American Standard

Style That Works Better

THE TROPIC® COLLECTION

Invite the casual beauty of nature inside. The Tropic® Collection's traditional, relaxed theme blends warm woods and textures to create a distinctively comfortable environment that fits neatly with any style.

Sinks

Beautiful, versatile and easy to clean.

- Pedestals, above-counter, and drop-ins
- Flat-bottom petite pedestal basin allows versatile application. Can be installed in typical pedestal application, or above-counter on wall hung or floor mounted vanities
- EverClean® Surface on drop-in sinks keeps sink cleaner longer

Furniture

Design and storage options abound.

- 30" and 24" vanity
- Poplar solids and birch veneer
- Rattan applique pulls available
- Wall-hung wash stand
- Optional laminated marble tops
- Accent mirror
- Demi apothecary and console

Faucets

Graceful, fluid and durable.

- Ceramic Disc Valves
- Lifetime function and finish warranty*
- Speed Connect® drains make faucets easiest to install
- EPA WaterSense® listed

Toilets

High Style. High-Performance.

- Cadet® 3 Flushing System for maximum performance rating 1,000 MaP rating
- EverClean® Surface. Inhibits bacteria, mold and mildew
- Extra-wide 3" Flush Valve and 2 1/8" Trapway flushes 80% faster and eliminates 60% larger mass than standard toilets
- 5 year warranty* on china and parts

Tropic Petite Pedestal

8" or 4" centers; 21 x 18 1/2 x 36;

**PORCHER
LUXURY TOILET
COLLECTION**

SINCE 1890, PORCHER HAS SET THE HIGHEST STANDARD FOR STYLE AND SOPHISTICATION. NOW, PORCHER'S FULL PALETTE OF INSPIRED DESIGN AND TIME-HONORED QUALITY BRINGS UNRIVALED ELEGANCE AND TRUSTED PERFORMANCE TO ANY HOME.

INSPIRED DESIGN

Wherever beauty unfolds—art, architecture, fashion, nature—that's where we find inspiration for the remarkable luxury toilet collection from Porcher. A broad collection—from contemporary to traditional and everywhere in between—brings elegance to the bath.

ELEVATED WATER SAVINGS

All our water efficient luxury toilets save up to 20% more water than standard toilets. Although our toilets use less water, they never sacrifice performance. Waste is eliminated efficiently in one-flush. All 1.28 gpf models are pending WaterSense® approval.

TROUBLE-FREE USE

Our 10-year Limited Worry-free Warranty covers the entire toilet inside and out, including everything in the tank, the china and the seat. You'll find our quality lives up to our name and we stand behind every toilet we offer. Visit our website – porcher-us.com – for complete warranty details.

EXCEPTIONAL PERFORMANCE

Our Luxury Performance (LXP) toilets are designed for uncompromising beauty and function. Consider these brilliant features:

- Industry's largest flush valves flush faster and help eliminate more bulk for powerful results every time
- PowerWash™ Rim Technology traps air in the rim chamber and produces pressurized water to scour the bowl clean
- EverClean® surface technology eliminates mold, mildew and stain and odor causing bacteria
- Concealed trapways and sleek one-piece design create smooth, pleasing exterior look and added beauty
- Elongated bowls and Right Height™ options add increased comfort

CHAPEAU™

Quintessentially French. Stately, strong and a bit whimsical. This transitional design can be a signature element to a wide range of decors. Chapeau is inspired by the brim of the hat worn by beekeepers in the Montagnes Noir region of France.

Chapeau One-Piece

- 1.6 gpf and 1.28 gpf
- Exclusive PowerWash™ Rim Technology
- Extra-wide 3" flush valve and 2" trapway deliver maximum MaP rating – 1000 g at both 1.6 and 1.28 gpf
- Concealed trapway
- Elongated Right Height
- Duroplast Slow-close, Easy Lift-off seat
- 10-year warranty
- Available in White and Biscuit
- Trip levers available in complementary Jado finishes

ARCHIVE®

Timeless European style. Well-balanced and elegant, Archive draws upon classic period design cues for a sophisticated compliment to the entire Archive collection.

Archive One-Piece

- 1.6 gpf and 1.28 gpf
- Exclusive PowerWash™ Rim Technology
- Extra-wide 3" flush valve and 2" trapway deliver maximum MaP rating – 1000 g at 1.6 gpf
- Concealed trapway
- Elongated Right Height
- Duroplast Slow-close, Easy Lift-off seat
- 10-year warranty
- Available in White and Biscuit
- Trip levers available in complementary Jado finishes

VENETO®

A true definition of Modern Craftsmanship, the Veneto is casually at home in master baths with its soft curves, balanced proportions and transitional style. The Veneto also defines the powder room as a confident, compliment to stone vessels or glam console tables.

Veneto One-Piece

- 1.6 gpf and 1.28 gpf
- Industry's largest 4" piston action Accelerator™ flush valve and extra large 2 1/8" trapway flushes 200% faster and eliminates larger mass than standard 2" outlet toilets
- Maximum MaP rating – 1000 g on 1.6 (1.28 pending**)
- Concealed trapway
- Elongated Standard Height
- Duroplast Slow-close, Easy Lift-off seat
- 10-year warranty
- Available in White and Biscuit
- Trip levers available in complementary Jado finishes

OVALE™

Purity of form without compromise. Graceful curves inspired by the Ovale line of furniture make this toilet a perfect accent in a master suite or powder room.

Ovale One-Piece

- 1.6 gpf
- Extra-wide 3" flush valve and 2 1/4" trapway deliver maximum MaP rating – 1000 g** at 1.6 gpf
- EverClean® surface
- Elongated Right Height
- Slow-close seat
- 10-year warranty
- Available in White and Biscuit
- Trip levers available in complementary Jado finishes

Ovale Two-Piece

- 1.6 gpf and 1.28 gpf
- Extra-wide 3" flush valve and 2 1/4" trapway deliver maximum MaP rating – 1000 g at both 1.6 and 1.28 gpf
- EverClean® surface
- Elongated and Round Right Height
- 10-year warranty
- Available in White and Biscuit
- Trip levers available in complementary Jado finishes

* All 1.28 models are pending WaterSense Certification
** MaP test ratings pending final report. MaP testing performed by IAPMO R&T Lab per MaP protocol outlined by Ventec Consulting and Koeller Company

American Standard

BATHROOM
FAUCETS

STYLE MEETS SUBSTANCE

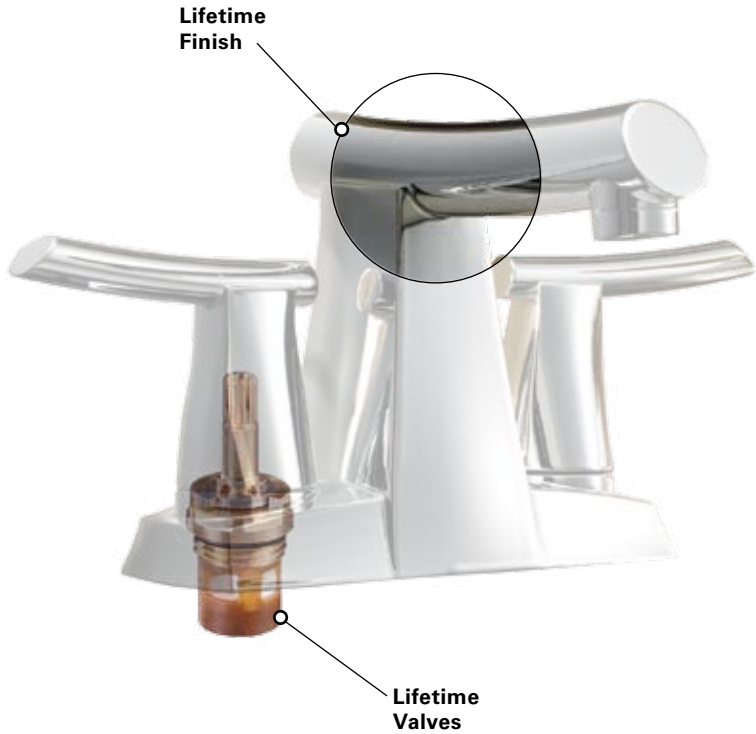

American Standard faucets are engineered to look beautiful and function flawlessly. Our exquisite designs offer innovative conveniences like pull-out spouts for the bath, easy-to-upgrade shower styles, peace-of-mind safety features, and simpler-than-ever installation and cleaning.

Worry-free, drip-free, and built to last, all our faucets are covered by our Limited Lifetime Warranty.

- **Drip-Free For Life***
Valving designed & tested to survive over one million on/off cycles without failure
- **Tarnish, Scratch and Corrosion Resistant**
PVD finishes last a lifetime*
- **Speed Connect™ Drain**
Never needs adjusting and seals tightly every time
- **Make-Over Made Easy**
TRIMendous bathroom style flexibility
- **Scald Protection**
Anti-scald safety stop and pressure balancing valves

SUPERIOR ENGINEERING INSIDE AND OUT

Our Ceramic Disc Valves are maintenance-free, and provide a lifetime of smooth handle control, even in extreme temperature or hard water conditions. Our finishes are tarnish-, scratch- and corrosion-resistant, because we use a Physical Vapor Deposition (PVD) process to make the lustrous finish a part of the faucet, not an outside coating.

SPEED CONNECT™ DRAINS

This ingenious drain design is an American Standard exclusive. It seals tightly every time, never needs adjustment and always remains at the perfect height.

TRIMendous FLEXIBILITY

One universal valve body with many decorative trim options allows you to change styles easily with TRIMendous flexibility. Update your bath without tearing into the wall by simply changing decorative trim.

SAFETY VALVES

Our Safety Stop Valves prevent accidental scalding by limiting the hot water temperature. Our Pressure Balancing Valves protect against sudden temperature changes in the shower. We've developed Thermostatic Valves that maintain a constant pre-set shower temperature even when the water pressure or temperature changes. These features help keep your loved ones safe... especially important for children.

JASMINE 3821.831

LAKELAND 4114.100

KITCHEN FAUCETS

American Standard makes beautiful, durable kitchen faucets in a wide variety of styles and configurations, all with thoughtful features and attractive designs.

Choose the faucet that matches your style, high-flow, bridge, wall-mount, gooseneck or conventional spout with one handle or two. Match your sink, selecting from our range of spout heights and lengths, and 1, 2, 3 or 4-hole configurations. Find the features that mean the most to you, from extra-tall spouts for extra-tall pots, to pull-down and pull-out spouts for a convenient spray.

American Standard kitchen faucets are as reliable as our bath faucets. All feature Ceramic Disc Valves for a lifetime of drip-free performance, and high-tech finishes guaranteed to stay beautiful for years to come.

There's lots more to choose from. See our full line of kitchen faucets at americanstandard-us.com
