Store in original packaging at ambient temperatures and away from strong sunlight.

8. Exposure Control / Personal Protection

UK Occupational Exposure standards: **None assigned**

Engineering Control Measures: **Exposure to this material may be controlled in a number of ways. The measures appropriate for a particular worksite depend on how the material is used and on the potential for exposure. Use of the basic principles of industrial hygiene will enable this material to be used safely**

Respiratory protection: **Respiratory protection not normally required. Respiratory protection if there is a risk of breathing mists or vapours from heated material**

Hand protection: **PVC or Rubber gloves**

Eye protection: **Chemical goggles**

Body protection: **Normal work wear**

9. Physical and Chemical Properties

Appearance	uncoloured lotion
Odour	To match the standard
SG @ 20°C	0.97 – 1.03
Uncentrifuged Viscosity	10,000 – 15,000cps TbarC @10rpm @ 20°C
Microbiological	TVC < 10cfu/g

10. Stability and Reactivity

Product stable for a minimum 30 months, from date of manufacture.

12. Toxicological information

Acute toxicity:	No data
Irritancy eyes:	Available data on components, indicates that this material will be irritating to the eyes
irritancy skin:	No data
Inhalation:	No data
Ingestion:	No data

General Notes: This material is a blend of cosmetically approved raw materials which have been approved by the EEC, or recognised by the BP as being suitable for incorporation into products for sale to the general public for the purposes of personal care.

However certain individuals may be sensitive to one or more of the ingredients in this preparation. Therefore if irritation occurs. the product should not be used until medical advice has been sought..

12. Ecological Information

General: This material is unlikely to accumulate in the environment and environmental problems under normal use are not expected

13. Disposal Considerations

Product disposal: Incineration or landfill. Dispose in accordance with all applicable local and national regulations.

14. Transport Information

**THIS MATERIAL AND ITS PACKAGING ARE NOT CLASSIFIED
AS HAZARDOUS**

ROAD:

UN No.:

CEFIC TEC (R) No.:
