LASH STYLING BY **RefectoCil**

3 EASY STEPS
TO PERFECT LASHES

1. LIFT 2. TINT 3. CARE

After the lashes have been lifted using the RefectoCil Eyelash Lift, they can immediately be tinted with RefectoCil tinting for lashes and brows.

For a perfect finish, apply RefectoCil Styling Gel. This can be used daily on tinted lashes. It nourishes them while giving them a beautiful shine.

LASH STYLING by RefectoCil

NEW!

Eyelash Lift

Super Quick!
8 + 5 min.
Nourishes with collagen & cysteine.

I woke up like this!

RefectoCil

NEW!

RefectoCil Eyelash Lift: lifts lashes and creates an intense, wide-eyed look. The lift makes your natural lashes look significantly longer and thicker. The unique formula containing collagen & cysteine works in JUST 13 minutes. The lifting pads fit along the curvature of the lid perfectly. They are available in 3 sizes and can be used up to 100 times. You can colour the lashes immediately after the lifting treatment.

WHAT IS THE DIFFERENCE?

LIFT OR CURL?

Lash Lift works with specially shaped silicone lifting pads and a water-soluble glue to give the lashes a lift from the root.

Lash Curl works with sticky rollers and a different glue. It gives lashes a C shape curl.

They both use the same formula and last up to 6 weeks!
