. We recommend using Anti-Slip mats for protection.

**Environmental Precautions:** Avoid release into the environment. Contain using dust sheets / tarps.

**Cleanup Procedures:** Absorb spilled material with an inert absorbent. Collect in a suitable container for disposal.

## **Section 7: Handling and Storage**

**Handling:** Avoid inhalation and contact with skin and eyes. Use in a well-ventilated area.

**Storage:** Store in a cool, dry place away from direct sunlight and sources of ignition.

## **Section 8: Exposure Controls / Personal Protection**

**Exposure Limits:** No specific exposure limits have been established for this product.

**Personal Protective Equipment:** Use appropriate personal protective equipment (PPE), including gloves and safety goggles.

## **Section 9: Physical and Chemical Properties**

**Physical State:** Free Flowing Powder

**Color:** White

**Odor:** Odorless

**pH:** 6.0-8.5

**Solubility:** Complete in water.

**Can be extremely slippery when mixed and poured.**

## **Section 10: Stability and Reactivity**

**Stability:** Stable under normal conditions.

**Reactivity:** No additional hazardous chemicals are known to be formed when used as directed.

## **Section 11: Toxicological Information**

**Acute Toxicity:** No known acute toxicity.

**Skin Irritation:** May cause skin irritation.

**Eye Irritation:** May cause eye irritation.

## **Section 12: Ecological Information**

**Mobility:** Readily absorbed into soil.

**Degradability:** Biodegradable

## **Section 13: Disposal Considerations**

**Disposal Powder:** Waste incineration or disposal with the approval of local authorities.

**Disposal Liquid:** Can be diluted with water and flushed down the toilet, or drain.

## **Section 14: Transport Information**

Not applicable material is classified as non-hazardous.

## **Section 15: Regulatory Information**

Not applicable as material is classified as non-hazardous.

## **Section 16: Other Information**

This Safety Data Sheet is provided as a service to our customers and describes the product with respect to safety requirements. It is not a guarantee of product specifications.

**Disclaimer:** The information provided in this SDS is based on our current knowledge and is intended to describe the product only in terms of safety requirements.
