

# Alfred's Book of Monsters

*My monster is . . .  
the \_\_\_\_\_*

*It carries a pair of gnarled  
horns that creep and twist  
into an unholy  
crown. The most feared  
creatures of the night  
would not dare cross its  
path. Beware . . .*

# Alfred's

Book of Monsters

*My monster is . . .  
the \_\_\_\_\_*

*With with a gruesome  
grin and terrible teeth  
shining through the  
night, its wicked smile is  
hard to mistake. It  
creeps in shadows  
waiting to show its  
fangs. . .*

# Alfred's

Book of Monsters

*My monster is . . .  
the \_\_\_\_\_*

*Tattered and torn wings  
carrying it through skies  
of darkest night.  
Against the light  
of the moon, it is only  
ever seen too late for its  
victims to be saved !*
