
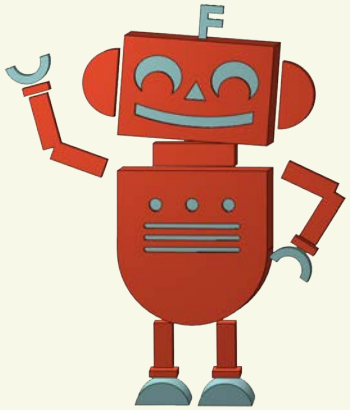
STRAIGHT CONNECTION DIRECTIONS

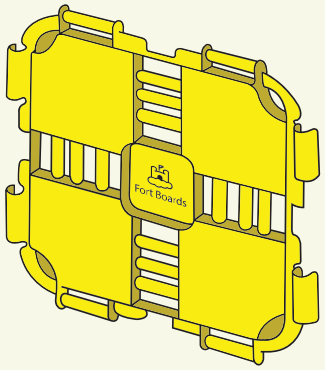
Fort Boards®

Hi, I'm Fort Bot!
I'll teach you how to make straight connections! You'll just need one Fort Boards Starter Pack.



Challenge Level: Easy

Parts Overview



Board (back)

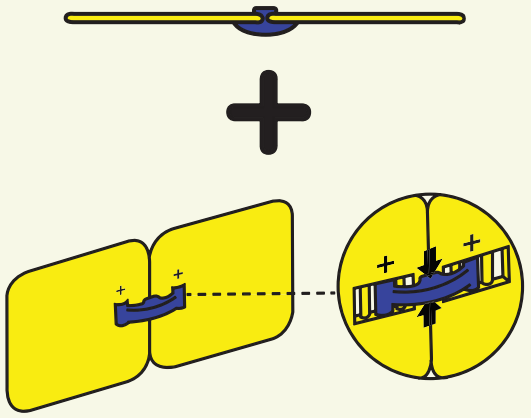
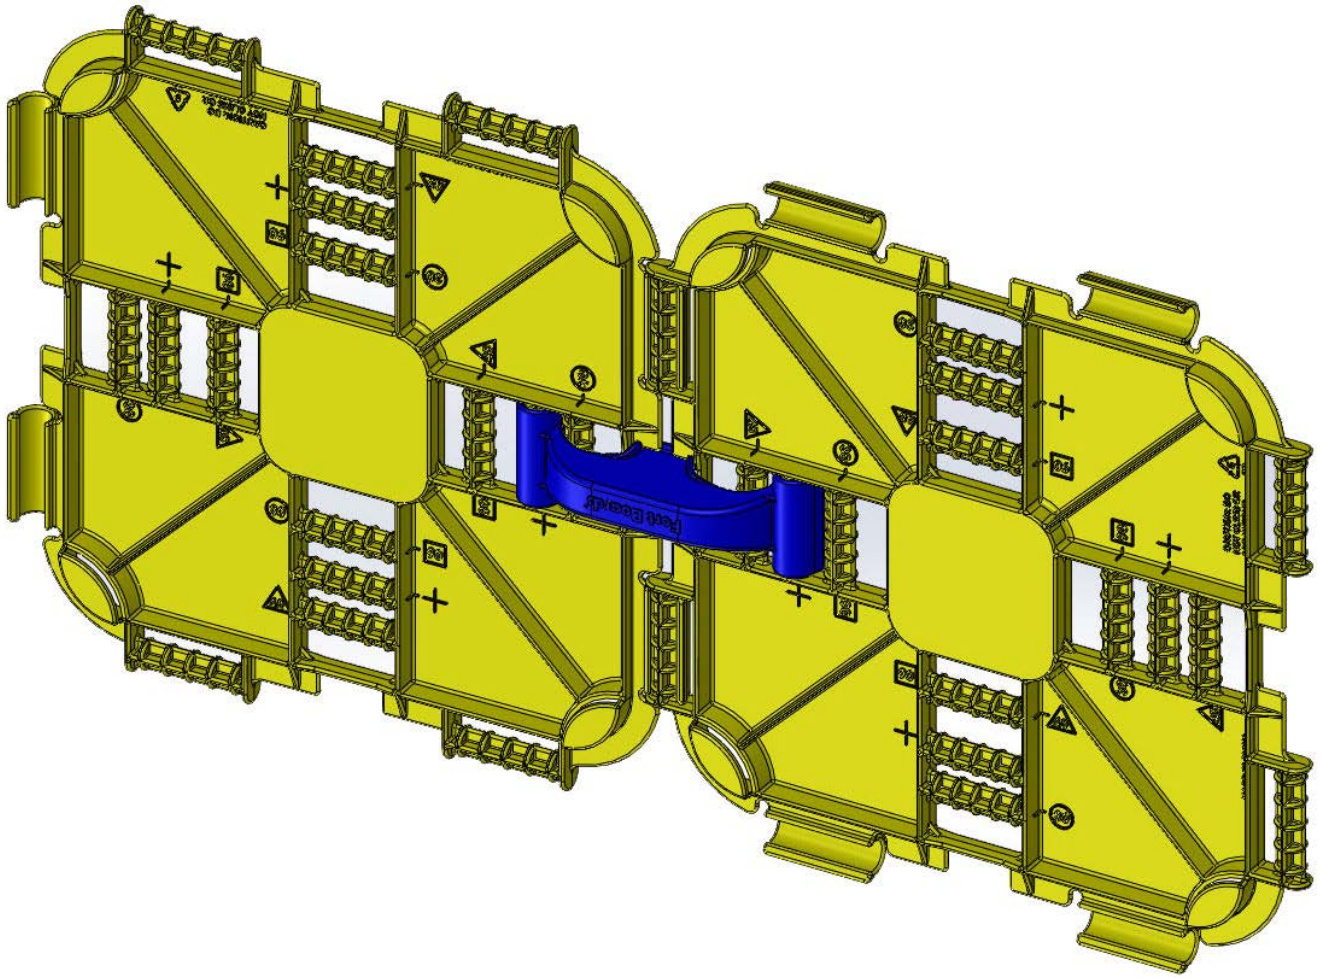
Connector (top)

Connector (bottom)

Symbols on back of Board show where to attach Connector.

180° Connection





After attaching two Boards together (shown in yellow), attach a Connector (shown in blue) next to the plus symbols which can be seen on the back of the Boards. Then squeeze the center of the Connector and push it through the middle of the two Boards.
