Dear Partners and Friends of Rivers,

I greet each you precious saints in Jesus Name. At the beginning of this year, as a team, we felt a strong stirring that we should, "Think Big, Resist the Small." Accordingly, the Lord is expanding His grace and strength upon each one of us to fulfil the mandate that is given to us.

Thinking Big is easy if it was just a thought. The challenge begins when we follow the leading of the Holy Spirit to add our faith into the action of expansion.

Together we learned, that our faith needs to expand together with prayer. People's commitment to serving needs to expand. The church leaders need to be taught to expect BIG things for God. This is what I have also learned. It is easier to say we do expect BIG things from God, without adding any faith to our action. William Carey exhorted, "Attempt great things for God and expect great things from God."<sup>1</sup>

The challenge is not expecting God, for God can do great things anytime. It is in attempting to do great things that challenge our faith, whether we mean what we pray. For every prayer of faith and prophecy of blessing must be accompanied by the corresponding action of faith.

This year there was more significant growth in our ministry. More outreaches in various nations and we have embarked on church planting. The Lord has opened big doors to minister and has given favour with senior ministers in different nations.

I thank the Lord for the ministry of various ministers who have ministered into the life of our church. The Lord prophesied about expansion and challenges through them. Significantly, the church was edified by the ministry of Sadhu Sundar Selvaraj in Jesus My King Church. His revelatory teaching and God-fearing ministry released the presence of God among all who came.

We have planted a new Tamil church in Setapak, Kuala Lumpur, Malaysia and in Singapore. There are two additional staffs included in our church administration team. Church leaders are being trained to cater to the growth of our church. Church attendance is growing by the Lord's grace as He Himself is adding to the numbers. Growth is exciting but the stretching is demanding. Jerry Savelle wrote, "The reason people miss opportunities is that they come dressed in overalls, and they look like work."<sup>2</sup>

One of the early prophecies received from the Lord about our church was that the Lord will use us as a pioneer in the prophetic church ministry. Dr Jack Hayford exhorted a "local church to be with a Kingdom mindset and mission – the church that will make a difference, not just "draw a crowd".<sup>3</sup>

It takes a life-long passion to the will of God about a church. Wayne Cordeiro wrote, "An irresistible church is not a perfect church. Rather it is one that is constantly aligning itself to pleasing God. It is a people who position their hearts carefully and deliberately with the tenets of the kingdom so that God is pleased to work in unrestricted ways. God is irresistibly drawn to a church where every activity, every plan, and every leadership decision clearly displays His heart."

I and our leaders are committed to pleasing God all the way through. I encourage you to embark on this journey, "so that you may live a life worthy of the Lord and please him in every way: bearing fruit in every good work, growing in the knowledge of God" Colossians 1:10 (NIV).

May our Lord Jesus bless you.

## Jesus looked at them and said, “With man this is impossible, but with God all things are possible.”

Matthew 19:26 (ESV)

**T**his year has been a year of challenges, yet we saw the power of God leading us in impossible situations to show Himself strong on our behalf (2 Chron. 16:9 – KJV). Our international ministries outreaches and church planting efforts grew to touch thousands. So is our expenses. Our church is experiencing growth. There has been a stretch in all aspects of the ministry and people. So is also our commitment to keep in step with the Spirit (Gal. 5:25).

We surrender our hearts in worship and wonder in the flesh, “Is this me, Oh God? Are we pushing the church to grow on our own?” The answer that keeps ringing in my spirit, “This is God.” With the ministry travels the Lord has commanded me to travel, at times I feel overwhelmed but the invisible hand of God does the impossible. I thank God for a strong leadership and ministry team as well as a committed congregation that stands together to fulfil the call of God upon our lives.

### Just Do What God Says – Not Man

The scripture says, “With man this is impossible.” We can put the best possible mind, can it match to the mind of Christ? We work hard in trying to make the church grow or attempt “by faith” without the Holy Spirit’s directives, we will experience frustration and barrenness in church ministry. It is a lesson of faith and obedience as we learn how to follow God in these end times.

Just do what God says! We are still in the learning journey of this lesson of faith and obedience. Prophets are called to hear first then walk in faith and obey. So must a prophetic church be. The Old Testament reveals the involvement of God in the lives of the prophets and the nation of Israel through the appointed kings. God always directed them. In the Book of Acts, we see the signature of the Holy Spirit in leading the apostles.

We have to struggle at times to discern to know the difference between man’s opinion, God’s guidance or even His silence. What is God saying to us? We tend to associate the present circumstances and compare them to the Word of the Lord? Did we hear from the Lord rightly?

In Acts 27:23-26, Paul was visited by an angel of the Lord that the ship they were on will run aground. Paul then warned the sailors, only those who stay on the ship will be saved (v31). Imagine the

difficulty of the moment. The ship ran aground. People jumped into the waters. Paul reminded the people that unless they stayed together with him, they would surely die. The sailors who stayed with Paul survived. God brought them to Malta for another adventure.

The Apostle Paul kept reminding them to obey the instructions of the angel. In other words, "Just do what God says – not man." We are many times challenged by the modern day lifestyles. People and believers alike get stumbled by the various temptations and choices offered to them. Why can't we stick to what God says? What is God speaking to you? Obey the words of God and follow His path of blessings.

God's laws do not change regardless of how costly the challenge is. The power of the Lord will be present in our life when we follow the words of God.

The possibilities of heaven are available to those who obey the Word of the Lord. Faith laughs at all impossibilities. We need to develop a tenacity of courageous faith. Believe God and walk in His promises. That which God promised, He will fulfil it (Heb. 11:11). The father of faith Abraham and Sarah experienced such a miracle despite their barrenness. God promised them a child (Ge. 17:15-27). Against all hope, Abraham has hoped (Rom. 4:18), he did not weaken in his faith when he considered his own body (Rom. 4:19).

The Bible says, "No unbelief made him waver concerning the promise of God, but he grew strong in his faith as he gave glory to God, fully convinced that God was able to do what he had promised." (Rom. 4:20-21).

To walk in the supernatural possibility requires a conscious faith. It is an effort to have hope above doubts and choosing not to consider what we do not possess now instead become so convinced that God is able.

# ALL THINGS ARE POSSIBLE!

Rev Steven Francis

## An Upgraded Walk into the Supernatural

"With God all things are possible." "With God" – a relationship based supernatural life. God's miracles are activated only when we are connected to the Head of the Church. The Lord is calling us to upgrade our faith walk in Him. Let us pray more, trust more and fast more.

In Mark 14:36 – Jesus prayed, "Abba, Father, all things are possible for you. Remove this cup from me. Yet not what I will, but what you will."

**Meditate the beauty of the relationship Jesus has with Father God. This is the secret to obedience. A relationship based obedience to fulfil the will of the Father (Jn. 5:19). Our Lord Jesus, not only heard from the Father but also saw visions of how He must go about doing His ministry for the day.**

We are going to see the display of the supernatural power of God. I choose to believe God to provide for our finances, equipment, facilities, and people to fulfil the purposes of God. Let us trust and believe God to bless our families that as a family we will pursue God and serve Him. We pray blessings on your marriages as you honour the Lord that your homes may become a lighthouse of heaven.

I choose to lead the church and the ministry to walk by faith and not by sight (2 Cor. 5:7). We will resist the small-mindedness and think big. We will trust God to live and experience the full potential of the anointing God has entrusted upon our lives. May our sanctuary become a visitation place of encounters for the people of God.

It is time to believe, "All things are possible with God." Lord, enable us by our grace to follow You.

**MAY THE LORD BLESS YOU ACCORDINGLY.**

## BUSAN AND SEOUL 18-20 June 2018

### BREAKTHROUGH

On the night session of Busan conference, I saw a great fire from heaven when Pastor Steven Francis was on stage. After his message, he led all of us in prayer to pull down strongholds ruling the city and after which, we felt the breakthrough from the Lord.

Sister Christine Koo

### FATHER'S HEART

When Pastor Steven was teaching a message "Living by the Holy Spirit, I realised that I should be changed to follow the voice of the Holy Spirit not by my circumstance or by my feeling. I must train myself to listen to what the Lord says. In this school, I felt pastor Steven's love as a friend and a father to many of us. I desire to have the same heart, to love and have a big heart like our Father God in heaven.

### AWAKENED

When I listened to the message of Pastor Steven, I realised that this message was so real and special which I've never heard before. Every session of the School of Prophets awakened my mind, which helped me transform my perspective from worldly view to God's view like the eagles. And from the message of Pastor Steven, I made a decision that I must be committed to Jesus with all my heart. Thank you, Pastor Steven!

## ENCOURAGEMENT & REVELATION

The Lord brought Pastor Steven Francis and his wife Angeline to minister in Kobe, Japan with Pastor Kazumasa Inagaki and his wife Naomi. They pastor the Kobe Full Gospel church in Kobe.

This is the testimony from Pastor Naomi Inagaki, "We were very blessed to have Pastor Steven Francis and his wife at our church. Through him and his wife, Angeline, we have received a strong encouragement and revelation from God. We believe God has sent them to us at the right timing to deliver His message."

Pastor Steven Francis and his wife also traveled to Osaka to minister in two churches there. They ministered in 'Living Jesus Church', whose Senior Pastor is Rev. Tetsuya Matsudaira. The presence of God was strong as the Lord revealed the controlling spirits in Japan.

## FREEDOM IN OUR HEARTS

As Pastor Steven Francis led the church to pray prophetically, he said, "I felt something under me. It was so real and I stumbled. I opened my eyes and under my feet was a large dragon that just moved as we identified that spirit. The prayer became intense. There was freedom in our hearts." Rev Matsudaira agreed that he felt the presence of God too.

They then ministered in another church, 'God's Love Christ Church' pastored by a dear sister, Pastor Maki Ichikawa. There were many senior citizens in that church. When Pastors Steven prayed for them prophetically, tears streamed down their cheeks. The love of God became very real to them.

This is the testimony of Pastor Maki Ichikawa, "The prophetic words that were shared at our church by Pastor Francis were spiritually accurate and encouraged the people. We hope the eyes of the Japanese be more wide opened and be ready for spiritual matters for the sake of our Father in heaven."

Hosted by Ps Kazumasa Inagaki and his wife Naomi.  
Coordinated by Dr Kim (Seoul, South Korea)

Pastor Steven Francis said,

**"For more than 18 years I have prayed for God to open doors to Japan. Only now the Lord permitted me to enter Japan. His time is always perfect. We thank God for Dr. Kim from Seoul, Korea to invite me to Japan."**

The Pastors were touched by the prophetic anointing and in April 2019, a bigger conference will be organised in Japan.

### 3 DAYS OF GOD'S EVIDENT POWER

Ps Steven Francis and his wife, Angeline Francis, together with Rev John Daniel, Ps Anthony Rayappan, ministered in Bangalore for a 3 days SOP (School of Prophets). There were about 60 students involved in the class and most of them were young adults. The power of God was evident in every session as the lecturers were focusing on the importance of the spirit man and the heart of hearing the voice of God.

3-day intensive prophetic training to accelerate your spiritual understanding, maturity and intimacy with God.

### PRACTICAL LESSONS FOR THE MARKETPLACE AND LOCAL CHURCHES

Practical subjects such as: "How to Flow in The Gifts of Prophecy", "Difference Between Prophecy and Prophets", and "Knowing the End Time Purposes of God" are a few of many practical lessons the students learned and received from SOP. Many testified that what they have learnt can be used in the marketplace and their local churches. I praise and thank God for using us to be a blessing to our Indian brothers and sisters in Bangalore.

# MYANMAR

1-5 December 2017

It was amazing how our spirits could receive and bear witness to what the Lord was saying and doing despite the language barriers.

### CHRIST'S GENEROSITY DEMONSTRATED

On 1-5 December 2017, eight of us went on a mission trip to Myanmar to give to those in need and to share about our Lord Jesus Christ. We visited several community mission centres where we distributed school supplies such as school bags, stationeries, school uniforms, and snacks to children. Seeing the smiles and joy on their faces brought much warmth to our hearts, knowing that the generosity of Christ was being demonstrated. They were contented with the little that they had and were enjoying every moment of it. We shared with them stories about Jesus, and the presence and joy of the Lord was constantly present among us.

Hosted by Ps Peter Myo Zaw

### JESUS BE GLORIFIED!

We witnessed many miracles throughout the trip and the Lord moved mightily among the children, youths, and the adults. It was amazing how our spirits could receive and bear witness to what the Lord was saying and doing despite the language barriers. I believe many hearts were touched and lives impacted as the Lord Jesus was being glorified.

## YIELDING TO THE HOLY SPIRIT

It was a memorable and enriching mission trip for me because I saw how God could use anyone He wants, as long as we are willing, obedient, and humble. I too experienced a mighty healing manifestation of God for myself, not to mention the power, glory, and wisdom of God on new levels. Furthermore, it was a time of sharpening and training out in the mission field. He was tutoring me to be yielded and sensitive to the Holy Spirit, and to not focus on what I could or could not do. I have been stretched, I was out of my comfort zone, and I am trusting God to continue to transform me through the mighty working power of the Holy Spirit!

## THE GREATEST GIFT IS LOVE

"Speak only when spoken to, do only what God tells you to do, go only where He wants you to go, and in the right time He'll tell you what you need to know." This quote has impacted me greatly and continues to be a daily reminder. Just as Paul emphasised in 1 Corinthians 13:1, the greatest gift anyone could ever give and receive is love. This should be the ultimate goal and motive of our hearts. I thank God for His provision, grace, and protection during this trip, which has enabled us to share His heart and love in many ways, using us as His instruments to direct precious ones to our Lord Jesus Christ. All glory to our Faithful and True God!

# KING'S GENERATION SET APART YOUTH CAMP

22 June 2018

King's Generation held its 2018 Youth Camp on June 22nd, with the theme: 'Set Apart'. It was based on Ephesians 2:10, which speaks of being spiritually transformed, being ready to be used for good works, and to be fully consecrated for the glory, kingdom, and purposes of God.

Jemimah shares her thoughts about the camp: "I really enjoyed myself in this youth camp as all of us were able to bond even more outside of church... I really enjoyed the prayer walk in Orchard area praying for different issues in Singapore, which I feel will help our nation prosper because God hears every prayer from us... At Aloha Loyang, in one team bonding game I was drenched while protecting and defending the tower my team had built (using newspapers) against the opposing team.

This activity taught me that the stronger brothers and sisters in Christ should help the weaker ones and protect them from the enemy even if it is challenging. In this way, no one will get left behind and the enemy will be defeated."

In the evening, the youth encountered the presence of God during a time of the Word and worship. Many experienced His love and were convicted once again to live fully for Him.

Jemimah shares: "We worshipped and the presence of God was very strong and I'm sure all of us felt it. Most of us were crying as our youth leaders prayed over every single one of us and as God touched our hearts. I definitely felt God speaking to me throughout the entire camp."

We would like to thank our fellow labourers in ministry who helped us with the funding, lodging, and worship at this camp. We give all glory to God and look forward to more "fun" and "faith" moments with our youth in the days to come!

# SUNDAY SCHOOL

Sunday School, where most of us start our learning journey with Jesus and our Christian walk, is a place where we place much emphasis during a child's spiritual growth and walk with Jesus.

Over the years, God has increased the Sunday School children from just 7 when we first started to 23 today, for it is He who draws the children to Himself.

We have expanded "upwards" to a newly built classroom located at the rooftop of the building. In this set apart space, the teachers lead the children in enjoying lessons, games and activities, without care of interfering with the church service.

It is in this gathering where the children are trained to be filled with the Spirit. We rejoice that most of them have seen visions and been taken to the throne room of God!

My heartiest congratulations to the students of the graduating class of the School of Worship 2018 on the completion of this course on worship. I am certain that you have gained much insight and had many significant moments during the duration of the course that would have caused you to obtain a deeper and broader perspective of worship. Surely there were mindset shifts that brought about shifts in paradigms in not only how you perceived worship but to how you worship as well. May you continue the journey of discovering the reality of true worship as you keep your relationship with the Lord vibrant and strong, not forgetting that "Genuine worship stems from the genuine knowledge of God".

Let everything that the Lord has revealed and done through the different lectures propels you to go for the more; worship Him more, desire Him more, serve Him more, live for Him more and most importantly love him more. SCHOOL of WORSHIP

Ruth Goh Brighton Community Church

In the past, I used to think that worship to God is just singing songs, so I used to come to a church service late to skip the worship time. In School of Worship, I learned how to love God through worship and to build my relationship with Him.

Shirley Salazar Christ The Living Stone Fellowship

I give all glory and thanks to our Lord Jesus for leading me to SOW. From the first day of our class up to the succeeding lessons, God has allowed me to grasp more revelations of Him and the glory of worshipping Him in every moment of my life. May God continue to bless JMK Church and all of our lecturers and may there be more students like me to be filled with God's glory.

Vasantha Kumar Jesus My King Church

For many years I used to believe that worship in church was merely a buffer time for the seats to get fully occupied before the actual preaching begins. How wrong I was. Worship is a lifestyle of holiness and being in close relationship with the true God. Worship is honoring God. Worship is a heartfelt relationship with God himself. Growing in intimacy with God. True worship involves changing from our old self to a new one as our heart posture changes.

I highly recommend SOW to every believer. It was wonderful learning about worship, on getting personal with God and drawing close to Him. Definitely a worthwhile investment to prepare ourselves for our time on Earth and eternity.

The King's College of Prophets journey has challenged, spurred, and revitalised my spiritual life. As I pen down what I've learned, assignment after assignment, I am humbled and grateful to see how much deeper my understanding and faith in God has gone. Thank you, KCOP, for your labour in God and in my life.

## Christine Goy

My thought patterns have been constantly challenged and realigned to the Word and to God's end time purposes during KCOP. I often leave the class with my heart gripped and stirred as the anointed instructors imparted in the Spirit. The instructor's walk with God has spurred me on and provoked a deeper hunger for Him. I thank God too for new friendships formed at KCOP. All praise and glory to my Lord Jesus for this season of strengthening and renewal in the Spirit!

## Bennerick Samson

Cornerstone Community Church

I first started KCOP as the Lord prompted me to make a commitment to set aside time to study the Word and to develop my prophetic skills and knowledge. At the beginning, it seemed a challenge to attend classes, to complete assignments, and to clock in time for fasting and prayers due to my work. Praise God, I have managed to gain the disciplines for morning prayers and reading the Bible more often than I thought I could ever have. My prayer life and knowledge of the Bible have improved; I am also reading more than I usually do. I am greatly encouraged and shall continue to make this a habit in my daily walk with God. KCOP has also given me a great opportunity to meet and learn from anointed lecturers and wonderful classmates.

## Daniel Ng Zhiyong

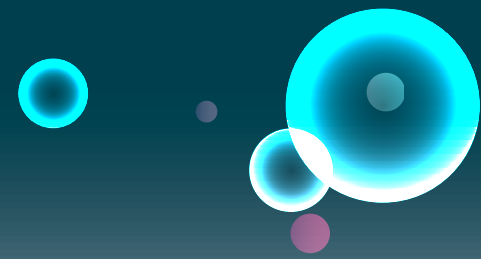

Bread of Life Singapore

I joined KCOP this year out of a desire to have a more intimate relationship with God. The Lord gave me the word "passion" at the start of 2018, and enrolling in this course was a step taken in that direction. Through this course, I've learned that intimacy with God is born out of a life lived based on the Word of God and on prayer. KCOP has created in me a new desire for His Word and to spend more time seeking Him. I am blessed to have received the impartation that the Lord had in store for me in KCOP.

I will never regret attending KCOP. Our lecturers are all well equipped and anointed to impart their walk with God to us. The school has surely deposited a good foundation in this prophetic walk, clearing many of my doubts and misconceptions about prophetic people. It has also provided guidance on how to avoid pitfalls in my prophetic journey with God. It is a worthwhile spiritual investment that I would recommend.

## Esther Banu

On the first day of class, a warrior angel with the height of the ceiling stood beside Ps Steven and looked at us. Just as Pastor Steven prayed during the dedication service, the Holy Spirit tutored us through His anointed lecturer, as the clay in the potter's hand in Jeremiah: 18:6. Through this course, I have learned how to build my character and how to walk with God as His end time warrior bride. I am also blessed to meet new friends. I thank and praise God for the King's College of Prophets, Ps Steven, and the team.

## Franklin Ponlight Jebakumar

I thank God for leading me to KCOP at such a time we are living in. Blessed to be with Pastor Steven Francis who is leading us to be the end time bride and to know the prophetic move of God. I've learned the discipline of the prophetic warrior for Christ, in preparing the Church for the Supper that awaits.

## Linda De Souza

New Covenant Sanctuary

Under the covering prayers and teachings of Principal Steven Francis and lecturers, I have learned to cultivate a prophetic lifestyle in my walk with Christ; daily exercising spiritual discipline by learning to wait on the Lord to hear His voice, fasting and praying, flowing in His wisdom and revelations, worshipping and ministering to my King, and serving Him where He leads.

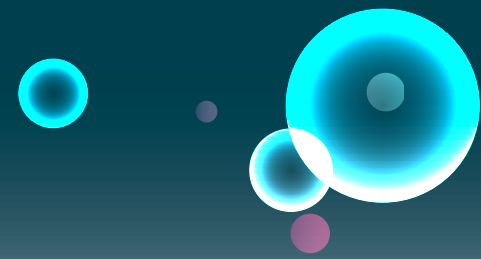

## Ng Kok Keong

This KCOP course came at an important phase of my spiritual growth as it has helped me to build a much deeper and more intimate relationship with God. The journey has also presented many enriching moments to share and exchange lessons learned with my third son, Daniel Ng (also attending this course).

# Congratulations from the Faculty

SET A TIME EACH  
DAY TO WAIT AT  
HIS FEET AND  
HE WILL REVEAL  
HIMSELF TO YOU.

You are precious and beautiful in the Lord's eyes. Your obedience to God and perseverance in finishing this course through His grace is indeed pleasing to Him. Praise God for His faithfulness as you have managed to complete all the requirements to graduate.

I hope you were greatly inspired by the testimonies, revelations, and teachings of the anointed prophetic lecturers; that your hearts were ignited with passion for Jesus. Continue to kindle the sparks to flames. The various subjects taught and the requirements for completing 80 hours of prayer, 14 days fast and 20 hours of practical ministry would have changed your lifestyle and your walk with God. You would have tasted the goodness of walking closely with Jesus during this course and I urge you to continue walking even closer in deep intimacy with Him.

In Rev 10:11 God says that we must prophesy about many peoples, nations, languages, and kings. God is willing to give and fulfill your desire to prophesy. Prophecy is all about sharing God's love. Walk in love, humility, and obedience. Guard your mouth as God wants to use us as His mouthpiece. In Micah 7:5 it is written that "we must guard the doors of our mouth"; we must not let our mouths be defiled so as not to taint our anointing. Guard your heart. "Guard your heart above all else, for it determines the course of your life," says Prov 4:23 (NLT). Ask God to give you the spirit of wisdom and revelation to help you live for Jesus in these last days. Wait upon Him. Set a time each day to wait at His feet and He will reveal himself to you.

"The LORD your God is with you, the Mighty Warrior who saves. He will take great delight in you; in his love he will no longer rebuke you, but will rejoice over you with singing." (Zeph 3:17). With this word, I congratulate each one of you with all my heart.

With love and blessings,

Steven & Angeline Francis

SO GO IN  
THE POWER  
OF HIS  
MIGHT

Congratulations KCOP graduates! I trust that you've had a fruitful time at the school and I am privileged to have been a part of your journey. I pray that the truths you have learned would be as the good seeds of the kingdom falling on good grounds in your hearts, and that they would eventually bring forth great harvests of righteousness unto God's purposes and delight. For that to come to pass, you must intentionally put to work every revelation that you have received, being a doer of the word and not just a hearer. The Gospel that our Lord has entrusted us with is a supernatural message that releases its power as you "GO", and preach it to the nations as commanded by Him. As you put the message to work, that's when power is released to heal the sick, raise the dead, cleanse the lepers and cast out demons! So go in the power of His might, to display His reality and love wherever you are. May many come to the saving knowledge of Christ and fall deeply in love with Him because of your lives and ministries!

KEEP ON  
BEING  
DILIGENT

Congratulations to the students on your completion of The King's College of Prophets Diploma 2018 course.

I applaud you on your commitment to seeing the course through to the end, knowing that it did require quite a lot from each one of you, juggling your work and personal schedules to give your utmost attention to this course. I am certain none of you would have regretted going through this course as you would have gained much from the different lessons taught. May I encourage you to continue to take time to review and further study the lessons (notes) that you have received so as to allow the Lord to establish many more things in your life even after you graduate. Learning does not stop in the classroom it happens every moment of our day. If we keep on being diligent in studying, in seeking out the truths of the word and allow the Holy Spirit to teach us the ways of the kingdom we will continue learning. Each life is made up of mistakes and learning, waiting and growing, practising patience and being persistent.- Billy Graham

Keep walking in the Spirit, keep being led by the Spirit and keep living in the Spirit and be the man and woman that will manifest the Kingdom of God wherever He places you. Arise and let your light shine!

## BE AMONG THOSE WHO WILL MAKE A DIFFERENCE

I would like to take this opportunity to congratulate the 2018 The King's College of Prophets graduates for your successful completion of your course. In today's fast-paced environment it is not easy to make time for intensive Bible study. A primary weakness of many churches is a lack of knowledge; the measure of knowledge that is intended to anchor and stabilise families, churches and nations (Hos 4:6, Isa 33:6). The Bible is filled with exhortations to grow in the knowledge of God yet many opt for "spiritualised" alternatives that look good but are often lacking in substance. The College of Prophets addresses this need.

The next stage of your walk is critical! What will you do with that which has been committed to your trust? Will you provide a witness through your life and example? Will you take time to reflect and meditate over the lessons you received? The days we are living in are filled with both challenges and opportunity. Make the decision to be among those who will make a difference. I want to thank the leadership of the The King's College of Prophets as well as you the graduates for the privilege of sharing in your journey. Go Forward! (Exo 14:15).

## PROPHECY...AND ARISE TO YOUR DESTINY, YOU SONS & DAUGHTERS OF ISSACHAR

My congratulations, first of all, to the graduating class of 2018, The King's College of Prophets. I am certain that the past few months have had many defining moments for many of you and as you graduate, I want to encourage you to keep pressing upwards, onwards, and towards the goal of the high call of God in Christ Jesus.

There is an interesting tribe in Israel called the "Tribe of Issachar"; and the "Tribe of Issachar" was the prophetic tribe. We are told in 1 Chronicles 12: 32 that the sons of Issachar were those who understood the times and seasons and what Israel ought to do. There were 12 tribes in Israel and each tribe was different from the other. They all had different tribal anointings and they were all unique. But not all the tribes were prophetic.

The King's College of Prophets has been strategically placed in the Body of Christ in Singapore, in this season, to raise the Sons of Issachar, because the one thing that is lacking in this nation is a clear prophetic voice. You are playing a very key role in strengthening what I believe to be a vital part of the Body of Christ. The College has a unique prophetic calling upon her because of the headship anointing principle and you must not take this for granted. Dream prophetic dreams for the Body. Prophecy to those dead bones and arise to your destiny, you sons & daughters of Issachar.

Blessings.

WHATEVER  
MAY LIE AHEAD  
OF YOU,  
REMEMBER YOU  
ARE NOT ALONE

We are all familiar with God's incredible message of grace. We will have no bragging rights in heaven, only the acknowledgement that we were all sinners saved by grace and by grace alone. No wonder the world's best-loved hymn is still Amazing Grace. But while all that is true, we are not 'carried to the skies on flowery beds of ease' as another hymn writer wrote. The New Testament is full of illustrations and exhortations requiring 'blood, sweat and tears' like fight the good fight of faith or run with endurance the race that is set before us or we wrestle not against flesh and blood or the kingdom of God suffers violence and the violent take it by force or suffer hardship as a good soldier of Jesus Christ. How about this one? You have not yet resisted to the point of shedding blood in your striving against sin?

Nowhere in the New Testament is the Christian given a free pass from hardship or hard work when it comes to serving God. Paul describes all the dangers he experienced including, beatings, stonings, shipwrecks, hunger, cold and exposure to list just a few. Whatever may lie ahead of you, remember you are not alone; 'neither death nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor any other created thing, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.'

Congratulations on completing your course.

Blessings.

# BE TRAINED PROPHETICALLY BY THE PROPHETS

Now is the time for the prophetic company to rise up. We have been called to sound the trumpet and prepare the Bride for the coming of our Lord Jesus Christ.

With this burden, a team of ministers who are highly trained by the Lord has been assembled to equip the saints and to build up the Body of Christ (Ephesians 4:12).
