

THREAD THE NEEDLE

Sharpen your aim by seeing how many openings you can fire through without hitting the blocks.

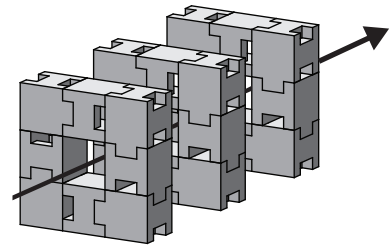

1 [EASY]: BUILD IT

2 [EASY]: FIRE THROUGH THE MIDDLE

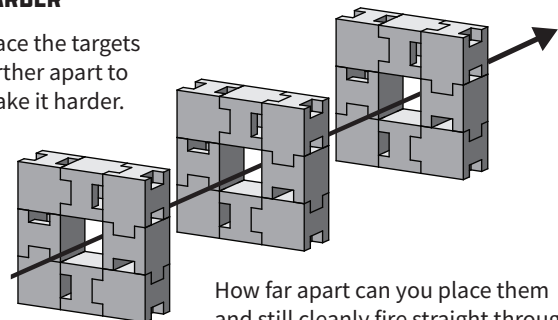

EASIER

Fire a dart through the middle without hitting any of the blocks.

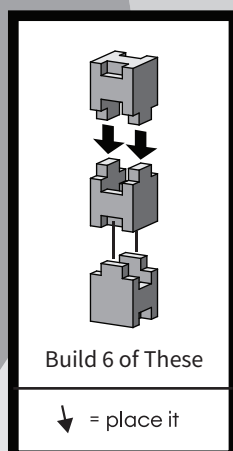

HARDER

Place the targets further apart to make it harder.

How far apart can you place them and still cleanly fire straight through?

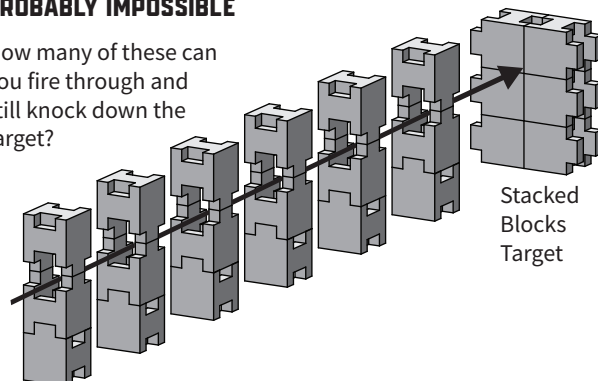

1 [HARD]: BUILD IT

2 [HARD]: FIRE THROUGH THE MIDDLE

PROBABLY IMPOSSIBLE

How many of these can you fire through and still knock down the target?
