## All Things New

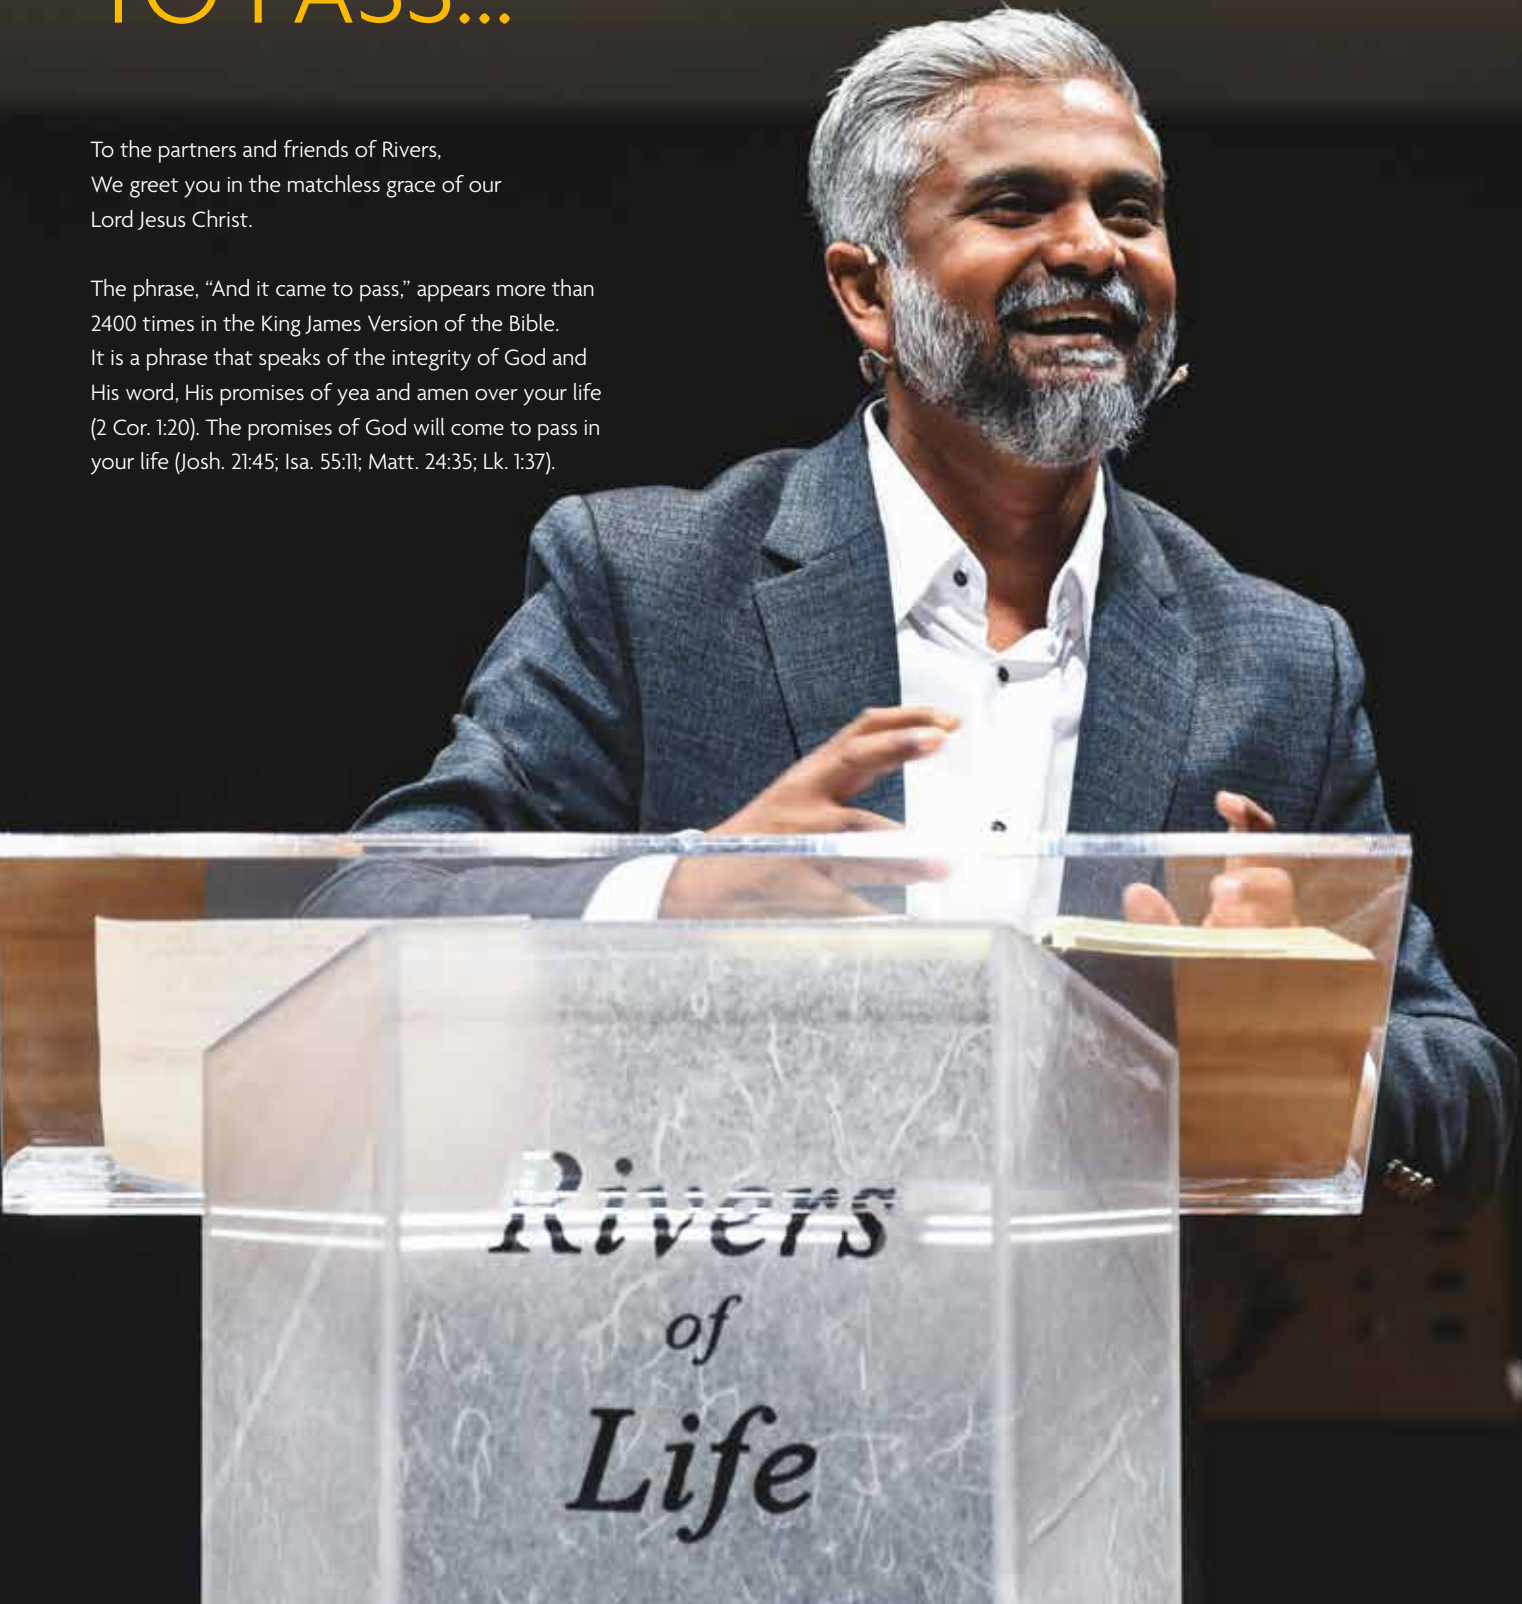

Rivers of Life Ministries is entering a new season, taking a new leap into the horizon: stepping up, moving out and believing with much faith to where the Lord is leading. As we take this leap of faith, we believe that God will make all things work together for good to those who love Him. There will be challenges ahead; however, God will complete what He has started.

# THE LEAP OF FAITH

# AND IT CAME TO PASS...

To the partners and friends of Rivers,  
We greet you in the matchless grace of our  
Lord Jesus Christ.

The phrase, "And it came to pass," appears more than  
2400 times in the King James Version of the Bible.  
It is a phrase that speaks of the integrity of God and  
His word, His promises of yea and amen over your life  
(2 Cor. 1:20). The promises of God will come to pass in  
your life (Josh. 21:45; Isa. 55:11; Matt. 24:35; Lk. 1:37).

When you walk in the Lord, His strength will undergird you and release a supernatural ability in your life in all aspects of your involvement. You do not need to struggle in the flesh. Speak faith and life over your circumstances. Pray strong that your destiny given by God will come to pass.

Many want God to bless their plans, but God sees through the crowd for those whose hearts are loyal to Him (2 Chron. 16:9). He is looking for those who will align their lives and schedules to the destiny of God.

This year, many of God's promises came to pass in our lives and the ministry. We ministered in new countries prophesied over us. At the time of this writing, Angeline and I will be away to Berlin, Germany and Zurich, Switzerland to minister along with my elder brother Sadhu Sundar Selvaraj. This year has been the most significant year for me in my walk with God.

The Lord blessed us with many spiritual encounters and a new phase of anointing and grace to minister the Word of the Lord with power and authority. The Lord connected us with new ministers and we formed divine partnerships with ministries. We have also opened a new office in the USA and have representatives in South Africa.

As a church, we witnessed the foundational strength of God that stabilised the church and the leaders. The Lord added new people and leaders to the church ministry. This year we dedicated ourselves to build the church leadership for more significant growth and effectiveness.

We desire to serve the Lord faithfully and train ourselves in the work of the ministry to reach out to the community. This includes growing prophetically in the Spirit and producing the fruit of the Spirit.

#### **Acts 16:6-10**

And they went through the region of Phrygia and Galatia, having been forbidden by the Holy Spirit to speak the word in Asia.<sup>7</sup> And when they had come up to Mysia, they attempted to go into Bithynia, but the Spirit of Jesus did not allow them.

<sup>8</sup> So, passing by Mysia, they went down to Troas.<sup>9</sup> And a vision appeared to Paul in the night: a man of Macedonia was standing there, urging him and saying, "Come over to Macedonia and help us."<sup>10</sup> And when Paul had seen the vision, immediately we sought to go on into Macedonia, concluding that God had called us to preach the gospel to them.

As a church, we desire God to lead us and to build His church His way. Our Lord Jesus promised, "I will build My Church" (Mt. 16:18). The Apostle experienced the leadership of the Holy Spirit to lead him where to go and where not to. God imparted wisdom and grace to Paul and he became a wise master builder in his own right (1Cor. 3:10).

In the same way, we are trusting God in every way to lead us to build His Church, led by His Spirit. He will build His Church. We are to give ourselves wholly to the counsels of God and the training of His nature. The Lord Jesus is preparing His Church for this end times.

As a part of the Body of Christ, we are determined to follow the leads of the Lord to fulfil the Father's will. We pray that God will release His heart into you and your family to be part of God's timetable for these days.

# THE WALK OF FAITH IN THE UNKNOWN

On July 20th 1969, Neil Armstrong was the first man in the history to put his foot on the moon with his memorable quote, “That is one small step for man, one giant leap for mankind.”

I was in Houston on July 20th 2019, when America celebrated her 50th anniversary of landing on the moon. While on the plane from San Francisco to Singapore, I watched the movie, “The First Man”. It was about the preparation and emotional sacrifices of the astronauts in their training towards landing on the moon. Its intensity gripped me. With many trials and errors, Neil Armstrong had to perfect his skills of landing a craft in the desert. The emotional upheaval and the challenges his wife faced were arduous – cause’ they were stepping into something no one has done before.

Today, believers are caught in a similar spiritual vacuum. They read in the Bible about the faith heroes and the Book of Revelations about the Second Coming of Christ of the future, yet at times our stomach churn at the unknown. The way to handle these feelings of anxiety about the unknown future God has for us, is to neutralise it with the spice of faith and trust in God.

We are nearing the end time which the Bible promised, prophesied through the prophets years before. It is about time the people of God develop our faith (2 Pe. 3:18; Ro. 10:17) in God, our ability to walk by faith (Ro. 1:17; Gal. 3:11) and to see with the eyes of the Spirit (Eph. 1:18; Heb. 11:27).

## THE UNKNOWN – GOD IS ALREADY THERE

John 20:29 (TPT) <sup>1</sup>

Jesus responded, “Thomas, now that you’ve seen me, you believe. However, there are those who have never seen me with their eyes but have believed in me with their hearts, and they will be blessed even more!”

One of the trainings of the spiritual life is tuning your eyes to seeing God in the spirit. God will teach you how to walk in the unknown to the natural and that which is clearly visible in the spirit. It is training your spirit man to follow the leadership of the Holy Spirit in your life.

When you are afraid to walk by faith, it reveals a lapse in your building of faith and concept of God. A child walks towards the open arms of the one whom the baby is familiar with – taking baby steps with outstretched arms; the baby is guided by sight and voice. The baby walks and reaches the arms of the father or mother. In the same manner, develop your love for Jesus by growing in worship and the Word. The Word builds confidence (1 Jn. 3:21; 5:14) in your heart and worship will build the reality of God’s presence in your spirit (Jn. 4:24; Ro. 12:1; Rev. 4:10).

God leads you to the new promises, assignments and new phases of His work for you by asking you to walk into it. Before tomorrow has even begun – God is already there waiting for you.

**Trust God and walk into the future by obedience. The unknown in the natural becomes known in the spirit when you walk by faith.**

From fear, it becomes an adventure of obedience. God will surprise you with breakthroughs along the way to increase your capacity to trust Him. Once you cross the first stage, you will declare – God is faithful. Amen.

# A WALK OF FAITH

Hebrews 11:8 (TPT)

Faith motivated Abraham to obey God's call and leave the familiar to discover the territory he was destined to inherit from God. So he left with only a promise and without even knowing ahead of time where he was going, Abraham stepped out in faith.

The walk of faith has a destination. God always leads you somewhere. Abraham reached the place which God told him to go with Isaac (Ge. 22:9). Many claimed they are walking by faith but even after years claimed they are not sure where they are heading. The question is, "Whom are you following?" Are you following God or your wandering soul?

**God will lead you in different phases. At each phase through obedience, you will fulfil His purpose for your life.**

The Church will also walk through stages of anointing. At each stage, God will give the needed leaders to proclaim the gospel and establish His works. We need to keep stepping out in faith. It is vital to REFUSE to walk in the natural. REJECT worldly ideas about how the Church should be managed. RESIST the natural ways that defuse faith in you and make you weak.

Any ministry accomplished with natural means and ability without the supernatural element of faith is rejected (Ge. 4:5; Heb. 11:6). Works done in your own will and convenience without the times and seasons of God is rejected (1 Sam. 13:8-15). God does not give us the little details to confuse us. He is our confidence (Ps. 27:3).

# ONE GIANT STEP OF FAITH

When we grow up, our strides are longer. We are given a brief time before the coming of Jesus to fulfil the Great Commission. Let us be bold to take giant steps of faith to accomplish the tasks laid before us (Php. 1:6; 4:13). This level requires a unity of hearts.

**A Church that keeps up with the drumbeat of the Captain requires training of endurance and persistence. Let us finish what God has started in our lives.**

I am amazed at what God is doing through us at present. Many of the prophecies spoken over my life more than 30 years ago are coming to pass now. I am stepping into the nations prophesied over me with a stronger anointing to prophesy over nations and to experience divine encounters of heaven. I am experiencing new divine relationships fostered to fulfil the mission of God.

# UNITED TEAM WITH ONE HEART

Joel 2:7-8 (AMPC)

<sup>7</sup> They run like mighty men; they climb the wall like men of war. They march each one [straight ahead] on his ways, and they do not break their ranks.

<sup>8</sup> Neither does one thrust upon another; they walk every one in his path. And they burst through and upon the weapons, yet they are not wounded and do not change their course.

**God is raising a new breed who walks with one heart and one spirit anointed with an end-time anointing prophesied by the prophet Joel.**

This army has risen above their ego, petty flesh and emotions. They walk in a supernatural love and united with the task of God. These men and women are matured and nurtured in the walk of the Spirit.

We need to work with a team who has experienced brokenness and breakthroughs in the walk of the Spirit. These people walk with the fear of the Lord. Their goal is to see Jesus lifted up. They walk with a reflective journey with the awareness of the Holy Spirit's convictions.

## WALK ON – FINISH THE RACE

Acts 20:24 (TPT)

"But whether I live or die is not important, for I don't esteem my life as indispensable. It's more important for me to fulfil my destiny and to finish the ministry my Lord Jesus has assigned to me, which is to faithfully preach the wonderful news of God's grace."

God is training "finishers." Many live in their past testimonies of what God did, but the Lord looks for people who live for present battles to overcome. Walk with God and finish the race. Be aware of the enemy's snares both against your life and ministry.

**Faithfulness is cultivated; it is not a gift. Walk humbly before God and men.**

Honour those whom God has placed to watch over your souls. We need to be a part of a team not apart from them.

May the Lord bless you in this onward journey of your life as you live by faith and not by sight.

*Lovingly, in the service of Jesus my King,*

# OPEN HEAVENS & PROPHETIC CONFERENCES

SOUTH AFRICA

21 MARCH to 2 APRIL 2019

Worshiping in a barn church at Porterville, South Africa

On 21 March 2019, we were privileged to go to South Africa for two weeks of ministry. Our excellent coordinator Sister Barbara Cilliers, a woman with a great burden for South Africa, arranged meetings at strategic places at the command of the Lord.

We ministered in churches in Durbanville, Picketburg, George and held a conference in Porterville. The meetings were powerful because our Lord Jesus presence was very tangible. His power and grace was present, with the Lord touching many lives. Many wept and cried as His love overwhelmed them. Through Pastor Steven, the Lord gave words of correction without condemnation, words of encouragement and love.

The Lord Jesus spoke through Pastor Steven with crucial political words for the nation of South Africa. Our coordinator informed us that many prophecies spoken have already come to pass.

The people who came had a deep hunger for the Word of God that they respond joyously with shouts and claps to every statement made by Pastor Steven. Moreover, they travailed in prayer ardently to the Lord as He is their only hope. I saw many beautiful young girls and boys, fatherless and looking lost. My heart goes to these youths, and we prayed Psalm 27:10 over them.

Our most unforgettable sessions were in the Porterville conference. The conference was in a barn for three days. About 300 people from around Africa gathered, all hungry for the knowledge of God. It was unforgettable because the presence of the Lord and His anointing was present for the three days, sometimes like fire, burning away the dross from His people, and at times, sweet, healing and comforting to their hearts and souls. We felt part of the family of Christ. We were so at ease as we led worship in Tamil and danced in their praise songs. The Lord spoke in my heart to give an exhortation on Love and Forgiveness. The message touched many who were struggling with emotional issues.

Dr Rev Steven @ Eden FM, South Africa

Another unforgettable experience was that we were invited to speak in a Christian radio station anchored by Pastor Hilton Langeveldt in the town of George. Pastor Steven gave a short exhortation while I prayed over the nation. The strong presence of God surrounded us.

Finally, the Lord rewarded us for our fruitful ministry. One was a Safari trip to see lions and other wild animals right in front of our eyes as we sat in the jeep. We visited Table Mountain and admired the beautiful creations of God. Also, we had an enjoyable motorcycle ride with some of our dear South African brothers and sisters along the countryside of Capetown. As we delighted ourselves in the Lord, He certainly gave the desires of our hearts. I thank God for giving us obedient hearts. Hallelujah!

With much love,  
Angeline Francis

# WORDS OF ENCOURAGEMENT

“The Lord used Brother Steven and Sister Angeline to ignite the fires of revival in the hearts of the people. I truly experienced flames of fire, touching all of us in the meetings. Suddenly there is new hope, renewed energy, a revival of trust in the Lord, and hunger for the Word. Through your ministry, we moved forward into new levels of revelation and realms of the Spirit. I am so very grateful.”

Barbara Cilliers,  
Ministry Coordinator

“Dear Pastor Steven and Angeline, thank you so much for your obedience to come to South Africa. Thank you for the humility that you ministered in; for your honesty where you started in ministry and the way God helped you to grow; for the solid Word that you gave with no compromise and for the confirmation of your prophetic word over our lives. It gave so much hope to persevere until the promises of God come to pass over our lives.”

Pastors Gerrit &  
Marinda de Lange

“When I came to Porterville, I was like a dry bone, but as the Word was spoken, I felt the sinews and flesh came upon me and the skin covered and finally breath came in me, and I felt alive. Every word that Pastor Steven said directed to my condition. The rebuke was ushered with love, I couldn't feel condemned. Sister Angeline shared powerfully about walking in love, forgiveness, obedience, humility; that we need to watch our emotions as a woman and that we need to judge ourselves daily. I came to the conference in one state, and I left as a different person altogether, revived and restored.”

Tshedi Montjane

“Brother Steven and Sister Angeline, I walk away from this conference a different person, my mind renewed and changed. Thank you for the keys which you released in the spirit over us to unlock us spiritually. I appreciated the open and honest and humorous way in which you ministered. It brought me in line in areas where I needed correction. Sister Angeline, thanks for your encouragement to us as women that we need to see ourselves as Jesus sees us. The teaching about forgiveness convicted me of a few thorns that were still present in my life.”

Suzan Coetzee

“I thank both Pastor Steven and his beautiful wife, Angeline. What stood out to me was the humility of both of you. Both of you opened my eyes to a lot of things. And you confirmed many things God told me. Angeline is such an example to me of what a godly wife should be. You also opened my eyes to pray for the middle eastern people.”

# GOD'S COMPASSION REVEALED

POLOMOLOK,  
MINDANAO, PHILIPPINES

23 to 30 MAY 2019

More than 200 children were ministered, fed, received school bags, slippers and school supplies as game prizes.

I praise and thank the Lord as He allowed the Filipino ministry to set out for a trip on 23rd of May, 2019. The team went to Polomolok, Philippines, to minister to children through the means of feeding and giving away schools bags and slippers. Parents accompanied their children and sat through the programme prepared by sister Judah Lyne and sister Berben Bariantos. After sister Judah shared, she asked, if they want to receive Jesus as their Lord and personal Saviour. Many raised their hands, including their parents. Wow, such joy we felt! Praise the Lord!

We were also privileged to minister to two local churches, youth ministry and also conducted a worship ministry workshop in a short time. We couldn't have done it without the support of our home church, Jesus My King Church. It is not just the team who did the mission but also those who supported us financially, by prayer and by donating school supplies and toys for the children. Indeed we are together in the spirit. Thank you, Lord, for your grace and favour.

# 30TH NATIONAL PRAYER GATHERING MANILA, PHILIPPINES

16 to 19 APRIL 2019

# DISCONNECT TO CONNECT

## KINGS GENERATION @ KLUANG

21 to 22 JUNE 2019

On the 21st and 22nd June 2019, a total of 25 of us made a trip to Kluang, Malaysia. It was a significant trip, and it was our very first overseas trip as King's Generation.

The theme was "Disconnect to Connect". It was a great time to disconnect ourselves from the internet to connect with God, His creations and with friends. We had a great time of bonding, games, worship, prayer and even a time of sharing by Pastor Steven! There was a tangible presence of God throughout the entire trip. We woke up the next morning with a mission - to climb and conquer Mount Gunung Lambak! We learnt how to problem solve, to be patient, and to wait and watch out for one another which required teamwork and endurance. It was indeed an unforgettable experience for all of us!

# OPEN HEAVENS PROPHETIC CONFERENCE

FUKUOKA, JAPAN

29 APRIL to 7 MAY 2019

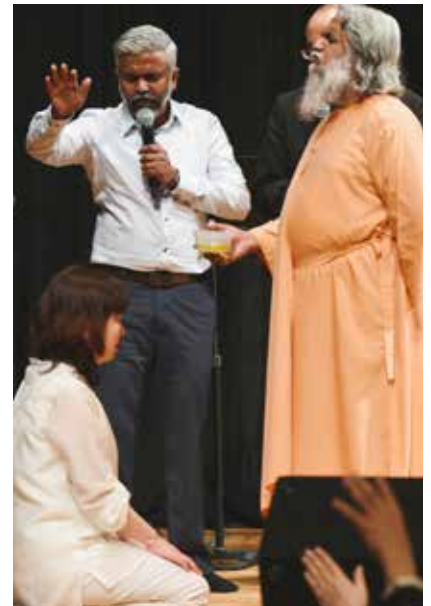

On the 1st of May, the people of God from 15 nations gathered in Fukuoka, Japan for the Open Heavens Prophetic Conference. It was to be a unique assignment, organised by Ps Sarah of Open the Nations International; where delegates united in praying and interceding for Japan.

Ps Steven shared that even the timing of this prophetic conference was divinely orchestrated to coincide with the beginning of the new imperial era "Reiwa". As prophesied by Ps Steven, surely we had encountered the baptism of God's fire and power, pulling down strongholds of fear and intimidation. He pointed out in Matthew 11:12: "The Champions shall take (the Kingdom of God) by force". Indeed, the banner of prayer was raised as the believers united in faith toiling the ground, seeking the Lord's hand to raise men and women of authority, to establish the Kingdom of God in Japan.

Our media ministry had the privilege of successfully live streaming this conference by God's grace. Through Angel TV's satellite network, the telecast was beamed all over the world, transmitting the Word of God for Japan for every Japanese over the world to hear.

A total of 16 of us from Jesus My King church joined in this mission, working with Ps Sarah's team to facilitate this conference. Both of our teams share the same ministry name- Rivers of Life- and we did serve well together with the same DNA. I experienced great joy and fulfilment serving with this team, as each stepped up to fill whatever gap, no matter how small. Some had to take on multiple roles from worshipping to dance to media duties; some had to surface their Japanese language talent during registration, more hands extended to manage additional books for sale and additional photography coverage. Our worship team led the delegates in a Japanese worship song; our dancer expressed awe at the move of the spirit demonstrated as they ministered unto the Lord in prophetic dance.

The fellowship of the team continued after service. We had a bonus night of dinner fellowship with our Japanese team, giving thanks amidst much laughter. Even the testimony sharing time was 'elevated', with James's guitar accompaniment in the background!

As the bride of Japan awakens, I pray that they will continue to stand upon the victories and carry the prayer anointing that has been released, continuing to declare what Jesus has spoken through His prophet in this conference:

Isa 49:25

**For thus says the LORD:  
"Even the captives of the  
mighty shall be taken, and the  
prey of the tyrant be rescued,  
for I will contend with those  
who contend with you,  
and I will save your children.**

Hallelujah! All glory and honour to our Lord Jesus who made this possible and who gave us a part in this mission!

# PROPHETIC SEMINAR

## SEOUL, SOUTH KOREA

29 AUGUST to 2 SEPTEMBER 2019

On the first two days of the trip, Pastor Joseph and his wife Pastor Christine from Church of Lord's Love and Power hosted the 'Prophetic & Calling In The Last Days' Seminar. This meeting is the first prophetic seminar of its kind to be held in this area, and we have more than 50 people from different churches gathering to hear and learn from Pastor Steven.

On the final day, we were hosted by Grape Garden Church, Incheon, where more than 60 pastors from different denominations gathered together. Pastor Steven shared passionately about the time and season which we are living in, instilling a deep sense of urgency, urging everyone to prepare their hearts and minds for what is to come in the days ahead.

↑ Dr Rev Steven Francis and Daniel Lim together with Pastor Joseph and Christine Koo, Pastors of Church of Lord's Love and Power.

→ Launch of Church of Lord's Love and Power, Seoul Korea, dedication service.

Many of the pastors who heard the urgency of the end-time message for the first time responded and came forward to receive prayer. Pastor Steven prayed and prophesied over every single one of them. The presence of the Lord was tangible and powerful throughout; most of them fell under the power of His Presence.

The Word of God says in Isaiah 55:11:

“So shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and shall succeed in the thing for which I sent it.” (ESV)

It's our prayer that the Lord continually bless the seeds that have been sown in this nation and they shall accomplish what He has intended from the beginning of time. Amen.

The 2019 USA Prophetic Convention - "God's Word To America", was held in Gettysburg, Pennsylvania USA on 3 - 7 July 2019. More than 1000 delegates from the USA and other parts of the world gathered to participate in this life-transforming event. We had the privilege of hearing and learning from Brother Sadhu Sundar Selvaraj, Dr Bruce Allen and Rev. Dr Steven Francis. They bring forth the Word of the Lord to this nation.

Everyone present were exhorted and counselled through the teachings and had their lives realigned, cleansed and set apart for God. As we are in a season of shifting, transiting from the church age to the kingdom age, absolute loyalty, faithfulness and obedience are the cardinal characteristics we need to develop to survive and to overcome the reign of the antichrist. Throughout the entire convention, the presence of the Holy Spirit and angels were undeniably evident, bringing people to their knees into a time of repentance, rededication and restoration in our walk with God.

**“Steven’s heart of love for the church and his commitment to the truth was evident in his teaching and in the way he took time to pray for people personally. Our church was overwhelmingly blessed by Steven’s ministry and is looking forward to his return.”**

**“When Steven Francis came to our church, he preached a message that was challenging yet was delivered with much love. Steven’s love for God’s people showed through everything he said. After Steven left, my prayer life came to life again. God reminded me of a time when the Psalms were very personal to me, so I began reading the Psalms again and once again, they have come alive to me.”**

**Being consecrated is an act of worship.**

Preparing God's people to meet with the Lord and presenting each one as an offering before the presence of God has been the heart of the conference. As His people bowed down, the glory of God was revealed to many; one cannot help but kneel and worship the King.

Lifting up the name of Jesus is the main focus of the conference. Hearts transformed, renewed and restored were the results of drawing near to God.

In these last days, God demands His people to love one another and to seek His face continually. The blessing we received is not in the material things but the knowledge of God knowing that He is a good God.

# IT'S *Dr.* STEVEN FRANCIS

## CONGRATULATIONS TO OUR LEAD PASTOR

On Friday, March 15, 2019, Pastor Steven Francis graduated with a Doctorate in Ministry from the South Asia Bible College. This doctoral program is an extension of Assemblies of God Theological Seminary (now AGTS Evangel University), Missouri, USA. This Seminary is an Asia Theological Association approved course of study.

This course started in February 2013, where for every four months, Pastor Steven had to attend classes for a week followed by assignments.

When asked, Pastor Steven said, "It was a period of burying myself in books, managing church ministry, travelling for missions and family. I thank God for giving me an understanding family who have given me space to study and to travel regularly for classes. Thank God for the church leadership team for their support in covering pastoral duties and for regular prayer support. I cannot believe how I was able to study through and finish the assignments, especially the last two years have been spent on researching and writing, which required travels to Malaysia for research. God provided me with the blessing of a dedicated team that assisted me in the final phase."

With Sadhu Sundar Selvaraj

"I dedicate this graduation to the glory of our Lord Jesus Christ, who saved me and filled me with His wisdom and trusted me with His service."

# LIVE OUT THE LIFE OF WORSHIP

## SCHOOL OF WORSHIP

trains end-time worshippers who desire to give their all to Jesus Christ our King. Learn about the different facets of God through prophetic worship teachings such as INTIMACY, WARFARE, OBEDIENCE and VOICE.

## INTIMACY

| To seek His face

Moses walked with God and talked to Him face to face like a friend. This is one of God's mysteries, that if we seek Him sincerely, we will surely find Him. We need to hide ourselves in the secret place to seek God and to hear Him. Intimacy is learning to be open and truthful in that secret place with the person who we desire to have a deep relationship with - God Almighty.

## WARFARE

| To heed His command

Waging war in the spirit through worship brings about victory in battle physically, mentally, emotionally, morally and spiritually. When we worship, God releases His angels to fight the war with us. Our battle is not of this world but in the spirit. We need to hear the voice and the Commander to know the schemes of the enemy and to fight against it through worship.

## OBEDIENCE

| To build His house

Worship is to build a place where the glory of God will dwell. King David said in 1 Chro 17:1, “Here I am, living in a house of cedar, while the ark of the covenant of the LORD is under a tent.”. If we want God to manifest His awesome presence, we must obey by doing what God desires - to build Him a house.

## VOICE

| To speak His truth

John the Baptist was trained in the school of the spirit in the wilderness for 20 years and did His ministry for 6 months as God’s mouthpiece as the “voice crying out in the wilderness”. We need to be trained by going through the refining fire of God to be His mouthpiece for truth, as it requires purity and humility.

## PRE-PRIMARY GROUP

This year the pre-primary class was started as God multiplied our children. The number of committed teachers increased too. Hallelujah!

According to Mark 12:30-31, the vision for our pre-pri group is for every child is to be a disciple of Christ; our mission is to train our children to love the Lord with all their heart soul, mind and strength and to love others as themselves.

The teachers are determined that each session brings the children a step closer to the Lord and deeper in love with Him. We teach them to worship in their child-like ways, to delight the heart of God! We encourage them to pray for their friends who are sick and to trust God for healing. Our desire is for our children to see visions and encounter the Holy Spirit personally, so there are sessions of entering into the secret place of the Most High and waiting on God. As for engaging with the Word, the teaching curriculum from DiscipleLand brings to focus the goodness of God through the lens of His love for them individually. The craft items created in each lesson serve as a talking point for the children to share learning experiences with parents, whilst the weekly updates through the parents' chat group allow the parents to continue working with the children after Sunday School is over.

## PRIMARY GROUP

We aim to teach the children of the primary group on prayer, worship, spiritual warfare and end-time living. To strike a balance between teaching bible knowledge and spiritual life, we segregate our lessons by teaching on spiritual living. Also, a bible character trait is taught and emphasised each month, with the children given a beautiful handmade card with a memory verse.

On the 4th of November 2018, we were graced to pioneer the Tamil Ministry in Jesus My King Church. In line with the vision of the ministry, we have been reaching out to the Tamil speaking community.

Since the launch, we have regular Tamil worship services on every 1st and 3rd week with prayer meetings on the last week of the month. We are also reaching out to the Geylang Indian community through the door to door tract ministry. Some of those we reached out through giving out of tracts started to attend our services. We started the Tamil cell group in Chua Chu Kang and Yishun area to build bonds and also to equip the people for evangelism.

There were many phone calls for prayers since the inception of this ministry; we visited hospitals and houses for prayer, worship and sharing the good news. The people experienced the power of God falling upon them and testimonies of salvation during house visits. Glory to God for giving the vision to Pastor and the leadership. We thank the Lord for this privilege to serve His people.

Every Nation Church

I joined this course as I wanted to discipline myself for godliness further. (1 Timothy 4:7). This course is structured in a way that requires me to practise the spiritual disciplines of worship, prayer, fasting, journaling and bible study, alone as well as with my brothers and sisters. During the course, the spiritual disciplines took me deeper into the glories of the knowledge of Jesus Christ, and further stoked the inner longing to know God more (Philippians 3:10).

**Elaine Wee**  
Grace Assembly Of God

The past three and a half months of my journey studying in KCOP has significantly impacted my spiritual growth. I sat under the teachings of different speakers and The Holy Spirit revealed to me how each of these teachings related to my life. It is like the picture of my life's jigsaw puzzle being pieced together.

All in all, the course has been so enriching. After a long day's work on Wednesday, I always looked forward to my lessons at KCOP as they energised my soul. I believe our journey as disciples will never end. It is like what Ps John Daniel said, we will never graduate from being a disciple of Christ.

**Teo Poh Luan**  
Fairfield Methodist Church

Regardless if I was impulsive to sign up for the course since it is the last batch, God is gracious to see me through each reading and writing assignment as I am a slow reader and not an avid writer. It is a blessing to have lecturers who are passionate as they share their spiritual walk with God, which is inspiring and also classmates who share various resources to enhance our learning experience.

**Avril Kwan**  
Jesus My King Church

The KCOP course has enriched my knowledge and spiritual life. It opened up my eyes to see and my mind to know how real and mighty our God is. At the same time, it also made me realise how little I know about our Abba Father. This feeling increases the fear of God in me, and it also causes me to yearn to seek Him more. I enjoyed every session of the course, especially the module on worship as it made me realise the importance and power of worship. I thank God for leading me into this KCOP course, allowing me to know more about Him and His plans for us through His very anointed lecturers. All praises and honour to you, Lord Jesus.

**Adeline Pang**  
St Andrew Cathedral

This year's turning point for me has been attending The King's College of Prophets. My spiritual life has been enriched in a new dimension which has been opened for me. I have learnt things I have not learned and heard things I have not heard. I anticipate every class and the words that fell from every speaker. I hope that one day, my faith will be tested and proven genuine of greater worth than gold, which perishes even though refined by fire. 1 Peter 6.

**Khin Thitsar**  
Cornerstone Myanmar Community Church

KCOP is a Spirit-led school, the course subjects and assignments are Spirit-led. I feel like I am being raised under balanced and powerful teachings; I am so blessed and anointed by studying here. The course has helped me see the things of God clearly and correctly. It has prepared me for things to come and shaped me to be more like Jesus. It has given me an unshakeable foundation to carry out prophetic ministries. My spending time in fasting and prayer though much challenged, greatly encouraged and pushed me to the next level of intimacy with God, and to the next level of prevailing in spiritual warfare. Each lecturer has his massive strength in the Kingdom of God, I can learn things that are so much valuable and vital for my life in serving Jesus.

**Daphne Lee**  
Grace Assembly Of God

Through a friend, God brought the answers to the cry of my heart: "I want more of you. I want to know more and learn more and grow deeper. If only there is a course after office hours that teaches me to grow and experience more of Jesus, that would be so good..." I thank the Lord Jesus for leading me divinely to last "live" KCOP class!

KCOP has taught me so much about servanthood and also about how I can hear God. The great examples shared makes me understand and relate with my real life. I am inspired and my fire for the Lord Jesus is revived. Thank you so much KCOP and team!

**Jennifer Chew Hong Ngho**  
Jesus My King Church

Thank God for this divine appointment for me to attend KCOP at this season. I have this prompting in my heart that I have to go for it now. Thank God for sending such endearing, God-fearing and anointed lecturers who have instilled in me greater discipline in pursuing deeper intimate relationship and knowledge of who God is. This course has helped me to exercise spiritual discipline of prayer, fasting and study of God's word.

**Rachel Ong**  
Hing Hwa Methodist Church

At the beginning of this year, I found that I have reached a plateau in my walk with God. I realised that I needed extra help in my spiritual journey. A friend then introduced me to KCOP. Since joining the bible school, I have no regrets. Through the passion of every lecturer, we are motivated and encouraged to soar higher in our spiritual walk. Doing my assignments have been a big challenge but God has been good and I was able to complete them. The only regret is that not enough time was given to cover many of the topics presented. I thank God for using Ps Steven and the other lecturers to speak into my life. All glory to God!

**Jisha Rosy Skariah**  
Trinity Christian Centre

After much apprehensions, I participated in the KCOP 8th batch in Feb 2017. It's been such an enriching experience ever since. During Warriors Training Camp, the Lord healed my heart from the loss I sustained and by May, I became pregnant. After the delivery, God was still stirring my spirit and I rejoined the 10th batch in 2019; each session has opened my eyes in my pursuit of the Lord. The course has helped immensely in building a closer relationship with Him. All the lecturers were outstanding. I want to thank God for introducing me to the college, Rev. Ps Steven Francis for this opportunity, Sis Viji and all others for their tremendous love and support.

**Keidi Lim**  
Jesus My King Church

I thank my Abba Father, who has called me to attend this course and for His supernatural provision to finance it. Through the months of learning from all the anointed lecturers, it has drawn me nearer to God and has deepened my spiritual walk with Him as I gained to first seek Him in the secret place through worship, prayer and meditating of the Word. The course is filled with biblical truths and practical tools that are essential in the making of a disciple of Christ, in the renewing of my mind and the transformation of my heart. I am so thankful to the Lord for His abounding grace to journey with me and to see me through the written assignments amidst work and family responsibilities. God has given me the greatest love, endurance and encouragement during this period. All glory and honour to our Lord Jesus Christ!

**Meng Jong**

KCOP is an intensive course which demands the commitment to learning and practical training. It is not like an ordinary theological course as it concentrates in stirring deep thoughts of the hearts of the students. One's heart has to be opened to receive its imparted richness from the anointed instructors and the assigned books for the essays. It was by God's amazing grace that moved me through a dream to join the course. Only after some months through the course, I discovered the perfect plan of God as I see the spiritual fruits that were available to me in joining the course. The dream, my practical ministry, and my life's trial, all fit. I was surprised and spiritually blessed. Praise the Lord!

**Terrence Yeo**  
Lighthouse Evangelism

The Diploma in Prophetic Ministries' lecturers is very specialised and knowledgeable in their course modules, which enhanced the quality of the teaching and lessons. Our spiritual bonding and unity among classmates became strong as we are all focused on loving one another and also inspire each one to serve God faithfully. The lecturers were open to sharing their spiritual journeys, their ups and downs and their relationship with God. Their testimonies provided much impetus for the students to strive to walk closer with the Lord and do His bidding.

**Pentecost Lim**

Praise the Lord! He supernaturally orchestrated for me to attend KCOP batch 10 despite my initial hesitation. I have been blessed, enriched and inspired by the hunger, passion and intimate relationships the servants of God, who taught us, had in their pursuit and walk with God. As we often hear, it is not so much what was taught but what was caught! I am inspired to endeavour to put into practice (with God's help) what I've learnt and to prepare myself (and others) to be ready for Christ's Imminent Coming!

**Caroline Tan**  
Grace Assembly Of God

I am thankful to God for His call to attend this 8-month Diploma in Prophetic Ministry course as I have benefited greatly from it. It is not merely a theology course but a course with practical teaching to help us increase in the knowledge of God and on how to develop greater intimacy with Him. Every lesson was filled with the joy of the LORD as we sat under the anointed teaching of specially selected lecturers who are the experts on the topic of the course modules. They are men of God used by Him in an impactful way in Kingdom work. The students came from all walks of life and were from different age groups, but we gelled together with one heart and spirit as we learnt and grew spiritually together.

**Clara Ying**  
Church Of Singapore

KCOP has brought me into deeper waters with the Lord; refreshing my soul and enriching my spirit. Through the readings and assignments, the Lord revealed a new understanding as I revisited past truths and studied the Word even more. The classes gave me practical guidance that I can relate to and apply in my daily life. It has been a season of God's grace and enduring love in giving me opportunities to grow in maturity and strength. I came to this course hoping to be a stronger warrior of Christ in the end times and to be equipped in the prophetic ministry. I am very thankful that the training experience has sharpened my discernment and prompted me to take up the purposes He has for my life. KCOP has been a spiritual milestone for me; convicting my heart and mind to be in deeper fellowship with Christ and to live in the life of the Spirit. Truly the Lord makes known the path of life; in His presence, there is fullness of joy, at His right hand are pleasures forevermore (Psalm 16:11).

**Tabitha Chen-Robinson**

Jesus My King Church

Attending KCOP is a decision I won't ever regret. The returns on investment in this course with the time and money I had put in is so invaluable, and I know I will continue to draw lessons from it throughout my life.

The King's College of Prophets is not just a place to learn knowledge, but it is a Holy Spirit-filled incubation pad where God prepares the hearts of those who are hungry and willing. The sense of anticipation was evident in all lessons; in each lesson, the presence of the Holy Spirit was tangible. Every lecturer impacted me powerfully in so many ways, they do not just teach, but they came wholeheartedly to impart what they had personally encountered and what the Lord had taught them in their walks.

I am humbled and excited to be a student in the King's College of prophets, and I am so thankful for the friends I have made here and most of all, to be a disciple of Christ.

**Jacqueliene Anusia**  
Jesus My King Church

I thank God for making it possible for me to attend KCOP, as well as for Dr Steven and anointed experienced teachers for their resources and teaching. The past months in KCOP have helped me in my discipline with my walk with God. It has inspired me to spend more time praying and studying God's word and applying it in my daily life. The books and assignments have strengthened my foundational basics and helped me to reflect upon my spiritual growth. It is indeed, a life-changing experience.

**Rebecca Tay**  
Fruitful Vine Church

The knowledge I gained from this course not only increased my understanding of spiritual walk with God but also helped me to be a better servant of God. The lecturers imparted lessons with the anointing of the Holy Spirit. My life is being transformed by all the spiritual disciplines that we were required to go through. The friendliness and helpfulness of the course manager and the students in the class warmed my heart. I give thanks for all of them.

**Paul Shew**  
Jesus My King Church

I wanted to learn more about how God speaks to us, but books or articles I have read did not satisfy me. During KCOP classes, Stephen Powell taught me that the focus should be on intimacy with God. As a result, I now hear God speaking to me in various ways. Ps Steven Francis told us that as a very young Christian, even before he became a prophet, he kept on praying Eph 1:17, that the God of our Lord Jesus Christ, the Father of glory, may give him a spirit of wisdom and revelation in the knowledge of Him. He prayed the prayer every day, and many times a day. I learned that to experience and encountered God's manifest presence, I need to pray for it every day, and many times a day.

**Angeline Willson**  
Jesus My King Church

Thank God for His goodness and guidance in my life. I'm thankful to have an opportunity and being part of a team in learning the prophetic studies. I have learned how to intercede and to be a more spiritual disciple. Thank God for powerful lecturers being open to share their wisdom without any limitations and sharpening our spiritual man. This journey has certainly been fruitful, exciting and thought-provoking. Thank God for the friendly and kind staff of KCOP course. Without any doubt, this course has strengthened, humbled me in many aspects and made me grow stronger in walking with God. Praise God.

**Chen Ee Lin**  
Jesus My King Church

My journey for the past eight months with KCOP has been very purposeful and meaningful. I started KCOP without knowing that this would be the last batch to be conducted in Singapore, and without knowing that I have to meet deadlines and keeping a log of my daily activities. These months were very precious moments of reflection on my life and my journey with the Lord; they were moments of reconciling myself with the Lord; knowing that He is in the making of me and His plan for me on this earth, which I struggled for years to seek for an answer. KCOP is not the end of my learning journey; it is the mean of leading me to continue the remaining of my trip with the Lord more purposefully.

**John Vinod Baskaran**  
Jesus My King Church

I would like to thank God for fulfilling my heart's desire to study under Dr Steven Francis in the King's College of Prophets. The lectures propelled me to study the scriptures more and that orchestrated a deeper encounter with the Lord. The lecturers are anointed and also very passionate teachers of God's word. I am growing in my passion, conviction and faith to serve Christ after attending the course. Praise God.

**Kevin Seow**  
Jesus My King Church

It is my privilege to be selected to attend the last batch of The King's College of Prophets.

I thoroughly enjoy the teaching and lessons from all the Pastors. Timing has never been more urgent as we draw nearer to the second coming of Christ. It instilled a great sense of urgency to equip me for the work in His kingdom in the end-times. I also have the privilege to attend KCOP together with my dear wife. It has brought us to walk closer with Jesus together.

**Pauline Goh**  
Jesus My King Church

I decided to attend this course as part of my journey of getting to know God more intimately. Listening to the teachings and the instructor's walk with God has made me realise the importance of staying on course with God, pursuing Him wholeheartedly and always falling back to the Word of God. There is no shortcut to growing deeper into knowing the heart of God. Every class, reading and assignment has challenged, spurred, and stirred up a desire in me to go deeper with God. Attending KCOP together with my dear husband has brought us to walk closer with our Lord Jesus together.

**Isaac**  
Jesus My King Church

In the past month of my study in KCOP, I have gained much spiritual growth, knowledge and understanding, which helped me grow in my journey. It renewed my mind and perspective by understanding more about Him, that I can be used for His Kingdom and purposes. It also gives me the foundation and pillar to strengthen my walk with God.

**Daniel Lim**  
Jesus My King Church

The teachings and impartations from this course did not make me a more learned person, but they changed, empowered and prepared me to be a 'better-ready & battle-ready' vessel for the **RACE** that is ahead...

**R** → **Readiness** and willingness to run with the Lord

**A** → take **ACTION** and not wait for action

**C** → **Character** above intellect

**E** → **Endure** till the End

I thank God for blessing me this opportunity to be a part of this Course. This privilege to learn from all the different anointed teachers humbles my heart.

### Feni Hartolo

Covenant Evangelical Free Church

I enrolled in KCOP desiring to know more of and be aligned to His heartbeat before the second coming of our Lord Jesus Christ. I am grateful for the privilege of learning from the many anointed prophetic ministers. They have much inspired me to pursue intimacy with God and to live with urgency, faith, courage and tenacity.

### Cecilia Low

Trinity Christian Center

I am grateful and privileged for the divine connection, invitation, interaction and direction of the Holy Spirit to attend The King's College of Prophets. I have benefited much from the varied lecturers' teachings and the sharing of their invaluable experiences with God. I am most thankful to the Most High God for equipping and directing me to His high calling to servanthood. The many classmates sharing also blesses me; one particular testimony encouraged me to fulfil God's calling in my life. Thank you, Rev Steven Francis, for your obedience to God's call to start the KCOP to train God's army for the End Times and sister Viji for your labour of love for His flock.

### Esdvaran Nair

Jesus My King Church

Through the course of The King's College of Prophets, I have been challenged, enjoyed and treasured greater intimacy with God. I realised that my assignments (which were the greatest challenge for me) are my testimonies of God's leading, goodness, greatness, milestones and interventions in my life. I enjoyed my lessons and grew in things of the Spirit and spiritual discipline. I was "watered" and blessed with desire for more.

We all need to be equipped to do God's end-time work. I strongly recommend this holistic and spiritually enriching course to any child of God who desires to grow in Him. Thank you, Pastor Steven, lecturers and KCOP staff.

### Leong Wen Kai

Church Of Singapore

KCOP has been a great blessing to both Clara and I. Looking back; I was able to obtain a better understanding of important biblical concepts and perspectives through the course. Also, the time spent outside of class to fast, pray and meditate on His word helped me to be more disciplined in my walk. Personally, KCOP highlighted certain things in my life that I had to change for me to grow and flourish as a disciple of Christ. I would recommend this course to anyone who is desiring a more in-depth knowledge and revelation of God's word in their lives. The speakers were insightful and engaging every single lesson. Thank you, Pastor Steven, Sister Viji and the JMK Church Staff for putting together this fantastic course!

### Yvonne Toh

Living Hope Methodist Church

I thank God for the course as He inspires and challenges me to go deeper with Him through what I read, hear and learnt. Until I started on it, I didn't think it was possible to fellowship with Him as intimately as I now know is possible. The course has very much opened up my mind and heart to the heavenly dimension and strengthened my faith in Christ. I thank God for the anointed lecturers, whose love for Christ is evident and infectious. I also thank God for the admin staff, for running the course with lots of grace, patience, understanding and kindness.

# CONGRATULATIONS!

MAY THE JOY OF THE LORD  
BE YOUR STRENGTH!

## GO FORTH TO BE A BLESSING

Congratulations to the graduating class of the King's College of Prophets 2019 course! I applaud you on your commitment to seeing the course through to the end, knowing that it did require a lot from each one of you, juggling your work and personal schedules to give your utmost attention to this course. Surely you cannot deny that you have greatly benefitted from your perseverance. Now that you have obtained much from the class, go forth to be a blessing to the church and those God will bring along your way. Remembering that every spiritual gift has been given by God for the profit of all (1 Corinthians 12:7). Continue to live the life of obedience, be constantly led by the Holy Spirit and always letting love be your motivation as you move on in service for the Lord and into the plans that He has prepared for you — giving glory to your King!

Pastor Rupert Lim

## THIS IS YOUR PITCH AND ROLL OPPORTUNITY

It is my joy in being able to write a congratulatory note to the 2019 King's College of Prophets graduates. The time you have invested these past several months will pay both short and long term dividends. The question now is what will be the next step in your journey? This year marks the 50th anniversary of man's stepping foot upon the moon. The trip took three days and covered approximately 240,000 miles. Did you know that the Apollo 11 had to execute a precise manoeuvre known as a Pitch and Roll, 12 seconds into the 3-day flight? Failure to do so would cause the rocket to miss its target.

What are God's plan and goal for your life? I would encourage you to take advantage of your recent experience at the King's College of Prophets by taking stock and reflecting on what you learned. Revisit and meditate on your course material; you can even make it part of your daily devotional. This is your Pitch and Roll opportunity to help ensure you have a proper trajectory in going forward to hit the goal and target of your high calling (2 Tim 4:7). I would like to thank you, the graduates, as well as the leadership of the King's College of Prophets for the privilege of sharing in your journey.

Pastor Timothy O'Connell

## REVEAL THE FATHER'S GLORY

Dear graduates of College of Prophets,

My heartiest congratulations to you all for completing the course. May what you have learned and received in the college help you actualize all the gifts and anointing that God has given each one of you to serve Him with.

My prayer for you is that you will be raised up by God to be that long-awaited generation of sons and daughters who would reveal the Father's glory in bringing restoration and freedom to all creation.

"For the creation eagerly waits with anticipation for God's sons to be revealed. For the creation was subjected to futility ...in the hope that the creation itself will also be set free from the bondage of corruption into the glorious freedom of God's children." (Romans 8:19–21, HCSB)

As you go forth from here, may the Lord fill you with boldness to preach the gospel of His kingdom with demonstration of signs and wonders, healing and miracles to all the world; and may great multitudes of people come to know and fall in love with Him because of your lives and ministries.

May each one of you realize, live and fulfill God's calling upon your life with great strength and accuracy. For such is a life well-lived, fulfilling His purpose and bringing Him delight and glory.

Great grace be upon you all!

## PRESS ON, KEEP PRESSING ON!

Dear graduates of KCOP 2019, congratulations!

For the past several months, you have worked hard and explored the facts of the Bible and ministry. Kudos to Rev. Dr Steven Francis for this initiative and perseverance. Our God deserves to be known better, and you have done just that. You have a desire to serve Him, and it is only appropriate that you serve him more effectively. Our Lord and Master trained His disciples before he released them into ministry. The gospel must not only be preached but must be lived and demonstrated. May our good Lord Jesus Christ use you all to meet the people who are away from the Lord right where they are. May the Lord use you to transform their lives! Press on, keep pressing on! Do not stop learning. Do not be satisfied with what you already know but work hard to continue learning from the Word of God and the Spirit of God. Being confident about the call of God for your life, continue to refine it and fulfil it. Do not neglect your gift, which was given you through prophecy when the body of elders laid their hands on you. 1 Timothy 4:14.

Wishes and prayers,

Dr G. John Daniel

## GRADUATION OF DIPLOMA IN PROPHETIC MINISTRY

## — THE LAST BATCH OF KING'S COLLEGE OF PROPHETS

32 students decided to embrace the big adventure in 2019 and joined the last batch of King's College of Prophets. Students came from all walks of life to be used by God for a higher calling.

Dear Students,

### ***We are God's People***

Congratulations to every one of you. After 8 months of dedication and hard work. Arriving at the finishing line is both a time of relief and a time to call for celebration.

This Journey that you took is to prepare you for your next assignment. You will not go into 2020 the same way you entered 2019. We are pleased to announce, to-date we have 316 students graduated from King's College of Prophets.

I believe every one of you have gained much because of your obedience. The Lord will give you the wisdom that will dwell with prudence and the knowledge of witty invention (Prov 8:12). Make God's Presence your priority and immerse yourself in Him, and He will guide you.

### ***This is God's Time***

This is God's time to take risks; they may seem scary but are mandated by the Lord. You allowed the peace of God to guard your heart and protect you for this season to be creative and to advance His Kingdom. With unbending assurances, many prayers promise were bestowed by all the lecturers for you to walk worthy of your calling.

God will place you purposefully and intentionally into strategic areas to expedite and birth forth new ministries and movements. You will find your place to shine. Be God-Confident. Dream Big and God can make things happen. The PRESENCE of the Lord and His FAVOR be upon all that you put your hands to do; God will open the doors to unlock your acceleration. He will lead you to the hidden treasures "This is the way, walk in it".

Properly position yourselves to experience the waves that God is sending to His People in this season. The Joy of the Lord will be our strength to carry us through.

### ***Tissue Ministry***

One of the highlights in this last batch is the birth of the Tissue Ministry. The Holy Spirit birthed a new outreach ministry through one of our Batch 10 students. 5000 tissues packets were printed with scriptures on it. In less than 3 weeks, these tissues have gone to Malaysia, the Philippines, Lebanon and were circulated all around Singapore. In September, we reprinted another batch of 5000 tissues packets, this time in 4 different languages: English, Mandarin, Tamil and Burmese. We believe this Tissue Ministry is just the beginning of something new that the Holy Spirit is doing through the students. Looking forward to seeing how the Lord is going to use every one of you in the days ahead. Keep Believing; Keep Trusting; Keep Hoping.

### ***Leaving you with this Gentle Reminder***

To handle yourself, use your head.  
To handle others, use Your Heart.

May the Glory of God reside within you always.
