## Linesheet for Kids and Babies

## about the line

Every Megan Lee Design begins with a drawing by Megan, which is then scanned, printed and burned to a screen, and finally printed by hand, one-by-one in our studio. Her cute and quirky designs can be found on clothing, totes, greeting cards, mugs and more and are inspired by her love of animals, nature and the Midwest.

Items are hand screenprinted by using environmentally-friendly, water-based inks. We try to use the softest clothing we can find, most often tri-blends of cotton/poly/rayon. Women's shirts are fitted, size charts are on the last page.

Put any design on any style as long as you order at least 6 of that design. We will work with you to confirm the design/style/color work together. More options available than shown, just ask.

### **Term & Conditions:**

Our initial minimum order is \$200—there is never a minimum on reorders. Initial order terms are prepaid with a check or Visa/MC. Orders paid for with a Visa/MC will be charged a 3% credit card processing fee, to avoid this fee please pay by check.

Shipping time varies with the season, but please allow 3-4 weeks for most orders. Custom colors/designs could take an additional 1-2 weeks. We ship via FedEx Ground with insurance. Shipping charges are based on weight.

To order, call or email Erik at Megan Lee Designs with quantities, items and sizes you wish to purchase and a filled out PO will be sent to you. All items are made to order by Megan Lee Designs in our Berwyn studio.

Please note, computer monitor colors vary—if you are concerned about an exact color, please contact us directly. Once the order is received, an invoice will be emailed to you. Your order will ship within 3-4 weeks or longer depending on season, payment options will be discussed at that time.

Please fill out and return the Resale Certificate along with your order.

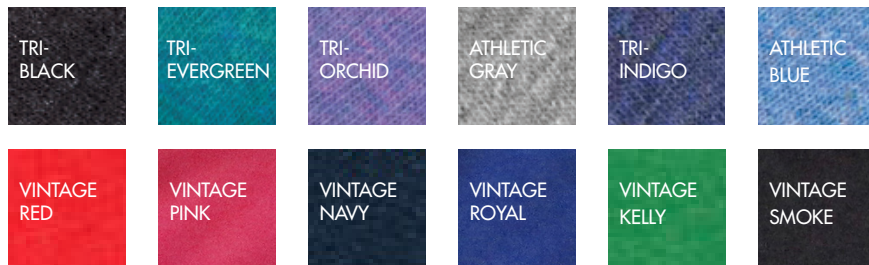

If you have questions about your order call Erik at 773-301-1939 or email him at [erik@meganleedesigns.com](mailto:erik@meganleedesigns.com).

**A note about our fabrics :** We only use fabrics with a super soft feel. This is one of my customer's favorite things about the shirts that we use. Very minimal shrinkage - wash cold, tumble dry low.
