

**The majority of ingredients in Gehwol products are of natural origin. Prized herbs such as mountain pine, rosemary, thyme and lavender release their full power in the finest essential oils. These, combined with emollient fats and oils of natural origin, as well as lanolin, and special ingredients such as allantoin (an active ingredient from horse-chestnut), bisabolol (an ingredient of chamomile) and panthenol, make up the highly effective Gehwol product.**

**The select composition, thorough quality control and high-standard of hygiene guarantee the highest standards of quality right across the Gehwol line.**

# GEHWOL<sup>®</sup> INGREDIENTS

## Cream Bases

Eudermic, protective, and cleansing oil-in-water-emulsions, which are easily absorbed by the skin.

**Avocado Oil** The oil is rich with active ingredients, especially mild and smoothens the skin. It is quickly absorbed by the skin and permeates well, especially with dry and scaly skin.

**Jojoba Oil** Skin-caring oil. Produces a silky and soft skin sensation, is quickly absorbed by the skin, and maintains the elasticity and smoothness of the skin.

**Lanolin** A substance similar to dermafat with excellent caring properties, contains Pro-vitamin D.

**Med. Special Soaps** Osmotically active against the formation of blisters. Strengthens the skin and maintains its elasticity. Normalizes perspiration.

**Natural Fats** Maintain smoothness and elasticity of the skin. Prevent callus formation and cracking of the skin. They are used as basis for most GEHWOL preparations.

**Sea buckthorn Oil** Has a high amount of unsaturated fatty acids and vitamins. It has a caring and regenerating effect on the skin and a general anti-inflammatory effect.

**Shea butter** Lipid component with an especially high share of un-saponifiable components to care for stressed skin. Makes the skin silky and lends it elasticity. Binds moisture in the epidermis.

**Wheat Germ Oil** Vitamin-rich oil, which makes the skin smooth and strengthens nails.

## GEHWOL Active Ingredients

**Algae Extracts** Promote circulation of the skin, vitalise it and prevent wrinkles. Positively influences the moisture balance of the skin, calluses become smoother.

**Allantoin** An ingredient of the horse chestnut, promotes healing.

**Aloe vera gel** Aloe vera is a medicinal plant which has been used for centuries. It contains numerous ingredients such as vitamins and minerals which account for the gel's moisturizing and anti-inflammatory effects.

**Bamboo powder** Finely ground powder from the inside of bamboo. Gently removes dead skin scales.

**Ceramides** Mixture of ceramides and phytosphingosine: natural skin lipid concentrate for restoring the protective skin barrier function. Even reaches the deeper layers of the skin.

**Farnesol** Known as a natural deodorant and well tolerated active ingredient, prevents the development of foot odour through bacteriostatic action.

## GEHWOL Active Ingredients

**Oat Extract** The standardized extract contains anti-irritative avenanthramides that soothe the skin. Together with other ingredients, they improve skin elasticity and reduce irritation.

**Hamamelis Extract** Strengthens blood vessels, has a styptic effect and promotes granulation.

**Honey Extract** Regulates the moisture balance of the skin and soothes the skin.

**Hyaluronic acid** in a special, deep acting molecular size can be absorbed by the skin, supporting skin regeneration and strengthening the skin's own defenses.

**Ginger Extract** Stimulates the thermal receptors. Provides warmth for the feet.

**Chamomile-based ingredients** Such as *bisabolene* promote healing, help to prevent inflammation and have a disinfectant effect. Excellent skin tolerability.

**Camphor** Is absorbed excellently by the skin in combination with vegetable oils, promotes circulation and metabolism.

**Manuca Concentrate** The concentrate from the oil of the Manuka shrub contains high concentrations of the components which are especially effective in fighting foot odor.

It has a broad spectrum effect against bacteria and fungi and is therefore particularly suitable for foot hygiene.

## GEHWOL Active Ingredients

**Menthol** A component of the peppermint oil. Has a cooling, refreshing, deodorizing, antipruritic and bactericidal effect.

**Panthenol** Pro-vitamin B5, with distinct promotion of the healing process. Accelerates cellular growth.

**Pepper Extract** Stimulate the thermo-receptors of the skin and thus cause a warm sensation.

**Mother-of-Pearl powder** is a finely ground powder from the insides of seashells. It gently removes dead skin cells.

**Tapioca starch** Natural product made from cassava (manioc) root. Tapioca starch particles smooth the skin and act as a buffer in the exchange of moisture between the skin and the environment.

**Urea (carbamide)** Due to its special skin-caring properties, it has been used with great success in medical and cosmetic preparations. This highly compatible substance, which is produced by the body itself, has a bactericidal, antipruritic effect and smoothens callus. The moisture balance of the skin is optimally regulated.

## GEHWOL Active Ingredients

**Vitamin E Acetate** Protects the skin against premature aging.

**Vitamin E Nicotinate** Promotes circulation of the skin and thus warms it.

**Zinc Oxide** Is a well-tried active ingredient for the care of sensitive skin, with antimicrobial, slightly styptic properties and a skin protecting effect. Through the special activation method used, the action against many skin germs, that decompose perspiration, could vastly be improved.
