

1 : Identification of the substance/mixture and of the company/undertaking

Product identifier	
Product Name	St Tropez Self tan express Bronzing face sheet mask
Product Code	RB000039
Intended Use	Face treatment
Relevant identified uses of the substance or mixture and uses advised against	
Manufacturer's Name	LF Beauty (Thailand) Limited
Address	21/7 Moo 6, Kookot, Lamlukka,
Phone	+6629876500
Fax Number	+6629876500 ext 115
Emergency telephone	
Details of the supplier of the safety data sheet	
Supplier's Name	Same as manufacturer
Address	
Phone	
Fax Number	
Emergency Phone	
Preparation date of MSDS	24 February 2016
MSDS Prepared By	Marco Ponziani
Phone Number of Preparer	

2 : Hazards Identification

Main ingredients	N/A
------------------	-----

3 : Composition/Information on Ingredients

Hazardous Ingredients	n/a
Ingredients	Water (Aqua), Dihydroxyacetone, Pentylene Glycol, Glycereth-26, Glycerin, Bis-PEG-15 Methyl Ether Dimethicone, Propanediol, Saccharide Isomerate, PEG-40 Hydrogenated Castor Oil, Phenoxyethanol, Sodium Metabisulfite, Xanthan Gum, 1,2-Hexanediol, Allantoin, Fragrance (Parfum), Caprylhydroxamic Acid, Sodium Hyaluronate, Citric Acid, Sodium Citrate
May Contain	n/a
Skin contact	not expect to occur irritation
Skin absorption	not expect to occur irritation
Eye contact	not have information, avoid to contact eye
Inhalation	not expect to occur irritation
Ingestion	not have information, This product for topical use not eatable
Composition	Water (Aqua), Dihydroxyacetone, Pentylene Glycol, Glycereth-26, Glycerin, Bis-PEG-15 Methyl Ether Dimethicone, Propanediol, Saccharide Isomerate, PEG-40 Hydrogenated Castor Oil, Phenoxyethanol, Sodium Metabisulfite, Xanthan Gum, 1,2-Hexanediol, Allantoin, Fragrance (Parfum), Caprylhydroxamic Acid, Sodium Hyaluronate, Citric Acid, Sodium Citrate

4 : First Aid Measures

Eye contact	If in eyes, hold eyelids open. Flush with gently running water for at least 15 minutes.
Ingestion	Just in case swollen accidentally give 3-4 glasses of water and see your doctor. Do not induce vomiting.
Inhalation	Move to fresh air.
Skin contact	not expect to occur irritation.
Protection for aiders	n/a
Notes to doctor	n/a

5 : Fire Fighting Measures

Flammability	Not flammable.
Flash point (°C)	no information
Flash point (°F)	no information
Auto ignition temperature	no information
Lower flammable limit	no information
Fire fighting information	Water spray may be used to cool containers. Dry chemical, alcohol foam or carbon dioxide are suitable. Fire fighters should wear self-contained breathing apparatus if exposure to vapour or combustion products is likely

6 : Accidental Release Measures

Personal precautions	Ensure adequate ventilation
Environmental precautions	No special environmental precaution require
Methods for cleaning up	Wipe up with absorbent material (e.g. cloth, fleece). Rinse of with plenty water till no later found.

7 : Handling and Storage

Handling	Special precautions are not necessary. Exercise safe handling practices at all times.
Storage	store below 30 0C

8 : Exposure Controls/Personal Protection

Engineering Controls	that is not required
Eye protection	that is not required
Hand protection	that is not required
Skin and body protection	that is not required
Respiratory protection	that is not required
Other precautions	

9 : Physical and Chemical Properties

Physical state	Mask sheet in sachet, contain with wet mask
Appearance	translucent liquid
Color	light yellow
Odor	floral
pH	3.5-5.5
Vapor Pressure	no information
Vapor Density	no information
Specific Gravity	1.034 - 1.038 g/ml
Boiling Point	no information
Freezing Point	no information
Solubility in Water	soluble

10 : Stability and Reactivity

Chemical stability	stable under normal conditions of use
Conditions to avoid	avoid to contact sunlight directly and high temperature than 30C
Incompatibility with other materials	no information
Hazardous decoposition	no information
Hazardous polymerisation	no information

11 : Toxicological Information

Chronic toxicity	no information	
Sensitization	no information	
Carcinogenic effects	no information	
Mutagenicity / Ames test	no information	
Teratogenesis	no information	
Reproductive effects	no information	
Acute Toxicity		
Acute oral toxicity (LD50)	no information	
Skin tolerance	no information	
Ocular tolerance	no information	
Phototoxicity	no information	
Dermal toxicity	no information	
Inhalation toxicity	Not expected to cause harmful.	

12 : Ecological Information

Ecotoxicity	no information	
Mobility	no information	
Degradability	no information	
Bioaccumulation	no information	

14 : Transport Information

Land (DOT)	not a hazardous material	
Air (IATA / ICAO)	not a hazardous material	
Sea (IMDG / IMO)	not a hazardous material	

15 : Regulatory Information

WHMIS Classification	none	
OSHA	none	
SARA	none	
TSCA	none	
CERCLA	none	
EPA	none	
European Labeling in Accordance with EC Directives	none	

16 : Other Information
