

AC TRADE SERIES

European design, Italian manufactured and solid and reliable performer for trade and agricultural use. Tried and trusted by thousands through New Zealand and Australia for over 25 Years.

AC161 BELT DRIVE COMPRESSOR

- The largest output on single phase power - 30% larger in output than the AC12i.
- Heavy duty, oversized slow revving, full shell bearing pump with a high airflow flywheel and built-in after cooler for cooler, drier air supply and longer life.
- Industrial Vemat electric motor with thermal overload protection. Capable of running two nail guns at once - the AC16i is packed with power!
- 15 amp plug for ultimate performance.
- Includes Filter regulator!
