

ARCHWAY BUILD DIRECTIONS

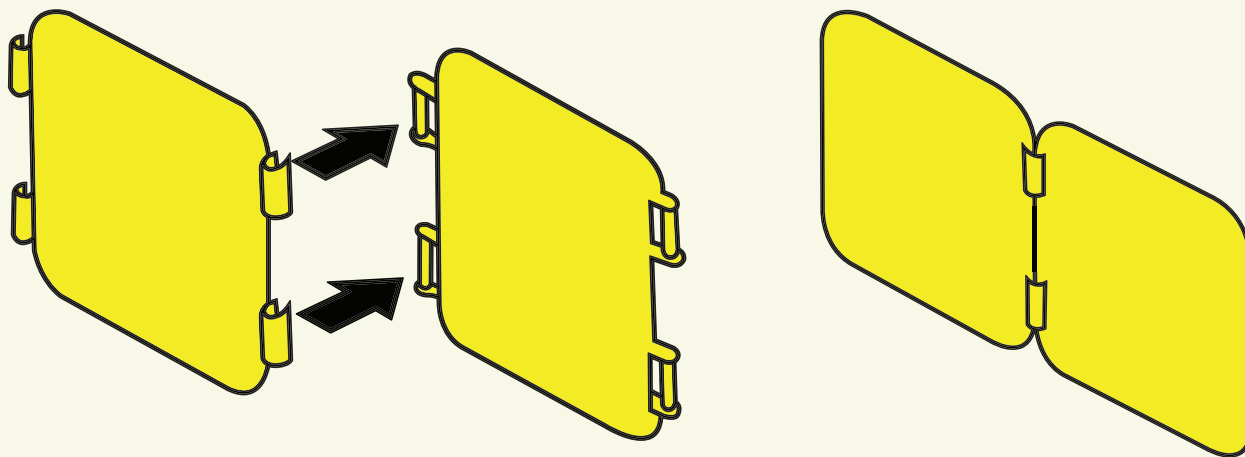

Fort Boards®

Hi, I'm Fort Bot!

I'll help you
build an arch-
way today!
You'll just need
one Fort
Boards Starter
Pack.

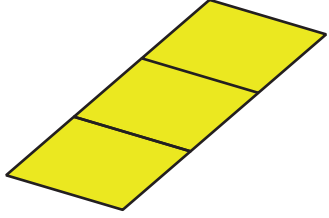

Challenge Level: Easy

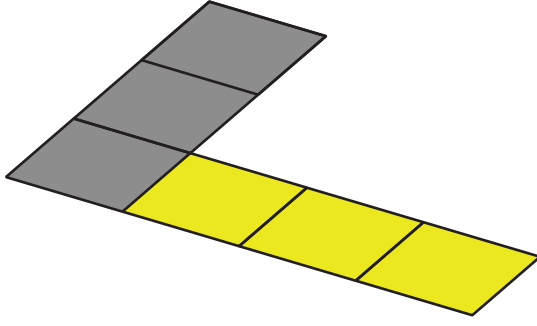

You won't need
any of the blue
connectors for
this build; simply
connect the
boards together
on their edges.

Now stand up your archway and you're all done!

**That's a good lookin' archway! I
couldn't have built it better myself!**
