.....

WHAT'S IN A NAME?

.....

Write down your full name. How many words
can you make up with the letters in it?

(Your full name—first, middle, and last)

List the words you come up with here:

1.

2.

3.

4.

5.

6.

7.

8.

9.

10.

11.

12.

13.

14.

15.

16.

17.

18.

19.

20.

STEPPED IN IT

This guy just stepped in something. Then he stepped in something else. Finally, he stepped in yet something else. What did he step in? Draw the three items he stepped in on the sidewalk below. Then draw what the bottom of his shoe looks like now.

MINI CROSSWORDS

These bite-size nugget crosswords are great for when you only have a few minutes (or if you have little patience!). The only thing is, you have to figure out which boxes the answers of the clues belong to. *Answers on page 140.*

Things in Your Nose

Clues

One of your digits

Green and slimy, also known as snot

Also on your head

Microscopic stuff that makes you sick

Useful Information:

Your nose and sinuses make about a quart of snot every day!

BODY PARTS

These body parts need bodies, and it's your job to provide them!

WOULD YOU RATHER: GROSS EDITION

Which of the two unpleasant options would you rather suffer through? Play this gross version of the popular game by yourself or with friends!

Around the Dinner Table

Would you rather ...

eat cake with barbecue sauce on top
OR
eat a steak with chocolate sauce on top?

eat ice-cream-flavored poop
OR
eat poop-flavored ice cream?

use mayonnaise made from
sweat on your sandwich
OR
use ketchup made from
blood on your hamburger?
