College of Prophets

A School with Apostolic Wisdom and
Prophetic Revelation

The Call

“God has called me to teach and train the present generation of prophetic company who will be sold out for Him. Some of these people will be called by God into the full time ministry, while many will remain as prophetic ambassadors in the community, releasing the Word of the Lord to the people. The Church was birthed forth in prophecy and must carry a prophetic spirit in her message and mission to the lost. I have been called to trumpet the last call to the Church before the coming of our Lord Jesus Christ”

Rev. Dr. Steven Francis

With this burden, a team of ministers who are highly trained by the Lord have been assembled with the same purpose - “to equip the saints and to build up the Body of Christ (Eph. 4:12).

Rev Dr Steven Francis has been relationally connected to each of these men of God for many years, some of whom have spoken wisdom into his life. All the trainers are mentors to their people and have been in the mission field for many years. They bring wisdom, both in field work and church ministry.

We desire to share with you the same apostolic wisdom with prophetic revelation so that you too can fulfill God’s will for your life.

Respond to God’s Call today.

The Values

College of Prophets provides Word-based training by qualified ministers with proven ministries. These ministers have established ministries and have trained thousands around the world. They are ministry practitioners with an anointing to build the Church for Jesus.

The school’s training is based on three values needed for the prophetic training and ministry:

COMPETENCY in the knowledge of God’s word and the subjects pertaining to the various disciplines of ministry.

INTEGRITY in their personal walk with God and their conduct of ministry.

ACCOUNTABILITY to the Lord, to the Church, and to fellow ministers by abiding and operating within the limits of the Word, the will of God, and the ethical frameworks for the prophetic ministry.

College of Prophets aims to train warriors of Jesus for these end times who will hear what the Spirit is saying to the churches and become overcomers!

Message from the Founder and President

Rev Dr Steven and Angeline Francis

I greet you in the Name of Jesus for His abundant grace and strength given to each one of us to persevere and fulfill His will.

2 Corinthians 8:10,11 "And here is my advice about what is best for you in this matter: Last year you were the first not only to give but also to have the desire to do so. Now finish the work, so that your eager willingness to do it may be matched by your completion of it, according to your means."

The Apostle Paul exhorts the church that the eagerness to start must be matched by the willingness to do and to complete. What the Church and her people need today is the anointing to persevere in faith to complete what we had started in faith. We need the grace of God to build the work of God in unity, surf through frustrating times and walk in love to see the big picture of God.

This year brought about many challenges in the ministry for us. The whole team experienced personal challenges yet God brought us through it all. The sparkle of faith was restored as we sought God in prayer, fasting and worship.

I thank the Lord for each ministry member who gave his or her time, financial support and prayer of intercession believing that the God Who called us is faithful to fulfill all His promises.

As per the Lord's directives, He brought me to new ministries and new nations to preach the prophetic word of the Lord. As a ministry team, we went to minister in a Leaders' Conference in Fiji and in the month of December 2014, Angeline and I will be in England to preach in different churches.

Many significant words of prophecies were delivered in the Malaysia Prophetic Conference, Philippines Pastors and Leaders Conference. Last year on December 2013 the Lord revealed to me that the new and present Prime Minister Narendra Modi and his party will be elected in India. This word was prophesied in Hubli, India while I preached in a Combined Churches Revival Meeting.

To be where God wants you to be is more important than how big the meeting was attended. This is a prophetic season for our lives and ministry. Each of us are called to walk with God in consecration and united in heart. More victories will be won standing together than in isolation.

This year's magazine carries the faithfulness of God, Who led us in triumph throughout the seasons of our ministry life. May the Lord bless you abundantly as you rejoice with us. Continue to pray for us.

Manifesting Your Spirit

Rev Dr Steven Francis

I greet you in the name of our Lord Jesus Christ. I thank the Lord for a fruitful year in giving us the grace to fulfill the task that was entrusted to us by the Lord.

In 1 Timothy 1:12, the Apostle Paul wrote, "I give thanks to Him Who has granted me [the needed] strength and made me able [for this], Christ Jesus our Lord, because He has judged and counted me faithful and trustworthy, appointing me to [this stewardship of] the ministry (AMP).

The word "granted" or enabled (KJV) comes from the Greek word "endynamoo" meaning to empower, strengthen, to increase in strength, and to be made strong. This strength comes through the infusion of the Holy Spirit in your lives (Eph. 6:10).

There is a divine strength waiting for those who are willing to manifest the Spirit as they serve the Lord. This divine enablement will produce a heavenly strength, stability, consistency, providence, and perseverance. Many today are getting easily

discouraged in their spirit or weakened in their hearts when ministry or matters of life do not seem to go the way they want.

When life's events seem to go south from the way you desired, that must be the time to endure and persevere in faith. He, Who called and promised is faithful (1 Th. 5:24; 2 Cor. 1:20). It is an opportunity for you to manifest the strength of your spirit in faith by waiting on the promises of God.

However, when there is spiritual neglect, you will manifest your soul and the flesh. The church in Corinth had these problems (1 Cor. 3).

I thank God for the ministry projects completed and the mission trips done together with the church team. God opened new doors of ministry opportunities for us to minister. As a team, we were in Sydney and Fiji. Many lives were touched by the power of God. The spiritual lives of the team were strengthened as God used each one of us for His glory.

This is the season where the sons and daughters of the Lord must manifest their spirit. Be strengthened in your walk with God (Eph. 6:10).

Arise and Manifest

In Isaiah 60:1, "ARISE [from the depression and prostration in which circumstances have kept you—rise to a new life!] Shine (be radiant with the glory of the Lord), for your light has come, and the glory of the Lord has risen upon you (AMP).

When you choose to shine, you manifest the Spirit through your lives. Discern in the spirit what is keeping you dull in your walk and conscience. A dull mind needs the touch of the spirit of resurrection (2 Cor. 3:14). It can be a sign that you are under an emotional attack from the enemy to steal the joy of following and serving God and enjoying the fellowship of His presence.

In Numbers 13:17-20, we read of the account of the children of Israel

"One wrong decision can extend your stay in the wrong place."

walking around the wilderness for forty years. The moment they chose not to fight the giants of Canaan through fear, they made a choice to walk in defeat. They forfeited the opportunity to come out of the wilderness.

One wrong decision can extend your stay in the wrong place. The place of Kardesh is a synonym for defeat and lost opportunities. You see, when you make it a habit to say "no" to the things of God, you may not know when your answer is critical for the fulfillment of the divine plan.

People who procrastinate obedience to the will of God overtime will develop a callous spirit. Ignorance gives Satan an added advantage over our destiny (2 Cor. 2:11).

Beloved, we are to remember that all secrets and deeds will be made manifest by the glory of the Lord (Lk. 8:17; Jn. 3:21; 1 Cor. 3:13). Let us walk right before the Lord.

Manifest Jesus

1 John 3:8b, "The reason the Son of God was made manifest (visible) was to undo (destroy, loosen, and dissolve) the works the devil [has done] (AMP).

God is calling His warriors to rise with a holy boldness. Demonstrate the authority of Christ in your life and others around you. Passive prayer will not cut the deal. You need to rise up in Jesus Name.

Wherever the Apostle Paul ministered, he demonstrated

the power of God. Many more souls will be added to the kingdom when we become believers of the power of God. 1 Corinthians 2:4,5 "My message and my preaching were not with wise and persuasive words, but with a demonstration of the Spirit's power, so that your faith might not rest on human wisdom, but on God's power."

It is my prayer for you, to each graduand of College of Prophets that you will be inspired by the Spirit of God to move in a new level of authority and grace in your lives. Your ministry will not be the same any longer.

Manifest God's love to people around you (1 Jn. 4:9). It is the love of God that heals the broken hearts. When we become the carriers of His love, the Lord will manifest the fragrance of Christ through you. Wherever the Lord sends you, you will carry the presence of God in a tangible way (2 Cor. 2:14).

Manifest the Works of God

John 17:6, "I have manifested your name to the people whom you gave me out of the world. Yours they were, and you gave them to

me, and they have kept your word." This end time is a season of harvest. We need to accelerate our obedience to the will of God. Be fruitful in the kingdom by serving in the Body of Christ and various ministries. Ask the Lord for divine connections. You see, serving the Lord will break the spirit of self out of us. We will not be self-oriented.

Manifest the Name of Jesus in all aspects of your life. Release the manifested Name of Jesus and His glory to others as you minister to them. Manifest the power of God through healing the sick, binding the broken hearted and preaching the favor of God to people around you (Isa. 61).

God is waiting to manifest His power and glory through you (Jn. 9:3). This is your mandate, to manifest the light of Christ (Matt. 5:14). The disciples were threatened not to preach Christ instead they declared Christ everywhere they went (Acts 4:20). This must become our passion; living for the glory of God.

The world is waiting for the manifest glory through the sons and daughters of God. Be the one whom God can count on in this season.

My wife Angeline and I, together with the ministry team wish to heartily congratulate the graduates of College of Prophets Sixth Batch of 2014. It was a delight imparting to you personally.

May God's blessings rest upon each of you.

Hubli, India Youth Missions Trip - Dec '13

By James Diamante

It's been almost a year since Jesus My King Church's Youth Team went to missions to Hubli, India with our Senior Pastor Rev. Dr. Steven Francis. Pastor Shyam Anthony from The City Church warmly welcomed us and hosted the meetings. The experience is still vivid in my heart on how God moved and ministered amongst the people. We ministered in a Pastors and Leaders Meeting, went to a village ministry, conducted a Youth Seminar, and had revival meetings for four nights. Rev. Dr. Steven Francis spoke powerfully in the night meetings and relentlessly reminded the people that God is greater and stronger! We saw breakthroughs, relationships amongst the pastors being restored and the power of the Lord manifest upon the people.

I was appointed as a worship leader for all the night meetings, I must say that it was an amazing experience for the team and me. On the first meeting, I asked the Lord to show me how to lead the people into His presence. To my surprise the Lord told to bring them straight into His Holy Presence. Usually in a normal church service I will start leading the people into praise and thanksgiving according to the Book of Psalms. However, this time it was different. I obeyed and the result was phenomenal! The presence of God was so tangible and thick in our midst as we worshiped Him and the Lord spoke to me: "They are a people of prayer!" No wonder the Holy Spirit moved and touched many lives from the first to the last day because of that very reason; "they are a people of prayer". Indeed this is a season where God hears His true intercessors!

The youth team and I had the privilege to minister to the youths. More than one hundred youths attend the seminar from various churches. Each one of us shared our hearts from what the Lord inspired us to share. One thing is for certain when we ministered to the youths, the Lord drew them into a greater intimacy with him through worship and intercession. These young men and women wept in God's presence, crying out for revival in the land of Hubli. I was also in tears and the Lord told me that He is looking for people who will worship Him in spirit and in truth. Praise be to our God for He saw their hearts and manifested His love over them.

I am grateful and privileged to be a part of the team and be part of God's move in Hubli, India, to prepare the way for His spirit to manifest and inhabit the people. Praise God!

The prophetic team led by Rev. Dr. Steven Francis from Jesus My King Church was commissioned by the Lord to Fiji mission trip from 15th – 20th July 2014. The meetings were held in Suva Fiji Methodist Church. Together with the team, were Brother Freddie and Sister Nancy from Singapore whom the Lord used in healing ministry and Evangelist Brother Graham from Australia who did Evangelistic outreach during the night rally. Approximately 200 participants from different denominations attended this conference; even the Mayor of the Town attended the night rally and he rededicated his life to the Lord once again. All Glory to Jesus.

The six day mission trip was fruitful and successful as the Lord moved powerfully in the conference. The presence and anointing of the Lord was tangible as Brother James Diamante led them in worship. Many Methodist church pastors were amazed at the prophetic words that the Lord gave Rev. Dr. Steven Francis to speak over their lives, churches and the nation.

Picture taken during one of the prophetic conference meetings with the Fijians.

On the fourth day of the trip, the Lord impressed upon Rev. Dr. Steven Francis to conduct Holy Communion service by gathering the pastoral team to come forward to serve Holy Communion to one another. Such a prophetic act broke the wall of leadership among the different denominations in the land of Fiji. Praise the Lord!

Through the biblical teaching by Brother Freddie and Sister Nancy and above all, by the Grace and Love of Jesus Christ, many testified that they received healing from joint pain, back pain, chest pain, chronic cough, hearing problem, muscle weakness, etc. Numerous also received healing over emotional pain as they released forgiveness to one another. There were also several participants who dedicated their lives to the Lord during the Evangelistic night rally. All Glory to Jesus.

Thanks to all who interceded for the mission trip in Fiji. All Glory, Honor and Praise to King Jesus. There were many photos taken during the trip that can be found in Jesus My King Church Facebook. God bless all of you.

Philippines, Pastors Conference - Aug '14

A Testimony from Pastor Omega Clyde

Greetings in the Mighty Name of Jesus!

We want to extend our heartfelt gratitude to the leadership of Rev. Dr. Steven Francis and family, and to all of the church family in Jesus My King Church, thank you.

It was an incredible time of "Gathering of the Willing" when Rev. Dr. Steven Francis came to bring the message to us during the two day conference and two separate meetings in the local churches in the province.

We had attended conferences in the past, but this time, it was different because there was a sense of urgency for people who are hungry, thirsty and in need of the revelation of the Word of the Lord. I remembered the first time Rev. Dr. Steven Francis came to our city particularly in Taytay AIM Conference as he was one of the invited speakers. He told us that the Philippines is in great need of (Filipino) Prophets to arise.

During the conference, pastors and leaders paid attention to the message and revelation from the Word shared to us by Rev. Dr. Steven Francis and had impacted and encouraged the ministers for their ministries. We evaluated all that had happened and to my amazement I realized that some of the pastors whom I knew as skeptics of prophets, for the first time attended this Prophetic Conference. They were enlightened by the revelation of the Word of the Lord.

We also had a great time of worship and fellowship during our Sunday Worship Service in our local church in the Province. Our hope, faith, and love for the Word to the world has revolutionized our spirit tremendously and that even our young men and women have renewed the desire and intention to make an impact in our community.

Truly, the divine visitation of God through a Prophet came to stir us up. No doubt about it. This is the season of declaring the Word, the message of hope boldly without hesitation.

We want to thank you for your financial support we have received to facilitate our mission endeavors in the Visayas region. The Lord will bless you, pressed down, shaken together, and running over.

May the Lord keep you, and bless you, you who dwell in the presence of the Almighty God.

Dr Steven Francis prophesying over Bishop Art Jornaes

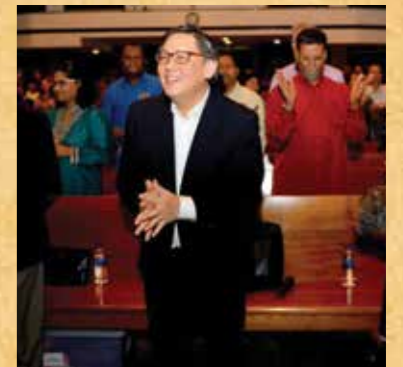

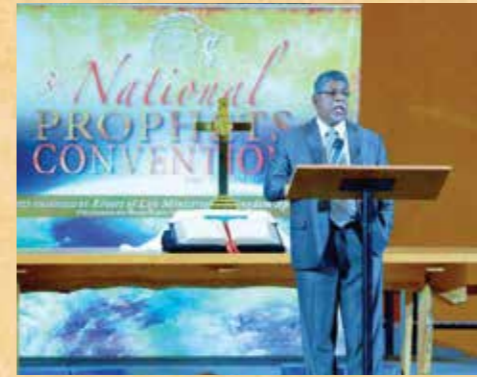

NATIONAL PROPHETS CONVENTION 2014

We experienced the favor of God in a greater capacity than the previous years, during this year's National Prophets Convention 2014. We had more than 250 seminar participants and more than 800 people who attended the evening sessions. We thank God for Rev. Dr. Jonathan Seet of Paya Lebar Methodist Church for hosting this conference.

The power of God was so tangible, as the worship exalted God and people sang loudly with banners and dance. The speakers delivered powerful prophetic messages, which were relevant for the Body of Christ.

The altar was full of people responding to the Holy Spirit and many hearts were restored, healed, and delivered. There was much prayer and tears, and people were on their knees before the altar beseeching the face of God.

All the speakers released powerful prophetic words upon the Church and the congregation, and the name of God was exalted.

Church Camp – Gathering of the Warriors 2014

By David Shawn Michael

On June 2014, Rivers of Life Ministries organised the "Gathering of the Warriors" - a camp in which Jesus My King Church, Warriors Training Camp and College of Prophets came together to have fellowship and fun!

From the 6 - 8 of June, the camp was held at Le Grandeur Palm Resort, Johor Bahru. There were 80 people who took part in the camp. Our guest speaker was Rev. Dr. Roy Muttiah, who ministered with much grace and love to the camp participants. Throughout the camp, the participants were treated to a wide array of food, spacious rooms and lots of games!

Throughout the camp, we were able to network with one another and definitely grew closer as a Body of Christ. This was my first time leading a church camp. It was a very enriching and fruitful experience as the camp and all the preparations the committee had made blessed everyone. The presence of God brought healing to many hearts as Pastor Roy ministered to them. Many also prophesied over others as the power of God was upon them. One of the powerful moments was when the children and youths prayed for the parents and parents prayed for the children. There were many tears of joy.

I really praise God for His goodness and presence that was among us throughout the camp and I am also very thankful for the opportunity that was given to me to lead the "Gathering of the Warriors 2014". All glory to Him!

The College of Prophets (COP) is unlike many bible classes that I have attended. The curriculum is fixed but the lesson content is full of life and inspired of God. There is never a dull moment. All the lectures are delivered by God-fearing, worshipful, experience-tested, and humble teachers. Every lesson is a spiritual journey that reveals the Kingdom of God. The spirit man tingles with raw amazement at what God is doing through His servants – the spiritual realm is abuzz with heavenly activities. The COP has inspired me to arise and behold the reality of the supernatural! I observed that the Word speaks to each of us according to our ability to discern, regardless of whether we are spiritual babies or the maturing giants.

Personally, I feel humbled, spiritually grounded, and more in touch with spiritual reality than ever before. For the true God-seeker, the COP will kick-start your journey into the supernatural.

Isaac Chew RiverLife Church

In a vision I had at the beginning of the course - we were in a room with blue walls, gazing out of an open window at horses calmly grazing on vast green pastures. It was bright and cool outside. The horses were waiting patiently for us, perhaps to be prepared.

In retrospect, the last nine months has been a preparatory process where we partook of a specialized spiritual diet. Good food nourishes, builds immunity and helps shed unwanted kilos. The spiritual food we ate not only strengthened our faiths, it dissolved deceptive beliefs brought about by ignorance of our God's true nature. These are food rich with godly counsel and practical know-how, served with fear and trembling to instruct, challenge and edify.

A healthy physical lifestyle not only involves the right foods but also the right exercise. This new spiritual diet must be accompanied with the experimentation and exercising of our gifts in order to build up stamina and mettle to complete our race in Christ. We now enter a higher spiritual plain, leaner and better equipped to be used for God's glory during the end-times. The horses were waiting for us to be prepared, to shed some unwanted dead weight before we are able to fit into the full armour of God. The training continues.

Thank God for His mandate on Dr Steven Francis, equipping him to train an army of end-time warriors. May Pastor Steven's journey in Christ continue from glory to glory; May his family continue to be blessed with every goodness that comes from the Father; May COP continue to be God's "blue room" to prepare those whom He has called to step up and step out.

Clement Chia Jesus My King Church

When I signed up for the College of Prophets (COP), I was clueless of my spiritual direction. Now having completed the course, I am blessed with a clear spiritual direction and also a clear direction in my life. One very important lesson I learned was hearing from God and His plans for my life. It is the duty of every disciple of Christ to respond to God's calling and live out His plans for us in our lives. We should not be contented with just being a Christian but live a life of a "disciple of Christ!"

I would like to thank God for His gracious provisions, which made my attendance in COP possible. Thank God for the baptism of the Holy Spirit, the blessings and empowerment of the Holy Spirit, who has seen me through such a rewarding and purposeful learning experience. I would also like to thank all the lecturers and speakers for their spiritual guidance and impartation of the knowledge of the Word. They are truly fine examples of God's anointed people!

I thank my lovely wife, Helen, for "dragging" me into the COP to "support" her, whilst she journeyed through the COP lessons. Little did I know that she has led me into the most important phase in my life, a journey of great spiritual learning and blessings. I would like to thank the principal Pastor Dr. Steven Francis, administration and support staff who facilitates and make COP possible.

COP essentially teaches us to cultivate a lifestyle in which God wants us to live, based on the bible. It is life transforming and helps me grow in knowledge of the word, towards maturity in my spiritual walk with the Lord. I have benefited immensely and grown in my relationship with God, through the COP lessons. I am certainly blessed and pray for God's hands to bring many more students to the COP to be blessed!

Helen Pan Jesus My King Church

I asked the Lord for a miracle to provide the funds for me to attend College of Prophets (COP). In that way, I will know this is His will. Miraculously, I received a cheque with more than enough to pay for the lesson. It was beyond my wildest dreams and even my husband could not believe his eyes. Praise the Lord for this miracle!

We have been so caught up with our busy life that we have no time for God, and gradually lost the skill of hearing from our Father. COP has trained us to be disciplined in many areas that we lack. For example giving up delicious food during our fast so that we can focus on God, preparing our assignments and book reading, praying and learning to hear from God, etc. No pain no gain! Ultimately it is so that we can enjoy an intimate relationship with our heavenly Father.

The assignments and book review has helped me to understand about our God and I believe everyone has received something from God who so love us and want to bless us abundantly. So what are you waiting for?

It was a privilege and a great blessing to be part of College of Prophets (COP) batch 6. I learned so much from the lecturers and the subjects they taught. COP has equipped me to teach and preach the word through hearing the voice of God. I thank our Lord for Rev. Dr. Steven Francis who encouraged me to take up this course, taught us the wisdom and knowledge from the word and from experiences.

Thank you Lord for bringing me to COP. Without you I am nothing.

Remah Diamante Jesus My King Church

I joined College of Prophets (COP) batch 6 to help me become the person God wants me to become. My heart is to serve God. I learned and experienced God in different ways in this course that could help me use the gift as well as to activate the gift of prophecy in my life. I was empowered by the teachings of the lecturers and learned more things about God. They also encouraged us to be a good servant of The Lord and to be a prayerful person.

I would like to thank God for leading and guiding me through COP. Also, I want to thank Rev. Dr. Steven Francis for teaching and imparting his experience and how to stay humble. In addition, I also learnt a lot from my classmate's experiences and they encouraged me to move forward to pursue Gods calling! Praise God!

When the LORD directed me to the College of Prophets (COP), He showed me that this will be the place where He will fill and strengthen those gaps or areas in my life where I am weak in. So that I can overcome the hurdles and that have hindered His complete plans and purposes from being fulfilled in my life.

During the course, I was constantly reminded of the way the LORD had led me through the Holy Spirit for the years that I have been walking with Him. I am forever grateful to Him.

I am also reminded that regardless of what we are doing for the LORD, the Spiritual Disciplines are vital and keys to knowing and doing the will of GOD, for the Glory of His Name.

Shirlin Lai Bethesda Bedok-Tampines Church

In the beginning of year 2014, I prayed to God for a breakthrough in my life with a desire to grow deeper in His Word. My church mate approached me and encouraged me to join College of Prophet (COP), if I really wanted a breakthrough in my life.

Through the course, I learned the importance of the discipline to praise and worship our Heavenly Father with a greater reverence, and to fast and wait upon the Lord. I am motivated and inspired to pray in the spirit for a longer time than I could have before.

The teaching by the anointed lecturers has provided me with a better understanding of the Bible and enhanced my spiritual life. I thank the lecturers for teaching me and sowing into my life.

Jess Kok Paya Lebar Methodist Church

Thank you Jesus that with your help, I am able to complete the course with the College of Prophets (COP)! I was encouraged to join COP after reading Rev Dr Amos Jeyaratham's sharing on God's Word in Ephesians 1:17-21; "we ourselves are to be positioned together with Christ as the head, far above all principality, power, might and dominion before we bind, loose and exercise the keys of the kingdom". I desire to be positioned with Christ as my head!

Thank you God for all your faithful servants (the Lecturers) who have diligently fulfilled their Call to teach, guide and empower us. Their intensified teaching and sharing of your Word has transformed my life! I feel honored to be their student.

My greatest achievement is fasting and praying, which is also a basic discipleship lifestyle and will continue to spend time waiting upon the Lord. Before joining COP, I did not know how to fast and did not think much of it due to gastric problems. But today I proclaim Victory over fasting and praying as it deepens my intimacy with God. Also, the impartation and anointing of the Holy Spirit empowers me to a higher level of spiritual maturity that enables me to be good steward of the spiritual disciplines. All these training has equipped and shaped me to fulfil all that God has for the purpose in my life. All for the Glory of God!

Amanda Lim RiverLife Church

College of Prophets (COP) has set my life on a course to discover God. In the structured classes, I am given many opportunities to learn and hear from ministers who have carried their cross to pursue the richness of Heaven.

Undiluted testimony and courage were modeled for us to follow. The teaching of living a pure life for God is upheld by the uncompromising truths of the Bible. The prayer log requirement has transformed my prayer habits and character, ushering me into a new season of growth.

This 8-month course is needed beyond our weekly church service. COP seeks to nurture us into seedlings ready to sprout forth in God's goodness. COP has truly poured into me rivers of blessing through the teachings.

Lisa Lim Jesus My King Church

It was at a critical juncture of my life that the door to be part of the College of Prophets opened up for me, and I believe that this was divinely orchestrated by my loving Heavenly Father, and in His perfect timing!

Through the various sessions, the depth and breadth of the teachings and sharing of spiritual life experiences certainly stirred up longing within, for more of God's divine influence in my heart and life. I became a "believer", in the truest sense of that word as faith grew. As I learnt how to condition my heart to hear from God and to strengthen the inner spirit man with the Word and through prayer, the Holy Spirit ministered to me and set me free from many of my deep-rooted fears and lifted burdens which had plagued me for years! It amazes me that

God could change a person like me so much within a few months - indeed, nothing is impossible with God!

A huge thank you to Pastor Steven and the team of lecturers for their faithful commitment and love for the Lord, which has impacted me in ways I wish I had the words to describe!

I praise God for Pastor Steven Francis and all the saints for the work that goes into the College of Prophets (COP). I thank God for all the lecturers who, in sharing their lives (tested, tried and faithful in their call to serve God) taught with passion and devotion unreservedly, and desired for us to know and experience God more than they have. I am spiritually inspired by the ways, the truths and the lives that God displayed in each one of them and that nothing is impossible with God for those who believe. And I believe.

I am going through a transition period and know that God has a new assignment for my life. I felt lost in this transition and realized the great need to tune my spirit to hear God in preparation for what He is leading me into. Through every lesson my spirit man is refreshed and awakened to the new things that God has put in my spirit. The lecturers impart with anointing and empowered testimonies of their walk with God, and they minister the Word. At an exponential rate, I find myself being realigned progressively with God as I apply the lessons for the course in my life.

I give glory to God for the new experiences in my Word life, prayer and fasting, worship life, waiting upon God, hearing from God, sensing and valuing His Presence, revelation and discerning the truth from the counterfeit, resting on His goodness and entering into a new level of intimacy with Him. I humbly thank God for the spiritual breakthrough even more as I continue to seek and desire more of Him. The spiritual blessings far outweigh the time and effort put into various coursework and the assignments.

2 Chronicles 7:14, "if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sins and will heal their land." In these end times we are living, God is preparing His people and the church as the bride for end time ministries and the great white harvest. The College of Prophets is one mandate of God for equipping and preparing his people to be 'God's special force in God's service' for end time ministries with His anointing and empowerment.

David Shawn Michael Jesus My King Church

Joining the College of Prophets (COP) was a natural step for me in growing myself in the prophetic. However, it has surpassed all expectations and has helped me to also grow in the supernatural realm. Praying, fasting and reading books for assignments are requirements for the College of Prophets, and it has helped me to develop these skills as a lifestyle. I am very thankful for the guidance, wisdom and revelations that have been imparted from the lecturers to us, students.

It has been also a wonderful time of making new friends and learning how to serve God together as a body of Christ. The hunger to know more of God is growing within me and I will always give glory to God for the flame that has been ignited within me through COP. All praise to God!

Bernadeth Mosquera Cornerstone Community Church

God put in my heart to study deeper His Words so I began to look for a bible school. I cannot afford to quit my job. So, as I looked around, I found that the College of Prophets (COP) offered night and weekend classes. At COP, I am always moved by the anointing of the men of God, as they are all filled with the Spirit yet very humble.

God has laid it on my heart that, once you stop learning, you will stop growing. I've learned so much from COP, and I became more excited every time I'm reading the bible because I know that God will give fresh revelations.

Psalm 37:23 (NKJV) says, The steps of a good man are ordered by the Lord, And He delights in his way. Follow God, and follow your heart. This is my new quote that will bring contentment in one's life.

I would like to thank God for bringing me to College of Prophets (COP) by divine appointment. The assignments, refreshing prophetic teachings and impartation that various lecturers gave, stirred my heart to hear God's voice, to know my Father's heart and to grow in intimacy with Him.

I would like to express my gratitude to Rev Dr Steven Francis for unselfishly sharing his vision, his time, experiences and knowledge that has greatly blessed many at COP so that we may rise up to where God has called as Warriors of Jesus during the end-times. All glory to our almighty God!

Ong Chiau Ho Church of Singapore

When I first learnt about the College of Prophets (COP) course, I thought it was a course to train those who have been called to be a prophet of God. However, I found out that having a prophetic spirit means being sensitive to the presence of God around me. This course is about grooming a prophetic spirit. The teachings are practical and draw from the rich experiences of the lecturers. We are often inspired, encouraged and challenged by the lecturers who want nothing more than to see us grow. Pastor Steven spent many hours imparting his vast knowledge of the bible and sharing his deep experiences of God with the class. The course structure enforces the spiritual discipline of praying, fasting and reading of the Word and by putting these into practice my personal walk with the Lord has grown by leaps and bounds.

This is indeed one of the best investments I have made and the past eight months have been a most fulfilling one in my spiritual journey. May the Lord continue to use COP greatly to build His army of disciples for His glory!

The College of Prophets (COP) has equipped me with the biblical knowledge that I need, during these end times that is slowly unfolding before us. I have discovered insights for myself, which I also share with my friends. Despite being a young Christian, I took a huge step in my faith by taking up this course.

The teaching was excellent and enlightening, although most of the classes were conducted in the evening I felt rewarded in my spirit because of the lessons that I have learnt. I also took this course because I am hungry for a better understanding for God's word, which is so mysteriously and beautifully written. I am very grateful for the time I had in this course, as well as for my classmates for who have journeyed with me for the past eight months.

Jenny Tao Zion Gospel Mission

I have enjoyed the College of Prophets (COP) lessons, even though it has been a challenging eight months of juggling the different responsibilities that I have (be it family, office, ministry and COP classroom and assignments). After attending School of Ministry and School of Leadership with Tung Ling Bible School, I was hungry for more of God's Word. I wanted to continue to equip myself with more depth in the Word of God. By God's divine appointment, He enabled me to be a student here.

During the months of lectures and research for my assignments, so much 'gems' were 'downloaded' into me. The Lord impressed Psalm 32:8 "I will instruct you and teach you in the way you should go; I will counsel you with my loving eye on you", each time I started on working my assignment.

Indeed, I see myself growing deeper in God and loving Him more. Every module is a challenges me to apply God's word in my life and ministry. I am now experiencing God more with the sensitivity of what He has activated in me.

Like in the metamorphosis of a butterfly - the cocoon that secretes liquid, softening the wall for it to emerge, so the Word of God did the same for me - circumcising my heart, ears, eyes and feelings towards His tender heartbeat.

As I continue to pursue Him and fix my eyes not on what I see but on what is unseen (2 Corinthians 4:16-18), I trust His new plans for me after my graduation and bringing me to another level of new season for His glory.

May Jesus be the centre of my life and everything of me revolves around Him. Amen!

Elaine Teo Pentecost Methodist Church

Being enrolled in the College of Prophets (COP) has been one of the greatest blessings in my life, after coming back to Singapore this year. Pastor Steven carries an incredible wealth of wisdom, knowledge and authority in his walk with God and in every topic that he covers in class. But behind the many inspiring testimonies he shares, I have learnt and seen throughout this course that it all comes solely from the deep intimacy he has with God - an intimacy that is a result of countless hours spent in the secret place with Him.

The students from batch 6 also come from various stages of life, and each carry with them different strengths and contributions to the class, but the same passion. I am humbled by the depth and hunger they possess, and love seeing how God works through the different age groups and different industries. They are so ready to apply what they have learnt in class, and are a constant motivation for me to press in for the deeper things of God. I am so thankful for COP, for all that God has been working in my life this season, and all the people he has placed to come alongside and run this race together.

Rachel Too Paya Lebar Methodist Church

I want to thank my Almighty Abba Father for seeing me through the College of Prophets (COP) while coping with the pressure of work and family. Through this course, I am privileged to study under qualified ministers with proven ministries, particularly Rev. Dr. Steven Francis. His passion for our Lord Jesus and diligence in the work of the Lord has motivated me to pursue the deeper things of God.

I am also very blessed to make new friends who are unique and passionate for Christ and His Kingdom.

In brief, this course has helped me to understand the importance of pursuing competency in the knowledge of God's word and the subjects pertaining to the various disciplines of ministry. Indeed, this is a course meant for warriors of Jesus for these end times, who will hear what the Spirit is saying to the Church and be more than conquerors through Him who loved us!

Seto Wai Seng Paya Lebar Methodist Church

I thank God for His grace and timing when I came to know about and attended the College of Prophets (COP). The lecturers have blessed me with their teachings. There is a deeper understanding in many areas - fasting and prayer, praying in tongues, and anointing. Essay writing and book reviews have benefitted me, as I have to reflect and analyze on what I have learnt from the lessons and read from the books.

It is a natural progression for me to take the advanced diploma because I have experienced, challenged, enjoyed and treasured greater intimacy with God through the course of the diploma. But I have realized that my assignments (which is the greatest challenge for me) are my actually testimonies of God's leading, goodness, greatness, milestones and interventions in my life which I have the chance to write about. It really made me believe that this discipling and mentoring experience is part of His will, promise and purpose for me as His son, growing in knowing Him.

I want to thank God for His sovereign will that His will is shaping the course of my life and for using College of Prophets; to arm and prepare me further while I faced my most recent wilderness and in facing war that is ahead of us. Praise the Lord!

I thank God that this Advanced Diploma in Prophetic Ministries has brought to my memory many things that I have learned in the past – those that I have long forgotten and those that I still remember. It has been a time to refresh my lessons, reinforcing them deeper into my spirit and finding ways to apply them. Of all the new things learned, I benefitted most from this course through the thought-provoking and reflective insights taught during the class. The question and answer time was also where I gained greater understanding. All these have helped me grow in my walk with God.

Esther Goh Jesus My King Church

Advance Diploma in College of Prophets is a course module that I would encourage many to attend. The prophetic teaching and training by various lecturers, revives my hunger for the Word of God and draws me to seek a deeper intimacy with Christ Jesus at the end of every module. I was fully charged and desired to learn more from the experience lecturers, hoping that the classes would not end so soon, even though three hours have already passed. I was also given the opportunity to participate in the Fiji and the Manila mission trip together with the team and Rev. Dr. Steven Francis. During the mission trips, I was able to observe and put into practice what was taught during the class, though at times corrective advice were given for area of improvement. I would like to take this opportunity to thank all the lecturers: Rev

Dr Steven Francis, Rev Aow Kwong Bu, Rev John Koe, Rev John Daniel, Dr Carol Yeo and Ms Jill Shannon for sharing their knowledge, skills and experience with us. God bless all of them.

Caleb Goh Jesus My King Church

College of Prophet (COP) has been a refreshing time for me. Listening to the teachings made me realize the importance of staying on course with God, pursuing Him wholeheartedly, moving into another level with God and above all, always falling back onto the word of God. Indeed His word is a lamp unto my feet and a light unto my path! Through COP, God has helped me shaped my mind and spirit, that I may align them to the path that He has ordain for me to walk, to wait, to run and to soar. Indeed His path plus His portion for my life is incomparable to others. To this end, I complete COP with a bold and loud 'Roar'!

Owen Goh Jesus My King Church

I thank The Lord for being able to continue with the advanced COP course despite my busy schedule. The faithful hand of The Lord continues to watch over me enabling me to attend the classes each time.

It is in this preparation season that I learn to trust The Lord, that each time I sit at His feet, my spirit man is being taught and nurtured in His goodness, for no word returns to Him void.

All glory be to God!

Michael Lee Jesus My King Church

2 Samuel 22:31 As for God, His way is perfect; The word of the Lord is proven; He is a shield to all who trust in Him.

When I face challenges at work, God reminds me of the words spoken by His servants in the College of Prophets (COP) lessons, and drops pictures in my mind so that I will be encouraged.

This gives me hope and helps me to be an overcomer, as promised in the Bible. By the grace of Jesus, I am able to put the Word of God into practice in my work place.

Indeed all these lecturers were sent by God to help me develop my spiritual growth in knowing Jesus as what God has spoken to me before.

I have to take responsibility to exercise the authority which given to me, which I learned from the COP. There fore, I decided to go on a mission trip to Fiji. This Fiji mission was a very great experience for me. I saw that there are many needs for this nation. Also, to my surprise the counseling skills that I have learnt from COP were put into practice in this trip. Many people were blessed and when we prayed for the sick, people were healed by the power of God. The word of God was released to them and many were touched by God's healing and miracles.

During this trip, this verse resonated with me: Matthew 9:36, When Jesus saw the crowds, He had compassion on them, because they were harassed and helpless, like sheep without a shepherd.

Ps Linda Ng RiverLife Church

Prior to registering for College of Prophets (COP), I was seeking the Lord in the area of developing the spiritual knowledge in the prophetic ministry as there has been a longing to be equipped and to grow deeper in the anointing of the Five-fold ministry. When I heard about COP, I was filled with enthusiasm and excitement. I knew that COP is the next stage of my spiritual journey as far as thirsting after the prophetic is concerned.

The subjects taught under the Advanced COP level were carefully thought-out and the lecturers are professionals in their own right. Each of them has been very inspirational and enlightening. Each shared from their heart and rich experiences and their personal journey which are indeed valuable. Topics such as the areas of the prophetic, counselling, spiritual intimacy, spiritual warfare and many others were explored and discussed. The lecturers were so sensitive to the Holy Spirit and the lectures were always filled with good illustrations, which were powerful and lively. The topics taught were not just about the prophetic ministry but the character and spiritual intimacy of a prophet. The Lord has used these 8-months course, to touch my life and develop depth in the prophetic anointing and knowledge. I have also got to know my classmates who are so fun and spontaneous.

Praise God for leading me into COP and I have been inspired, enriched in every way. I will definitely use whatever I have learnt in my journey into the prophetic and also recommend to others if they are also in this journey themselves, seeking more and more of the Lord. Hallelujah!

It has been a great season to sit at the feet of the tried and tested, seasoned ministers of God. A great place to learn and experience the anointing of the Prophet Office.

Thank you so much!

Amelia Yap Lighthouse Evangelism

I am thankful to our Lord Jesus for leading me to College of Prophets (COP) through the National Prophets Convention in Jan 2014. This resulted in a sudden shift in direction for my plans in 2014.

In spite of the Lord's leading, there were many internal struggles when I decided to register for COP Advanced, two Days prior to the Orientation. When my husband prayed with me for final confirmation the words that came were, "Go to College of Prophets by Faith, I will provide. Time is short. There is no time to waste. Expedite Training. Do not allow anyone to talk you out of attending COP Advanced....."

As we attended both COP Dip and Advanced Orientations, I was amazed and touched by Rev. Dr. Steven Francis' spiritual journey with our Lord Jesus and his testimonies of how Jesus My King Church, College of Prophets, Rivers of Life Ministries Ltd were birthed.

His obedience, unwavering faith and trust in Christ, perseverance, determination in his call to fulfill God's plan for his life was very encouraging. I felt that this is the kind of leader that we should follow, lead and live life by example.

I love the Church setting and environment. It is a very cozy, peaceful, comfortable place for class lessons. I was surprised that there is such a beautiful church in this remote area of Geylang.

As I took a step of faith and started my class, provisions came and my mission trip expenses was fully sponsored and provided. God is faithful. He met me at the point of my needs monthly. Hallelujah! Glory to God!

During the Prophetic Activation Class, Bro Clement and Sis Elaine were my prayer partners. The impressions, words and pictures they had for me were accurate. Bro Clement saw I that was speaking to a group of people. He also saw a lamb standing on a green patch of land full of green grass. Sis Elaine saw me in a village with little Asian children around. All had come to past in June 2014 mission trip. There were last minute changes in places and schedules, but eventually we visited an orphanage and 2 other villages where many children were around. I put into practice some of the things that I have learnt in COP classes in this trip too. This class had stirred up many prophetic gifts in the students. Very interesting with much laughter. Praise the Lord!

I had wonderful time with all my classmates and trainers. The lecturers are very anointed, gracious and humble. They were led by the spirit and taught from their hearts through their personal experiences, encounters with the Lord and their ministries. Their teachings had greatly impacted my life. I truly treasure the time I had in COP in this season of my life and would encourage many to come to this place to grow and be nurtured in their callings.

GREATER STRONGER HIGHER IN HIM

Angeline Francis

Dear Graduands,

Congratulations on reaching this important milestone in your life. Eight months of diligence and hard work has finally paid off. You are prepared in your

spirit, soul and body. Many hours of teaching, prayer and fasting has equipped you for the work of God.

Jesus is so proud of you. He has elevated you and is preparing you for the next chapter of your life. 1 Corinthians 2:9 says "What no eye has seen, nor ear heard, nor the heart of man imagined, what God has prepared for those who love him". So be ready to receive His gifts when you place Him first in your life.

Arise and shine with boldness! Demonstrate the authority and love of Jesus in your life and to others.

My prayer for each of you is from Philippians 1:6, "I pray that God will fill you with knowledge of His will through all the wisdom and understanding that the spirit gives so that you may live a life worthy of the Lord and please Him in every way, bearing fruit in every good work, growing in knowledge of God."

May God bless you richly and continue to lead you in victory.

Rev Dr Amos Jayarathnam

Dear Graduands,

Greetings in the precious Name of our Lord Jesus Christ!

With great honor and pleasure, may I congratulate all students graduating from the College of Prophets this year.

We are living in perilous times. Christians are hated, persecuted and also being killed. What kind of disciples is God raising in these times?

Jesus said in Matthew 24:13 that "he who endures to the end shall be saved". Jesus had already prophesied (V8-11) of all the dangers that will come to pass, but subsequently in V14, He says "and this gospel of the kingdom shall be preached in all the world as a 'witness' before the end will come".

What does it mean? Hence during these perilous times, Jesus is going to raise disciples who will rise in faith and boldness and they will operate in supernatural power with signs and wonders. In Acts 4:29, Peter prays that God give us boldness to preach the Gospel. Peter had raised a lame man and five thousand Jews got saved. The authorities had threatened them not to preach the Gospel. But Peter was not fearful, but prayed for boldness. God moved among them with supernatural power.

Therefore, may I encourage you to prepare yourself in this season:

- Build a strong consistent intimate prayer life.
- Train your spirit to hear from God accurately.
- Be willing to obey God unconditionally.
- Move in the gifts and operate in the supernatural.

May I once again congratulate all students and may His supernatural power and divine nature possess you. 2 Peter 1:3-4.

Rev Yang Tuck Yoong

I would like to congratulate the 2014 graduating class of the College of Prophets. I am certain that your time in the college has sharpened, fine-tuned and made you more sensitive to the Holy Spirit. I like to take this

opportunity to drop a little nugget to you in this short exhortation and that is to remember that each time you hear a New Testament prophet speak, you should not hear a pre-Calvary voice but a post resurrection voice. It should be a voice that opens you up to both the favor and the grace of God, and it should prepare you to overcome personal obstacles in your life. May you experience a continual flow of the prophetic upon you and may you be like the sons of Issachar, those who knew the times and seasons and what the nation of Israel ought to do.

Dr Carol Yeo

Dear Graduands,

My heartiest congratulations on the completion of your course! You have completed an

important phase in your life when you set apart time to draw more closely to the Lord God Almighty. May the voice of Jehovah Rohi, your Good Shepherd, be more and more distinct as He guides and leads you, and walks beside you in your journey. He has said, "I will instruct you and teach you in the way you should go; I will guide you with My eye" (Ps. 32:8). Be assured that He is with you always even to the end of the age (Matt. 28:20).

God will provide manna when you climb the mountain, streams when you traverse the desert, and springs when you descend into the valley. He will go before you and make the crooked places straight and the rough places smooth (Is. 40:4), break the gates of bronze and cut the bars of iron (Ps. 107:16). As you labour to overcome daily challenges, the holy calling of God for your life will become clearer and clearer. May you be strengthened with might to walk the path He has destined for you to the glory of God!

Blessed be the name of our Lord Jesus Christ!

Congratulatory Messages

Ps Isaiah Mahendran

To the Graduands of College of Prophets 2014,

Congratulations on achieving everything that you had set out to do.

I feel for each one of you especially as you would have sacrificed your time and energy into devoting yourselves to finish this course.

Although this is my first year with you, I sense that this College has prepared all of you for the greater distance that is left to run as you strive to finish the race set before us. Yet we are not alone. There is always the overwhelming presence and encouragement of the Lord overlooking us not only as a group but also as individuals. We may come from different backgrounds, but we have the same common goal.

May I encourage you then to look at one another as fellow watchmen, as fellow warriors, upholding each other with love and prayer and in truth, to look out for each other's success, and to guard each other against the onslaught of the enemy.

May His abundance be found in each one of our lives.

Rev Samuel Gift Stephen

Dearest Graduands,

Time is running out. The Call for an Elijah Generation to arise and prophecy is echoing around the world.

I want to commend you for arising to that call to be equipped in the prophetic and send out to be a catalyst for transformation in your sphere of influence. Well done! Now Arise and Shine! Raising a Prophetic Generation.

Vivien Hoi

Dearest Graduands of COP Batch 6,

You have put in an immeasurable effort of sacrifice and diligence to complete these seven months of

acquiring Biblical and Prophetic knowledge and skills.

It is truly a joyous occasion for me to see each one of you being rewarded for all your perseverance with your Diploma/Certificate from the College of Prophets. Hence, it is with full confidence in you that I exhort you to continue to put into practice all the prophetic training you have been equipped from the College into the practical ministry in the churches that you are serving.

This is but just the beginning of your prophetic journey in life and may you press in to continuously seek a deeper intimacy and revelation directly from our Lord and Saviour, Christ Jesus.

"Follow the way of love and eagerly desire spiritual gifts, especially the gift of prophecy"
1 Corinthians 14:1.

May you be granted the greatest honour of standing in the Council of God in order to deliver His end-time message faithfully to your generation (Psalms 89:7; 107:32).

Congratulations on your successful graduation from the College of Prophets.

Viji Torai

COP Manager

Beloved Graduands

From the heart of the Course Manager:

We celebrate four years of equipping students to rise up to fulfill the destiny that God has called them. I would like to

thank God for giving me such an awesome opportunity and responsibility to be the course manager which truly blessed me all through the months. I thought I had so much to give, in reality, I received and learnt so much. God has been faithful in His commission to College Of Prophets.

Praise God we take great pride in where we are today, and we are committed towards providing students with skills that lasts a lifetime for ministry in the kingdom of God. College of Prophets has made tremendous progress in all areas and we give all glory to God. In 2014 we introduced new topics in line with the revelation given to Rev Dr Steven Francis for this time and season. One such example was on "Prophetic Activation" and students had first hand experience of how to prophesy and to give a word of knowledge and wisdom. There were role plays to sharpen their prophetic gifting. Another successful initiative was an outreach event organised and executed by students for pre believers through movie screening.

To the Graduating Students

Firstly, Congratulations on your major accomplishment! May God's graces be with you as you step ahead towards your dreams. May the Lord bless your steps and watch over you.

To complete 8 months part time study is a big deal. It's not always easy, to rush from work, stay awake hours of the night to catch up book reviews, work on assignments and complete hours of prayers and fastings, in order to earn diploma or advance diploma. You sacrificed one evening a week to sit under the prophetic teaching of the Word and to be equipped to be trained for serving in the ministry. You deserve some kudos!

Secondly It's a new season...as you move on to serve him. Continue to grow and use the gifts and talents God has given you. Pray for the Lord to open doors for you to fulfill your divine purpose and calling. Stand strong, stay on the pathway God has ordained for your life! Reap the fruits of your efforts and hard work! May God be with you every step of the way as you continue your life's journey.

Thirdly, Stay humble. This will not be easy. The enemy has many strategies to cause downfalls through pride. He will bring awareness of own amazingness, he will flatter. After all, we are graduates with prophetic knowledge and zeal – right? Don't be wise in your own eyes; stay small. The Lord guides and leads you, as He opens doors for you which no one can shut, as He gives you favor and causes for you to succeed. Rest in the Lord and in due time, He will exalt you.

Moving Forward...

We see new challenges ahead in 2015, but God enables us to look forward to greater accomplishments. We keep an open door policy and continuously working to be better. We welcome your ideas, deep support and constructive feedbacks – now, more than ever. We again invite you to stay in touch regularly by visiting the COP facebook website.

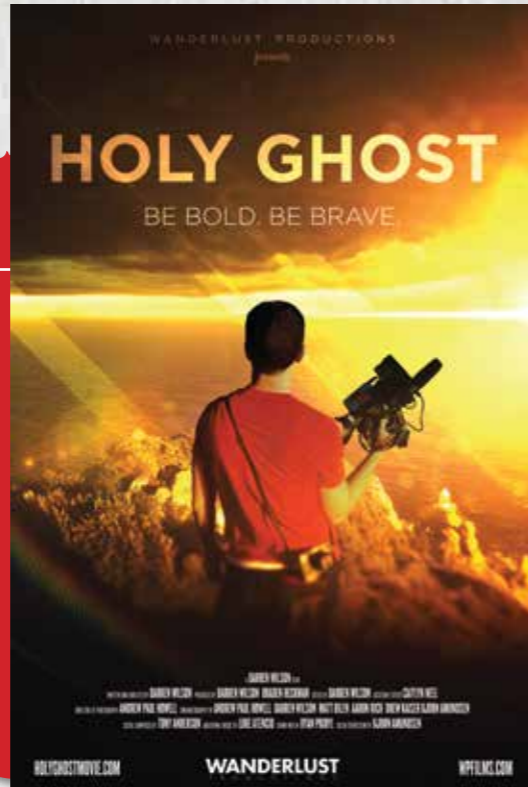

Prayer

Father, I thank You for all the graduates of College of Prophets. May they live for your praise alone, strong in the Lord and the power of your might. Knowing that in due time, You will exalt them and use them as warriors for Your glory. In Jesus Name. Amen.

Background

The movie screening of the documentary, Holy Ghost, was organized by a student from the College of Prophets (COP), as part of an outreach initiative on the 13 September 2014.

This event presented a unique opportunity to our students to pour their passion into sharing the goodness of God through the events captured in the film. Through this opportunity, the COP students learned how to utilize a different medium for evangelism, and it was a platform for us to apply the skills and techniques learnt during the course. This documentary opened our eyes and hearts as to what Holy Spirit desires to do in all our lives.

It was very heart warming to see that many of those who volunteered were COP Alumni who remain engaged with the college activities. Recognizing the potential for greater student involvement, the College is planning to formalize outreach activities into the curriculum in 2015.

There are 3 other films that could also be shown, which could leave a deep impact on a pre-believer or the Christian. They are Finger of God, Furious Love and Father of Lights. Also, Holy Ghost 2 will be released next year showcasing the ministries in Turkey, Greece, Brazil, South Africa and Rome.

Project Scope

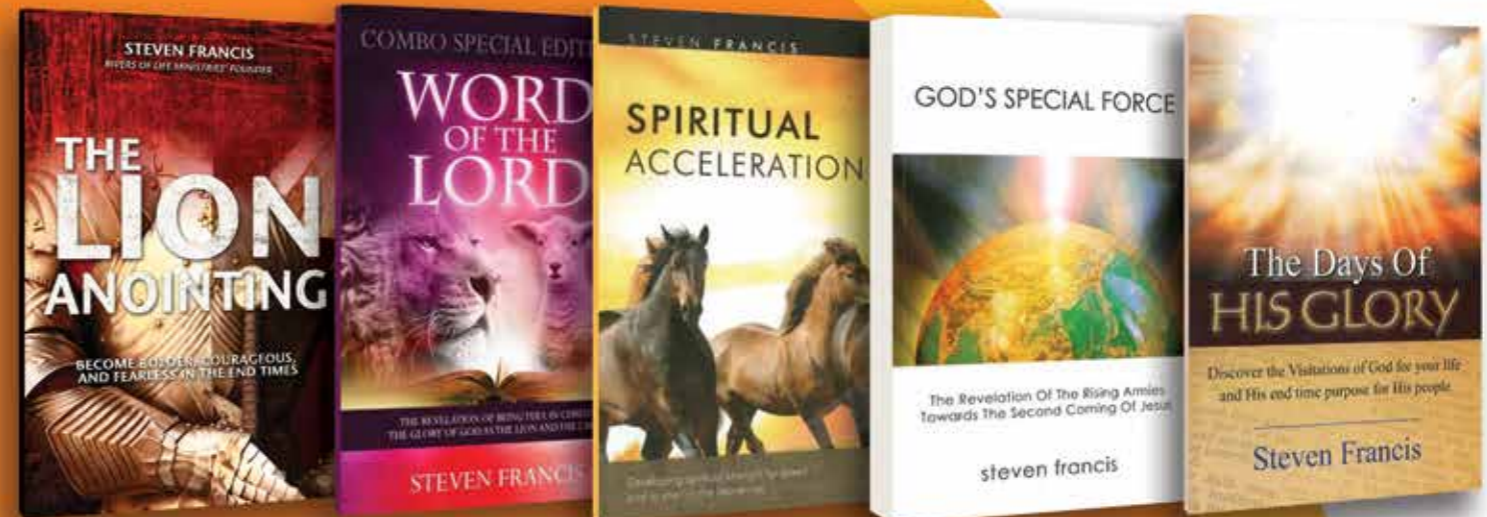

81 members attended the event, including pre believers. Rev. Dr. Steven Francis gave the altar call, and many stepped out for prayer.

Results

The participants enjoyed the movie, and many have asked if there would be a re-screening of it. Some of them were asking when the next film would be screened. There were also requests to buy the film onsite. Amanda had to direct them to the film website. Some have also expressed that they prefer watching it at church rather than at home. If we are going to continue this outreach platform, an altar call and some sharing will be appropriate in a setting like this.

There can be a review of the ways in which we can organize this in the future. We could organize it as a mini-movie screening event, and charge a small fee for the people who are keen to attend. This will provide for more accuracy in the numbers and also cover some of the basic costs. There were people asking about ticket prices when the initial email blast was sent out. This might also encourage others to come as they have committed to the ticket. The pre believers might also find it more comfortable as it is not given to them free.

Be Trained Prophetically By The Prophets

Now is the time for the prophetic company to rise up. We have been called to sound the trumpet and prepare the Bride for the coming of our Lord Jesus Christ.

With this burden, a team of ministers who are highly trained by the Lord have been assembled to equip the saints and to build up the Body of Christ (Ephesians 4:12).
