

Safety Data Sheet
According to Regulation (EC) No. 453-2010

Alera – Zensa Healing Cream

SAFETY DATA SHEET

Date of Issue: February 16, 2017 Revision Date: February 16, 2017 Supersedes: None Version: 1

1. Identification of the substance mixture and of the company undertaking

Substance name:	Zensa Healing Cream
CAS Number:	Mixture (see below)
Product Code:	40-01240, 40-01241, 40-01242
Formulation Code:	31-00591

1.1 Recommended Use and Restrictions on Use

1.1.1 Use of the substance: Used in aromatherapy as a nervine/calming. Calendula is traditionally used in Herbal Medicine to aid in wound healing and help relieve skin inflammation and irritations.

1.1.2 Restrictions on use: No data available

1.2 Supplier Contact Information

ProLab Health and Beauty Ltd.
1339 Franklin Street
Vancouver, British Columbia V5L 1P2
(604) 254-1628

1.3 Emergency Telephone Number: CHEMTREC: 1-800-424-9300 or 011-703-527-3887

2. Hazard Identification

2.1 Classification (Hazard Class and Category) of the substance or mixture
Not classified

Adverse physicochemical, human health and environmental effects
No additional information available

2.2 Label elements (Including Pictogram, or name of Pictogram (e.g. flame; skull and crossbones)
Not classified

2.3 Other Hazards
None known or expected

3. Composition information on ingredients

Aqua, Helianthus Annuus (Sunflower) Seed Oil, Calendula Officinalis Flower Extract, **Glyceryl Stearate**, **PEG-100 Stearate**, **Ceteareth-12**, Persea Gratissima (Avocado) Oil, Citrus Paradisi (Grapefruit) Peel Oil, Glycerin, **Phenoxyethanol**, **Caprylyl Glycol**, Ethylhexyl palmitate, Cetearyl Alcohol, Aloe Barbadensis Leaf Extract, Cucumis Sativus (Cucumber) Extract, Camellia Sinensis (Green Tea) Leaf Extract, Carbomer, Hyaluronic Acid, Tocopherol, Butyrospermum Parkii (Shea) Butter, Sodium Hydroxide.

4. First-aid measures

4.1 Description of first-aid measures

First-aid measures after inhalation: Move the victim into fresh air. Respiratory problems: consult a doctor /medical service right away.

First-aid measure after skin contact: Intended for skin contact. If irritation occurs, wash exposed area with soap and water. Get medical advice if irritation persists.

Safety Data Sheet

According to Regulation (EC) No. 453-2010

First-aid measure after eye contact:	Immediately flush eyes with plenty of water for at least 15 minutes, lifting upper and lower eyelids occasionally. Get medical attention if irritation persists.
First-aid measure after ingestion:	If accidental ingestion occurs, seek urgent medical attention or contact a Poison Control Center. If symptoms persist or worsen, consult a health care practitioner.
Protection of First-Aiders:	No hazards which require special first aid measures.

Most important symptoms and effects, both acute and delayed

Symptoms/injuries:	Not expected to present a significant hazard under anticipated conditions of normal use.
Symptoms/injuries after inhalation:	Move the victim into fresh air. Respiratory problems: consult a doctor /medical service
Symptom/injuries after skin contact:	Intended for skin contact. If irritation occurs, wash exposed area with soap and water. Get medical advice if irritation persists.
Symptoms/injuries after eye contact:	Irritation of the eye tissue.

- 4.2. **Indication of any immediate medical attention and special treatment needed**
Treat systematically.

5. Firefighting measures

5.1. Extinguishing media

Suitable extinguishing media:	Apply alcohol-type or all-purpose-type foams by manufacturers' recommended techniques for large fires. Use carbon dioxide or dry chemical media for small fires.
Unsuitable extinguishing media:	

5.2. Specific hazards arising from the substance or mixture

Fire Hazard:	None
--------------	------

5.3. Precautions for firefighters

Protective equipment for firefighters:	None
Specific Methods:	Standard procedure for chemical fires

6. Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

Protective equipment:	Chemical resistant gloves. Use splash goggles when eye contact due to splashing is possible.
Emergency procedures:	Ventilate affected area.

- 6.2. **Environmental precautions:** Prevent further leakage or spillage. No special environmental precautions required. No additional information available

6.3. Methods and material for containment and cleaning up

Method for cleaning up:	Flush with water.
-------------------------	-------------------

Safety Data Sheet

According to Regulation (EC) No. 453-2010

7. Handling and storage

7.1. Safe handling

Safe handling: Avoid contact with eyes.
Hygiene measures: Handle in accordance with good industrial hygiene and safety practice.

7.2. Safe storage, including any incompatibilities

Handling Technical Measures/Precautions: No special handling precautions required
Safe Handling Advise: Handle in accordance with good industrial hygiene and safety practice.
Storage condition(s): Keep in a dry place. Keep container tightly closed. Store at room temperature away from direct sunlight and heat. Keep out of reach of children.

8. Exposure controls personal protection

8.1. Exposure Controls

Control parameters, including occupational exposure guidelines or biological exposure limits and the source of those values.
Engineering controls: Normally not required when used as intended
Personal protective equipment: Normally not required when used as intended
Hand protection: Product is designed for on skin and body (including hands)
Eye protection: Normally not required if used as intended
Skin and body protection: Product is designed for use on skin and body

9. Physical and chemical properties

9.1. Physical and chemical properties:

Appearance:	White to off-white smooth homogeneous soft cream
Odour:	White grapefruit scent
Odour threshold:	No data available
pH:	5.0 – 6.0
Melting point/ Freezing point:	No data available
Initial Boiling Point / Boiling Range:	No data available
Flash point:	No data available
Evaporation rate	No data available
Flammability (solid, gas)	No data available
Lower flammable/explosive limits	No data available
Upper flammable/explosive limits	No data available
Vapour pressure	No data available
Relative density	No data available
Solubility	No data available
Partition coefficient – n-octanol/water	No data available
Auto-ignition temperature	No data available
Decomposition temperature	No data available
Viscosity	No data available

10. Stability and reactivity

10.1. Reactivity

Stable under normal conditions of use.

10.2. Chemical stability

Stable under normal conditions of use.

10.3. Possibility of hazardous reactions

None known.

10.4. Conditions to avoid (e.g. static discharge, shock, or vibration)

No data available

Safety Data Sheet

According to Regulation (EC) No. 453-2010

10.5. Incompatible materials
No data available

10.6. Hazardous decomposition products
None known.

11. Toxicological information

11.1. Description of the various toxic effects and the data used to identify those effects, including information on the likely routes of exposure (inhalation, ingestion, skin and eye contact), Symptoms related to the physical, chemical, and toxicological characteristics, Delayed and immediate effects, and chronic effects from short-term and long-term exposure, Numerical measures of toxicity: carcinogenicity, reproductive effects, and respiratory sensitization.

Acute toxicity: No acute toxic effects expected by inhalation, ingestion, or contact during handling and usage. No long term chronic effects.

Respiratory sensitization: Not classified
Carcinogenicity: Not classified (No classification for carcinogenicity as none of the components is classified for carcinogenicity)

Reproductive effects: Not classified (No classification for reproduction as none of the components is toxic for reproduction)

12. *Ecological Information

12.1. Aquatic Toxicity (if available)
No additional information available

Terrestrial Toxicity (if available)
No additional information available

12.2. Persistence and degradability
This product is biodegradable

12.3. Bio accumulative potential
No additional information available

12.4. Mobility in soil
No additional information available

13. *Disposal considerations

Waste disposal recommendations: Remove waste in accordance with local, national and/or international regulations.

14. *Transport information: Not classified as dangerous in the meaning of transport regulations.

15. *Regulatory information
No additional information available.

16. Other information
No additional information available

*Sections 12 to 15 require the headings to be present. The supplier has the option to not provide information in these sections.

This information contained herein is based on data considered to be accurate. However, no warranty is expressed or implied regarding the accuracy of this data or the results to be obtained from the use thereof.
