The last day of school makes us go blue.
We'll miss recess and pizza and reading, too.
We'll miss Daisy and cookies and friendship true,
Snack-time and science and learning new.
We'll miss spelling bees for our test review.
And groundhogs that play Peek-a-boo.
The year's been great, a big WAhHoO!
There are many things to miss - it's true,
But mostly what we'll miss is You!
