Deer grazing, 
crickets singing, 
striped lightning, 
tiger springing!

Bengal Tiger
The octopus is slyly shy.  
It's hard to spot it lurking by—

Like brilliant stars overhead,  
Schools of fish ebb and flow

Common Octopus and Flounder
Find me
if you can,
my sssskin deceivesss,
helpssss me
dissssappear
among thesssse
leavessss.

Copperhead
Spider used
a bloom to hide it
until a fly
flew down beside it.

Crab Spider
Bold singer seldom seen, it matches forest gray or green.

Gray Tree Frog
Stone still,
it waits... waits...
waits... kill.

Reef Stonefish
