About the Book

Mason loves spending time with Nana and Grandpa on the farm—but Nana’s pie takes forever to bake! So Grandpa challenges our impatient hero to find out just how long “forever” really is. After a tour around the farm and many guesses, Mason finally knows how long forever is: It’s how long he’ll love Nana’s pie, and how long he’ll love his grandparents, too.

About the Author

Kelly Carey holds a BS in English and communication from Fairfield University. Kelly lives in Massachusetts. This is her first picture book.

About the Illustrator
